3. MINUTES

- We had 3 guest speakers at this meeting: the mayor, the parks and recreational director, and management analysis designer from the library.
- We went over the preliminary design for the artwork in the children's space. The theme of the space revolves around the apricot tree and nature. Some suggestions that teen council members made were to include more nature-designed seating areas and more woodland creatures into the design.
- We went through an overview of government structures and government types.
- Teen Council has agreed to redo committee groups at the next meeting.
- Roles for the mock city council were selected and that will be the purpose of our next meeting.

4. MEETING ADJOURNMENT: 6:01pm
