About ADA

The Americans with Disabilities Act (ADA) is a federal law that was passed in 1990. This law prohibits discrimination on the basis of disability in employment, public services, transportation, public accommodations and telecommunications. The purpose of the law is to provide equal public transportation for anyone, who because of their disability or condition is unable to independently access or use regular transit service.

You may be eligible under the established ADA criteria if you are unable to use the public bus service for one or more of the following reasons::

- You are unable to board, ride or disembark from an accessible transit vehicle.
- Your disability or condition prevents you from traveling to or from a bus stop.

To become eligible to use any ADA transportation service in Ventura County, complete an application for ADA eligibility certification. The application requires you (or someone completing the form on your behalf) to explain why you are unable to use the regular public bus service.

The attached application can be mailed or faxed to VCTC's ADA Certification Coordinator (contact information is provided on the back of the application). An online application process is also available through VCTC. The website is:
www.goventura.org/getting-around/ada-certification/

For additional information on the ADA application process, please call (888) 667-7001.

ADA Paratransit

Moorpark ADA Paratransit service works just like the Senior Dial-A-Ride with some additional services. It is available to any person qualified with a disability regardless of age. The ADA Paratransit provides origin to destination transportation within the City of Moorpark (see below for InterCity travel information).

To qualify, a person must become “ADA certified.” A four-page application must be completed in order to enroll in the program. Applications are available at the Active Adult Center, by calling Shaun Kroes at City Hall (805-517-6257), calling the Ventura County Transportation Commission at 1-888-667-7001, or visiting www.goventura.org. A representative of the Ventura County Transportation Commission will contact the applicant for an assessment interview. Once approved, the applicant is deemed “ADA certified” in compliance with the Americans with Disabilities Act of 1990. Wheelchair accessible rides are available. If you are traveling with a wheelchair, please call at least a day in advance to book your ride.

How to Order a Ride: Once enrolled in the program, call Thousand Oaks for a ride at least 2 hours in advance of needing the ride, (805) 375-5467. When calling, tell the operator, “I’m a Moorpark Dial-A-Rider.” Thousand Oaks has several contracts with local agencies, telling them that you are a “Moorpark Dial-A-Rider” will let them know which program you belong to.

If you will be waiting for your ride inside a building’s lobby, let the operator know.
If you have an appointment you need to get to by a set time, let the operator know.

Fare: \$2.00 each way. Exact change. Cash only.

The City of Moorpark is also a member of the East County Transit Alliance (ECTA) which operates CONNECT InterCity Dial-A-Ride. Travel is provided to Agoura Hills, Camarillo, Oak Park, Simi Valley, Thousand Oaks, and Westlake Village. Please see enclosed CONNECT City to City brochure for additional information.

Fare: \$5.00 each way. See brochure for payment methods.

Hours of Operation: 6:00 a.m. - 6:00 p.m. Monday through Friday, and 8:00 a.m. to 6:00 p.m. on Saturdays; excluding City holidays.
