Board Details and Duties

The Santa Monica Mountains Conservancy Advisory Committee is advisory in nature and provides broad policy recommendations to the Santa Monica Mountains Conservancy Board for consideration. The Conservancy was established by the California State Legislature in 1980 and since that time, it has helped to preserve over 75,000 acres of parkland in both wilderness and urban settings and has improved more than 114 public recreational facilities throughout southern California. The Advisory Committee is comprised of 26 members and meets jointly with the 18-member Conservancy monthly on the third Monday via Zoom.

A report shall be required for each scheduled meeting of the committee and is due in written form to the City Council five (5) days following the meeting. An e-mail report is acceptable.

In lieu of a written report, an oral report may be presented to the Council under the public comment portion of the next regularly scheduled City Council meeting after the meeting of the agency, authority, district, etc.

Term:

Two-years. Term expiration date shall be December 30.
