Section 28.00—Local Government Financing—Coronavirus Fiscal Recovery Fund Allocations for Cities

Pursuant to the provisions of Section 28.00, 2020 Budget Act, the following report is respectfully submitted.

The American Rescue Plan Act of 2021 (Act) appropriated Coronavirus State and Local Fiscal Recovery Funds for allocation by the U.S. Department of the Treasury to states, counties, metropolitan cities, and small cities with populations under 50,000 (referred to as non-entitlement units of local government). Award amounts are based on each entity's share of the population within each group. The Department of Finance received notification of the funds available and the list of non-entitlement units of local government and their respective populations via Treasury guidance issued on May 24, 2021. Based on this guidance, the state is required to allocate \$1,218,261,277 to 291 small cities and towns in California. Funds are received and payments are required to be made in two tranches issued by the Treasury based on each entity's share of the population; the first payments totaling \$609,130,638 must be made 30 days after the state receives the funds, unless extended by Treasury. The second payment will be made 12 months later.

The state is required to gather specified documents from each entity as outlined in the Treasury guidance, including a copy of each entity's most recent budget as of January 27, 2020. Pursuant to the Act, the amount distributed to these entities is capped at 75 percent of their most recent budget. Based on the budget information provided, the state must determine if the 75-percent limit applies to any city or town compared to the initial population-based allocation formula. Based on a preliminary review conducted using the most recent expenditures reported in annual comprehensive financial plans, it does not appear that any city or town will exceed the allocation limit specified in the Act.

On that basis, the Department of Finance will allocate the first payment of \$609,130,638 to cities and towns consistent with the attached allocation schedule as soon as all of

the necessary certifications and documentation have been gathered from cities and towns, reviewed for completeness, and verified by Finance that all Treasury requirements have been met. To complete the process within 30 days, as intended by the Act and Treasury guidance, Finance respectfully requests a waiver of the 30-day notification period. If any of the cities or towns decline the funds or require adjustments based on the budget documentation provided, a subsequent notice will be submitted to provide the final allocation amounts before funds are disbursed by the State Controller's Office. Finance has no discretion regarding the allocation amounts for each entity and is required to follow the process outlined by Treasury.

If you have any questions or need additional information regarding this matter, please call Chris Hill, Principal Program Budget Analyst, at (916) 445-3274.

---	---	--

PROGRAM TITLE PER GOVERNOR'S BUDGET:
 CFRF Allocations for Cities

FUNDING (SPECIFY FUND)	CURRENTLY BUDGETED	REQUESTED CHANGE (+) OR (-)	TOTAL
Coronavirus Fiscal Recovery Fund of 2021	0	609,131	609,131

(Check appropriate boxes)

- The funds will be expended for a purpose that is consistent with state law (explain use of funds in Part A below).
- The funds are made available to the state under conditions permitting their use only for a specified purpose, and the additional expenditure proposed under this section would apply to that specified funding purpose (as supported by explanation for the purpose of the funds).
- Acceptance of additional funding does not impose on the state any requirement to commit or expend new state funds for any program or purpose.
- The need exists to expend the additional funding during the current fiscal year (explain in Part B below).
- This application is provided to Finance within 45-days of official notice of receipt of funds.
- Explanation of delayed notification to Finance is attached (required if 45-day notification period is exceeded).
- A copy of the official notice of fund availability is attached to this application.
- One-time expenditure.
- Ongoing commitment from this source (if checked, explain under Program Proposal).
- Matching funds required (if checked, explain under Program Proposal).
- Expenditure either supplements or supplants an existing state-funded program (if checked, explain under Program Proposal).

PART A: For what purpose will the funds be expended?

Funds will be disbursed to cities and towns with populations of less than 50,000 (referred to as non-entitlement units of local government) to mitigate the fiscal effects stemming from the public health emergency caused by the novel coronavirus known as COVID-19 consistent with the requirements in Subtitle M, Section 9901; 42 U.S.C. section 603 of the American Rescue Plan Act of 2021 (ARPA).

PART B: Explain the need to expend the funds in the current fiscal year, including the consequence of waiting until budget year to expend the funds:

Pursuant to the section 603 of ARPA, the state must disburse funds to small cities and towns within 30 days of receipt from the U.S. Department of the Treasury (Treasury), unless the state requests, and the Treasury approves, an extension. The state has completed the required state certification to draw down these funds and expects to receive the funds in early June. Given the urgency to allocate these funds to small cities that did not receive direct allocations from Treasury, and the 30-day timeline, Finance recommends allocating these funds in the current fiscal year. On that basis, Finance requests a waiver of the 30-day notice to process these allocation to small cities and towns. Failure to disburse the funds within the time specified can mean forfeiture by the state of a corresponding amount of federal relief funds payable to the state.

PROGRAM PROPOSAL (Attach additional information as necessary)

TITLE:
CFRF ALLOCATIONS FOR SMALL CITIES

STATUTORY AUTHORITY: (state, federal, as appropriate)
Public Law 117-2

DESCRIPTION:

The state expects to receive the first of two tranches of Coronavirus Fiscal Recovery Funds from the Treasury in early June and is required to disburse to small cities and towns within the state after completing the process outlined by Treasury. The first tranche is \$609,130,638, and the second tranche, of an equal amount, is expected to be released to the state after 12 months of receipt of the first tranche. Finance has no discretion regarding the allocation amounts for each entity.

JUSTIFICATION:

Section 604 of ARPA appropriated Coronavirus Local Fiscal Recovery Funds for allocation by the Treasury to states, counties, metropolitan cities, and small cities with populations under 50,000. Award amounts are based on each entity's share of the population within each group. Based on Treasury guidance that was issued on May 24, 2021, the state is required to allocate \$1,218,261,277, which will be disbursed in two tranches, to 291 small cities and towns in California. The state has completed the required certification and will receive the first tranche of funds in early June; the first payments totaling \$609,130,638 must be made within 30 days of the state's receipt of the funds, unless extended by Treasury. The second payment will be made 12 months later.
