**CITY OF MOORPARK
AGENDA REPORT**

To: Honorable City Council

From: Steven Kueny, City Manager

Date: May 18, 2016

Subject: City Manager's Budget Message for Fiscal Year 2016/2017

EXECUTIVE SUMMARY

Over the last several years, the City has taken a number of actions to reduce General Fund (GF) expenditures. In the past six years the City has eliminated nine (9) full-time management positions and two (2) competitive service positions saving the GF about \$1,470,000 per year; reduced employee benefits including the City's contribution to health benefits; changed park maintenance service levels including less frequent mowing; paid off unfunded liabilities to California Public Employee Retirement System (CalPERS) Unfunded Actuarial Accrued Liability (UAAL) and Side Fund, Other Post-Employment Benefits (OPEB), and California Joint Powers Insurance Authority (CJPIA) general insurance and workers compensation liability to take advantage of low interest rates and substantially reduced or eliminated the need for annual payments; and improved efficiencies in purchasing and various procedures. The annual savings for PERS and OPEB for the GF are \$114,000 and \$36,000 respectively; while all other funds save \$38,000 and \$12,000 respectively.

The State of California's (State) fiscal year (FY) 2016/17 Budget has a projected \$3.2 billion surplus. This is mostly the result of an improving state economy resulting in increased personal and corporate income and capital gains taxes. While potential use of these funds is still being debated, most of the increase goes to education (K-12 and community colleges, per constitutional guarantees). There is no relief from Educational Revenue Augmentation Fund (ERAF) payments. Moorpark's ERAF payment was about \$500,000 in FY 2013/14. The State has been diverting the City's property tax for this purpose since 1993/94.

The proposed FY 2016/17 Budget as presented to the City Council has a projected GF deficit of \$333,210. The City Manager has included recommendations in this report to balance the GF budget using GF projected savings from FY 2015/16 and GF reserves.

As discussed in detail in this report, a number of factors need to be considered, not only for FY 2016/17, but also for their long-term benefits or consequences for the City including:

1. The projected GF surplus from FY 2015/16 is about \$427,300 (includes the County refund in the amount of \$128,492). This is proposed to be used to offset the \$333,210 FY 2016/17 projected deficit.
2. Elimination of the Redevelopment Agency of the City of Moorpark (RDA).
3. Increasing need for the GF to augment funding for landscape and parks maintenance; street lighting; community development; and engineering.
4. Estimated FY 2016/17 GF revenue is up \$200,653 from the revised FY 2015/16 estimate; mostly due to Property Taxes, Property Taxes-VLF and Sales Taxes. Minimal revenue growth is expected in the next few years due to reduced new building construction and increased commercial vacancies.
5. Growth in property tax is projected at \$200,000 for FY 2016/17.
6. The City continues to pay into (ERAF) and the Property Tax Administrative Fee (PTAF) totaling about \$600,000 per year.
7. Relatively little GF money is available for capital expenses unless taken from the GF reserve. FY 2016/17 capital funded by GF is recommended at \$712,995, this is less than 4% of the GF budget.
8. No salary or benefit increases are proposed, except absorbing projected 10% increase in health insurance premiums and a 0.374% increase in CalPERS retirement contributions.
9. CalPERS announced rate increases. The rates are anticipated to increase by an average of 1% of payroll (city-wide is \$50,000, GF is \$35,000) annually beginning in FY 2016/17 for a period of five years to FY 2020/21. The actual increase for FY 2016/17 is 0.374%, which is less than the 1% estimate by CalPERS. The average 1% increase is still valid, particularly since CalPERS has not achieved their investment goal for the past two fiscal years.
10. Increasing costs for retiree medical insurance premiums. The current annual amount is \$13,000.
11. The relatively small amount of new development activity has substantially reduced billable hours and revenue for the Community Development Department. This has been the case since the 2006/07 fiscal year. There is only about 800 billable hours for Community Development staff in FY 2016/17 to charge outside developers.
12. Cost Allocation Plan contributions to the GF have decreased from a few years ago due to elimination of redevelopment and declining contributions from operating departments. The RDA used to contribute about \$380,000 annually.
13. Operating costs are expected to increase. We expect increases for contract law enforcement and modest increases in City retirement and medical insurance. Even a 3.5 percent (3.5%) increase in law enforcement contract rates will cost about \$210,000.
14. The budget does not include a GF contribution to the Equipment Replacement Fund (ERF) which is estimated to be \$190,000 annually to remain at 100%

- funding. Staff will be requesting a GF reserve contribution in June 2016 to fund the ERF.
15. As yet undetermined costs to comply with mandated drought regulations.
 16. Refurbish parkway and median landscaping on arterial streets including tree replacement along Tierra Rejada Road. This estimated to be at least \$1 million.
 17. The annual increases in the Sheriff's contract that exceed Consumer Price Index (CPI). Even the approximate two percent (2%) increase in FY 2015/16 exceeds the current CPI of 1.7%.
 18. Improve City's information system to add GIS layers, on-line permitting, and to keep up with technological innovation.
 19. Library operations will exceed annual property tax allocation. The City is currently using Library reserves to fund operations.
 20. Increasing use of Transportation Development Act (TDA) for transit purposes and less TDA money received due to lower gas prices.
 21. Traffic Safety Fund (2000) reserves have been expended over the last five plus years. The estimated fund balance at June 30, 2017 is \$9,796.
 22. Increase use of GF reserves to pay for unplanned projects (i.e. drought measures and litigation).
 23. There is about \$3 million available in redevelopment bond proceeds to be spent on capital projects in the project area.
 24. It is highly probable that the Ventura County Transportation Commission (VCTC) will place a sales tax measure on the November 2016 ballot. If this measure passes, it is estimated to provide about \$1 million annually to the City for street purposes.

The City's Budget serves as a spending plan for the upcoming fiscal year. The Operating Budget and Capital Improvement Program Budget are adaptable documents, which can be changed during the year. When needed, budget adjustments are submitted to City Council for unforeseen and/or unanticipated events, which take place during the year.

The City Manager's recommended budget for the City of Moorpark and the Successor Agency to the Redevelopment Agency of the City of Moorpark for FY 2016/17 is presented to the City Council and Successor Agency for consideration.

REVIEW LAST YEAR'S (FY 2015/16) BUDGET ACTIONS BY CITY COUNCIL

On May 20, 2015, the City Manager presented to the City Council the recommended Operating and Capital Improvement Budget for Fiscal Year (FY) 2015/2016. The Council held a public meeting to discuss the budget on May 27, 2015. Based on this meeting, Council directed staff to make several changes to the recommended budget and to present the budget for formal approval on June 17, 2015. After further analysis of the May 27 action and current information, staff included other adjustments for Council consideration and action. The GF was balanced using the FY 2014/15 surplus. The proposed 2015/16 Budget as submitted to the City Council had a projected General Fund deficit of \$191,375. As discussed below, the recommendations for balancing the

FY 2015/16 General Fund (GF) budget included use of the FY 2014/15 GF projected surplus of \$342,000.

Changes to the proposed budget were as follows. Add \$1,000 for the film permit liaison. Increase of \$360 for Local Agency Formation Commission. Reduce by \$4,000 the Business Enhancement Program. Increase of \$300 to Economic Development Collaborative. Successor Agency properties that are now the responsibility of the City results in a General Fund increase of \$10,600. Deletion of a server replacement in the amount of \$50,000; which was funded in FY 2014/15. In addition, staff included modifications to personnel costs, to account for potential salary and benefit changes in the event such are negotiated along with three potential promotions for a total General Fund cost of about \$89,000. The revised General Fund deficit is \$293,714 was completely funded by the FY 2014/15 surplus.

Successor Agency to the Redevelopment Agency of the City of Moorpark

Successor Agency properties are now the responsibility of the City which results in a decrease in the amount of \$10,600. The State Department of Finance (DOF) denied certain costs in the ROPS submittal in the amount of \$300,000, which staff eliminated from the budget.

The budget approval is being requested for City internal governance purposes and the approval of the Recognized Obligation Payment Schedule (ROPS) by the Oversight Board on February 17, 2015 and the State of California Department of Finance's (DOF) allowance of costs in the ROPS defined the parameters of the Successor Agency administrative and operating budget for the period of the ROPS.

FY 2016/17 BUDGET

General Fund Overview

The projected GF operating surplus for FY 2015/16 is \$427,300. Actual revenues are projected to be greater by \$200,653 while expenses are coming in higher as well. Recall that for FY 2015/16 all capital expenses were budgeted using the prior year surplus.

The initial FY 2016/17 budget submitted by the departments showed a deficit of about \$871,248. The City Manager with the Department Heads reduced the deficit to \$333,210. The following items were modified from the initial submittal in order to increase revenue or reduce expenses by about \$538,038. Parcel Taxes revenue estimate was increased by \$20,000. Franchise Fee Edison and Franchise Fee Gas revenue reduced by \$10,000 and \$25,000, respectively. Other minor revenue adjustments were made. City staff eliminated disaster relief stand-by agreements in the amount of \$500,000. These agreements are used only during an emergency, and if needed will come from GF reserves as done in the past. Other expense reductions for FY 2016/17 were: decrease transfer to Community Development (\$84,661), decrease

transfer to Parks Maintenance Fund due to minor capital items (\$49,015), net increase in insurance premiums (\$62,797); and other minor cost reductions.

The GF budget for FY 2016/17, as presented, is not balanced. The current projected deficit is \$333,210. Revenues are estimated at \$18,040,216, an increase of \$200,653 (1.1%) from the revised estimate for FY 2015/16. Expenditures are estimated at \$15,430,730, an increase of \$797,834 (5.5%) from the prior year revised estimate. The majority of the increase is due to the increase in the Sheriff contract with the County. Transfers In are estimated at zero while Transfers Out are estimated at about \$2,942,696.

There are a few continuing concerns. First, the increase in Transfers Out to various other funds: The Gas Tax Fund cannot support the Landscaping and Lighting Maintenance Assessment Districts (LLMAD) deficits. The GF is the sole supporter of the deficits in the LLMAD. The Community Development Fund and Parks Maintenance Fund each require GF transfers in the amount of \$748,828 and \$1,742,926, respectively. Secondly, the Police Services Contract has increased at a faster pace than any other service in the GF and at a faster pace than our GF revenue growth. Ventura County Employees Retirement Association (VCERA) experienced large investment losses in 2008 and 2009. The retirement rate for the Sheriff's department is about 54% of payroll.

The RDA was dissolved by order of the State on February 1, 2012. The City is the Successor Agency and is governed by a seven member "Oversight Board" (OB) while ultimate "veto" power is vested with the State Department of Finance (DOF) and the State Controller. As a reminder, the former Redevelopment Agency used to receive approximately \$6.8 million annually in property tax increment. The majority of this money was committed before paying for staffing and operating costs. Beginning February 1, 2012 the order of payments is controlled by the County of Ventura Auditor-Controller (County Auditor) and mandated by Assembly Bill (AB) x1 26 as follows: County administrative charges (\$110,000); pass-through payments to other taxing agencies (\$3.8 million); bond payments (\$1.7 million); recognized obligations (\$50,000); administrative cost allowance to the Successor Agency (\$250,000); and the remaining balance distributed to the other taxing agencies.

The City's GF has picked up the majority of the expenses of the former Redevelopment Agency, including staffing. While the GF is expected to receive the \$250,000 administrative cost allowance in FY 2016/17, it is not enough to cover these expenses. On July 1, 2018, the local OB will be replaced with a county-wide OB. Staff anticipates not receiving the entire \$250,000 when the county-wide OB takes over.

In summary, the City has many challenges to overcome in the near future. The economic downturn has caused us to reduce staff but without a noticeable reduction of services to the public. We have weathered an unprecedented taking of local resources (RDA tax increment and City property taxes) by the State. The City's infrastructure needs (streets, parks, playground equipment, etc.) exceed the City's available annual

revenue sources (Gas Taxes, Park Maintenance Assessment, and GF). The trend-line for GF revenues is flat while the expenditures trend is increasing (police services contract, retirement costs, medical insurance costs, subsidizing parks maintenance and LLMAD, etc.).

BUDGET MESSAGE

As previously stated, the FY 2016/17 General Fund budget as presented is not balanced. The shortfall is \$333,210.

GENERAL FUND				
	2015/16 Revised Estimate	2016/17 Proposed Budget	Variance Positive/ (Negative)	Percent
Revenues	17,839,563	18,040,216	200,653	1.1 %
Expenses	14,632,896	15,430,730	(797,834)	(5.5 %)
Operating Surplus/(Deficit)	3,206,667	2,609,486	(597,181)	(18.6 %)
Transfers IN	0	0	0	n/a
Transfers OUT	(2,779,367)	(2,942,696)	(163,329)	(5.9 %)
Surplus/(Deficit)	427,300	(333,210)	(760,510)	(178.0 %)

The table above shows the difference between the FY 2015/16 revised estimate and the proposed FY 2016/17 budget. Revenues have increased by \$200,653 or 1.1%. Expenses have increased by \$797,834. Transfers Out have increased by \$163,329.

GENERAL FUND				
	2015/16 Original Budget	2016/17 Proposed Budget	Variance Positive/ (Negative)	Percent
Revenues	17,329,940	18,040,216	710,276	4.1 %
Expenses	14,854,459	15,430,730	(576,271)	(3.9 %)
Operating Surplus/(Deficit)	2,475,481	2,609,486	134,005	5.4 %
Transfers IN	0	0	0	n/a
Transfers OUT	(2,769,195)	(2,942,696)	(173,501)	(6.3 %)
Surplus/(Deficit)	(293,714)	(333,210)	(39,496)	13.4 %

However, when you compare FY 2015/16 adopted budget to the proposed FY 2016/17 budget, you see that budgetary revenues have increased by \$710,276 or 4.1%. (Property Taxes are up \$200,000, Parcel Taxes up \$65,000, Property Taxes-VLF up \$175,000, Other Property Taxes up \$100,000, Sales Taxes up \$150,000 and other

revenue increases). Expenses have increased by \$576,271. Transfers In remain at zero. Transfers Out have increased by \$173,501 or 6.3%.

GENERAL FUND

TRANSFERS OUT:	2012-13 Actuals	2013-14 Actuals	2014-15 Actuals	2015-16 Estimate	2016-17 Budget	2015-16 to 2016-17 increase/ (decrease)
Community Develop.	\$ 874,984	\$ 427,478	\$ 777,837	\$ 634,211	\$ 748,828	\$ 114,617
Parks Maintenance	1,165,975	1,188,779	1,360,393	1,731,296	1,742,926	11,630
LLMAD	358,508	431,801	79,361	199,230	357,468	158,238
Engineering	54,918	0	171,760	214,630	93,474	(121,156)
Gas Tax	0	0	0	0	0	0
	<u>\$ 2,454,385</u>	<u>\$ 2,048,058</u>	<u>\$ 2,389,351</u>	<u>\$ 2,779,367</u>	<u>\$ 2,942,696</u>	<u>\$ 163,329</u>

The GF has large Transfers Out each year. The table above details the Transfers Out for the last three complete fiscal years, current year estimate and next year budget. As you can see, Transfers Out increased by \$163,329 to \$2,942,696 in FY 2016/17 for the following funds: Community Development, Parks Maintenance, LLMAD and Engineering. The GF continues to increase its support of other funds in the City. The Parks Maintenance Fund requires GF support of \$1,742,926. The Community Development Fund requires GF support of \$748,828. The projected LLMAD deficits for FY 2015/16, which are funded in FY 2016/17, will require support from the GF of \$357,468. Gas Tax and Transportation Development Act (TDA) Article 8 funding and reserves are decreasing, but do not need GF support in FY 2016/17. Gas Tax may need to have a reduced cost plan allocation (see discussion below). We have delayed certain TDA/Gas Tax funded capital projects because the Gas Tax revenue received is just enough to pay for salaries and benefits of city staff along with the operating costs in transit and streets. The net Transfer Out from the GF is \$1,713,296 (\$2,942,696 transfers out less cost plan allocation revenue from those funds equals \$1,229,400).

REVENUES

Transit, Streets and Roads

State Transportation Development Act (TDA Fund 2603 & 5000) – This revenue represents the quarter cent statewide sales tax funds principally used for transit requirements within the County. The Ventura County Transportation Commission (VCTC) is responsible for apportionment of the funds to cities based on estimated sales tax revenue and population. Generally, once the allocation of funds to the cities is approved the amounts do not change. Due to the improvement in the economy, the actual sales tax revenue is slightly more than estimated for FY 2015/16. In FY 2016/17 receipts are expected to decline slightly. Senate Bill (SB) 203, signed into law on October 1, 2013, allows cities of 100,000 people or fewer in Ventura County to spend

state Transportation Development Act funds on local roads, provided they meet their public transit needs.

Highway Users Tax Section 2103 (HUT 2103) - The City is supposed to receive the same allocation from this new revenue source as the old Proposition 42: State Sales Tax on Gasoline Local Streets and Roads (Prop 42) revenue. Therefore, the City created a new fund in FY 2010/11 for this HUT 2103 (Fund 2606). This money could minimally fund the City's street improvement program (slurry seal and overlays). HUT 2103 along with TDA funds are the only money currently available for street improvements. In FY 2014/15 the City consolidated this fund with the Gas Tax Fund (2605).

The dramatic decline in revenues is due to the price of gasoline decreasing and the "true-up" process the Board of Equalization performs each February. The result of all of this is a dramatic downturn in estimated Section 2103 allocations to cities and counties, state-wide, from \$693 million in FY 2014-15 to \$301 million in FY 2015-16 to \$152 million in FY 2016-17.

The following table depicts the volatility in Prop 42 and HUT 2103 revenue for the City of Moorpark. FY2016/17 estimate is \$84,000, which is about one-half of last year and less than one-quarter of FY 2014/15.

Fiscal Year	Receipted	Amount	Percent
PROP 42			
2004-05	\$ 0		
2005-06	160,091	\$ 160,091	n/a
2006-07	257,004	96,913	60.5 %
2007-08	0	(257,004)	(100.0 %)
2008-09	312,039	312,039	n/a
2009-10	336,599	24,560	7.9 %
HUT 2103			
2010-11	355,764	19,165	5.7 %
2011-12	505,292	149,528	42.0 %
2012-13	295,207	(210,085)	(41.6 %)
2013-14	518,769	223,562	75.7 %
2014-15	384,764	(134,005)	(25.8 %)
2015-16 est.	167,000	(217,764)	(56.6 %)
2016-17 est.	84,000	(83,000)	(49.7 %)

Operating expenses for streets requires all of the Gas Tax revenues plus about \$150,000 of the TDA streets funds. Taking into account available funds balances and proposed FY 2016/17 expenses for HUT 2103 and TDA streets there is only about \$592,000 fund balance available for future street projects as of June 30, 2017.

STATE OF CALIFORNIA TAKINGS and VOTER IMPACTS

HISTORY: State of California taking “General” Property Taxes – During FY 1993/94 the State made a permanent shift in property taxes from the City to the Educational Revenue Augmentation Fund (ERAF). The estimated annual takeaway for FY 2016/17 is in excess of \$500,000 for the GF. In addition, since FY 1989/90, the City pays PTAF to the County. The PTAF amount is \$85,000 for FY 2015/16. These takeaways occur each and every year.

At the beginning of May 2009, the Governor’s office reported that an option to solve the State’s budget crisis is to “borrow” 8% of property taxes from local government. This is allowed under Proposition 1A, passed by the voters in November 2004. The 8% is the maximum allowed under the law. The State is required to pay back the money in three years, plus interest. The calculation for the City of Moorpark was \$628,112. The State legislature authorized the securitization of this receivable and the City sold this receivable to the bond market for the exact amount of \$628,112. All costs were paid for by the State. The State is prohibited from “borrowing” until this amount is paid off. The State is restricted to “borrowing” two times in a ten-year period. Therefore, the State cannot “borrow” until this current debt is paid off; which occurred in July 2013. The State currently is experiencing surpluses so it appears the State will not “borrow” local government monies in FY 2016/17.

Redevelopment Agency Dissolved ~ Successor Agency Created On June 29, 2011, as part of adopting the State FY 2011/12 budget; the Governor signed two trailer bills, ABx1 26 (“Dissolution Act”) and ABx1 27 (“Voluntary Alternative Redevelopment Program”), into law. The legislation became effective on June 29, 2011. The California Redevelopment Association (CRA) and League of California Cities (LCC) sued the State on the grounds that ABx1 26 and ABx1 27 were unconstitutional. The California Supreme Court upheld ABx1 26 and declared ABx1 27 unconstitutional. This ruling eliminated redevelopment agencies throughout California as of February 1, 2012.

ABx1 26 provides funding for administrative expenses associated with winding down the redevelopment agency. However, no funds are available to continue with economic development and affordable housing operations previously funded by redevelopment property tax increment.

The Successor Agency receives cash from the County Auditor in January and June each year. The cash received is based on the Recognized Obligation Payment Schedule (ROPS) approved by the OB and DOF. For FY 2016/17, this amount is estimated at \$2.1 million. \$1.7 million is the annual debt service of the redevelopment bonds. The City’s GF receives \$250,000 in administrative cost allowance with the remainder being enforceable obligations.

Other Takings and Impacts – In addition to the combined annual shift of ERAF and PTAF of about \$585,000 and dissolution of redevelopment, the State owes the City over

\$800,000 going back to FY 2001/02 for reimbursement of SB 90 State Mandated Costs. This is an annual average of about \$67,000. The State also charges the City about \$39,000 annually to process and remit the City's portion of the sales tax. The fiscal study prepared prior to the City's incorporation vote recognized the City was zoned predominantly residential and would have relatively low sales tax revenue. The property tax share was calculated based on basic service levels and amount of other available revenues such as State Vehicle License Fees and existing assessment districts for citywide street lighting and landscaping in new developments. The amount of the property tax share at incorporation was about 7.8 percent (7.8%) of the one percent (1%) Proposition 13 limit. The City of Moorpark is considered a low property tax city. The fiscal study did not sufficiently address parks maintenance and improvements, or the City's property tax share would have been higher. The County had placed one public park in an assessment district paid only by the residents of one tract and had plans to do the same with three additional parks. In November 1984, the voters of Moorpark approved an Advisory Measure supporting formation of a Parks Maintenance Assessment District. In June 1985, the City Council formed the District and began park assessments in FY 1985/86. The City relied on park assessments to fund most of the park maintenance until 1997. It also relied on assessment districts to fund street lighting and landscaping costs for medians and parkways.

In November 1996, voters statewide approved Proposition 218. This measure restricted use of assessment districts and required determination of special versus general benefit for assessments. Only the "Special Benefit" portion may be assessed. As a result, the street lighting and landscaping assessments in place in 1996 have been kept at the same amount. A new Parks and Recreation Maintenance and Improvement Assessment District (Parks District) was established in July 1999. For the Parks District, the special benefit portion was determined to be 75 percent (75%) which could be assessed. As addressed elsewhere in this report, only about 18 percent (18%) of the parks maintenance operating budget (24% of the allowed 75% of the special benefit portion) is assessed. As proposed in the budget, \$1,739,047 would come from the GF. If the full 75 percent (75%) portion was assessed, the current \$58.54 single-family benefit assessment amount would be about \$182.94. If the City assessed the full 75 percent (75%) special benefit portion, only \$814,000 would be required from the GF. The citywide street lighting and various landscape districts will require about \$357,000 from the GF in FY 2016/17.

EXPENSES

California Joint Powers Insurance Authority (CJPIA)

A few years ago the CJPIA approved a new methodology for calculating insurance premiums for their member agencies. CJPIA is recognizing outstanding deposits due from, and refunds due to, their member agencies. The City paid a deposit due of \$473,291 to CJPIA for the General Liability in August 2010. The current balances show a deposit due of \$21,910 for General Liability and a deposit due of \$1,827 for Workers Compensation.

The annual premium amounts the City shall pay CJPIA for FY 2016/17 are:

- **General Liability \$330,149** Increase of \$62,797 from last year.
- **Workers Compensation \$160,770** Decrease of \$10,234 from last year.

This represents a net increase of \$52,563, of which about \$41,000 is GF.

General Fund OVERVIEW

The GF has a history of taking in more money (revenues) than it spends (expenses). These surpluses have enabled the City to pay down liabilities while saving for future capital projects (i.e. City Hall, Library). The chart below reflects a recent history of the GF. The lone year of deficit occurred in FY 2010/11 in the amount of \$361,000. Recall that the City paid down on various liabilities and spent money on one-time projects that year in the amount of \$2.6 million. If the City had not taken these actions there would have been a surplus in the amount of \$1.2 million.

The draft FY 2016/17 Budget is presented with a \$333,210 GF deficit which is after GF transfers out to other funds of \$2,942,696, plus Cost Allocation Plan revenue of \$1,945,830. Overall, the GF FY 2016/17 revenue, excluding Cost Allocation Plan and Transfers, increased by \$889,000 or 5.8% from the original budget estimate FY 2015/16 with the majority being property taxes (\$540,000) and sales taxes (\$150,000).

The General Fund Revenue Picture for the Coming Year

Property Taxes

Property Tax revenues are derived from the assessed value of each property. The chart below depicts the assessed value for the City of Moorpark for the last few years. The City's assessed valuation (AV) for property taxes peaked in FY 2008/09 at \$3,985,918,300. AV declined by \$253 million to \$3,732,564,218 in FY 2012/13. This is a decline of 6.4% over four years, or roughly 1.6% per year. This equates to a decline in property tax revenues of approximately \$230,000 annually. This last year, FY 2015-16, the AV increased by \$231 million to \$4,333,687,921. We have surpassed the AV for FY 2008/09 by \$348 million or 8.7%. Based on the current assessed value, the 2% annual growth (Proposition 13 limit) is about \$79,000 to the City GF revenue.

In order to generate an additional \$1 million in property tax revenue the assessed value would have to increase approximately \$1.1 billion. For example: 2,000 new homes constructed with an initial AV of \$550,000 each. A new commercial or multi-family development, valued at \$40 million, would generate an additional \$36,000 in property tax revenue for the City.

The pie chart below depicts which government agency receives the property tax dollar. The City currently receives **9.1 cents** for each property tax dollar. The vast majority of these tax dollars are received by the county, county fire district and the school district.

Sales Tax

The Sales Tax revenue is a vital source of funding for the GF; however it is a volatile source, fluctuating with the economy. Sales tax charged on internet sites is currently being receipted through the County Pool. Because of the County Pool allocation the City will not see a sizable increase in sales tax revenue from internet sales. The chart below shows the past years of actual sales tax revenues along with the triple flip.

“Triple Flip” - The “triple flip” suspends one-quarter percent of the Bradley-Burns sales and use tax for cities and counties; replaces the lost revenues on a dollar-for-dollar basis with funds set aside from the countywide property tax revenues, primarily ERAF; and increases the State’s sales and use tax by one-quarter percent with the State increase dedicated to repayment of the 2004 deficit reduction bonds. This revenue is difficult to forecast since the State is in control of the estimate and the “true-up” payments. In addition, the State is paying off the deficit bonds early; therefore, the Triple Flip is set to expire at the end of FY 2015/16. During FY 2014/15 the State sent \$1,357,302 to the City; an obvious overpayment. The State has sent zero dollars during FY 2015/16 because of the overpayment the prior year. The City recognized this situation and recorded \$896,527 in FY 2014/15 and set-aside the remaining \$460,000 as deferred revenue. The Triple Flip is being closed out this fiscal year. Therefore, by June 30, the State will have reconciled the amounts and sent us a final check for the triple flip. Staff will inform the City Council when the final reconciliation is sent to the City. Staff is estimating this amount to be about \$260,000; which when added to the \$460,000 set-aside equals \$720,000 for the triple flip in FY 2015/16.

A history of the revenue received for the “Triple Flip”:

Fiscal Year	Receipted	Increase / (Decrease)	
		Amount	Percent
2004-05	\$ 537,484		
2005-06	608,298	\$ 70,814	13.2 %
2006-07	704,562	96,264	15.8 %
2007-08	779,262	74,700	10.6 %
2008-09	849,226	69,964	9.0 %
2009-10	588,636	(260,590)	(30.7 %)
2010-11	940,790	352,154	59.8 %
2011-12	857,216	(83,574)	(8.9 %)
2012-13	875,160	17,944	2.1 %
2013-14	968,864	93,704	10.7 %
2014-15	896,527	(72,337)	(7.5 %)
2015-16 est.	460,000	(436,527)	(48.7 %)

Sales tax revenues are anticipated to increase to \$3,800,000 in FY 2016/17.

SALES TAX Y.O.Y. CHANGE

Property Tax ~ Vehicle License Fee (VLF)

The third major source of revenue in the GF is *Property Taxes-Vehicle License Fees (VLF)*, estimated to be \$3.35 million next year, which is \$108,000 more than FY 2015/16. This property tax revenue in lieu of VLF corresponds to the annual trend of each city's and county's AV of taxable property (calculations will be made and paid by County Auditor, instead of the State).

Investment Earnings

Investment earnings for the GF have seen a dramatic decrease since FY 2009/10. The Federal Reserve has held the Fed Funds Rate at 0%-0.25% from December 16, 2008 to December 2015. The current rate is 0.25% to 0.50%. Consequently, the City's investment portfolio has continued to yield less. The current yield is about 1.5%. If the yield were "normal", say 4%, the GF investment earnings would be about \$1.2 million annually (\$30 million invested at 4%). The table below shows the last eleven years of investment earnings.

Fiscal Year	Receipted	Increase / (Decrease)	
		Amount	Percent
2005-06	574,352		
2006-07	1,138,952	564,600	98.3 %
2007-08	784,124	(354,828)	(31.2 %)
2008-09	719,611	(64,513)	(8.2 %)
2009-10	304,989	(414,622)	(57.6 %)
2010-11	299,920	(5,069)	(1.7 %)
2011-12	381,145	81,225	27.1 %
2012-13	80,574 *	(300,571)	(78.9 %)
2013-14	338,740	258,166	320.4 %
2014-15	252,423	(86,317)	(25.5 %)
2015-16	450,000	197,577	78.3 %
2016-17 est.	450,000	0	0.0 %

* Audit adjustments from the prior year were posted in FY 2012-13.

Revenues versus Expenditures

The chart below relates the major revenue sources of the GF to the major expenditures in the GF. It requires all of the property taxes plus 90% of the Sales Tax (including Triple Flip amount) to fund the Public Safety department. The Parks, Recreation and Community Services (PRCS) Department requires 10% of Sales Tax, 100% of the Property Tax VLF and about 50% of the Cost Plan. The chart is also broken down by percentages. The Public Safety department consumes roughly 40% of the GF budget and PRCS approximately 30%.

The survey below shows how the City fared compared to other municipal agencies on selected major revenue sources:

CITY of MOORPARK

Total	\$ 477	\$ 537	\$ 286	\$ 446	\$ 237	\$ 423	\$ 457	\$ 525

The City of Moorpark continues to be a relatively low property and sales tax city. As referenced above, the City's per capita sales tax is only about 70% of the county and statewide average and the City is also on the lower end of total GF Revenue per capita. In addition to relatively low sales and property taxes, the City has no revenue from Utility Users Tax (UUT), Transient Occupancy Tax (TOT) and Business License Tax. The current Business Registration Program generates about \$125,000 per year and is cost neutral to the GF.

About 16% of the City's approximate GF revenue of \$18.1 million includes:

- \$1,945,830 Cost Allocation Plan from various other City funds (shown by fund on page XXII)
- \$250,000 from Successor Agency for administrative costs
- \$450,000 in interest income; revenue

Transfers Out

Partially as a result of the Cost Allocation Plan, the GF is proposed to transfer out \$2,942,696 to certain restricted funds in FY 2016/17 to maintain current level of service, as compared to FY 2015/16 in which \$2,779,367 is projected to be transferred.

GENERAL FUND TRANSFERS OUT

	Estimate	Budget
<u>F U N D</u>	<u>2015/16</u>	<u>2016/17</u>
Park Maintenance	\$ 1,731,296	\$ 1,742,926
Community Development	634,211	748,828
Engineering/Public Works	214,630	93,474
City wide Assessment District Landscaping and Lighting	150,527	214,161
Assessment District Zone 1	6,799	9,169
Assessment District Zone 5	27,607	48,643
Assessment District Zone 6	459	23,430
Assessment District Zone 7	636	14,751
Assessment District Zone 8	9,254	40,446
Assessment District Zone 9	2,690	3,533
Assessment District Zone 14	1,258	3,335
Total	<u>\$ 2,779,367</u>	<u>\$ 2,942,696</u>

The total projected FY 2016/17 transfers of \$2,942,696 is up from FY 2015/16. This \$2,942,696 GF Transfer Out, less the cost allocation plan revenue of \$1,945,830, leaves a “net Transfer Out” of \$996,866. The primary goal of these transfers from the GF is to eliminate the negative fund balances in the other funds. The GF will only transfer the amount of money it will require to bring the fund balances in these other funds up to zero.

Franchise Fees

The City receives franchise fees from various companies. Revenues from these fees are normally very stable from year to year as shown in the table. The growth in these fees is generally a result of new development. These revenues have remained constant for the last number of years. The California Public Utilities Commission (PUC) is requiring Southern California Edison and Southern California Gas to modify their franchise fee calculations. While we have rough estimates as to the change, it will be a loss of revenue for the General Fund beginning in FY 2016/17.

Franchise	FY 2012/13 Actual	FY 2013/14 Actual	FY 2014/15 Actual	FY 2015/16 Estimate	FY 2016/17 Budget
Cable TV	\$ 427,467	\$ 401,384	\$ 435,493	\$ 450,000	\$ 450,000
Edison	281,518	297,329	313,086	310,000	290,000
Natural Gas	79,099	90,869	96,257	80,000	65,000
Oil	5,388	4,131	4,197	3,000	3,000
PEG Fees	49,149	48,681	54,827	55,000	55,000
Comm Services /Impact Fee					155,000
GI - Rubbish	195,381	196,707	194,968	200,000	200,000
Moorpark Rubbish	120,204	124,245	128,260	125,000	125,000
Landfill Local Impact Fee	55,801	50,779	48,261	55,000	55,000
CIWMP Fees	8,949	8,634	8,919	10,000	10,000
TOTAL	\$ 1,222,956	\$ 1,222,759	\$ 1,284,268	\$ 1,288,000	\$ 1,408,000

Community Development Fund

The current economic climate has greatly affected new development. As you are aware, the City's Community Development Department has historically been predominantly funded by development-related revenues. The decline of such revenue was experienced during the “Great Recession” of 2007-2009. Billable hours for FY 2016/17 are estimated at 800 hours. As a result, the Community Development Fund

has required transfers from the GF to support its normal operations. Next year's transfer from the GF is estimated at \$750,235.

COMMUNITY DEVELOPMENT FUND 2200

End Fund Balance	\$ 17	\$ 0	\$ 0	\$ 0	\$ 0	\$ 0

General Fund Reserves

The GF is currently projected to have a surplus of \$427,300 for FY 2015/16 (net after accounting for GF reserves appropriated and spent during FY 2015/16 is \$1,475,000). This is primarily from revenues exceeding original budget estimates. The surplus can be used to help balance the FY 2016/17 GF budget.

HISTORY OF MOORPARK'S GENERAL FUND BALANCE AND RESERVES Fiscal Years 1994/95 thru 2014/15 (Based on audited numbers)

There is a need to set money aside for future capital projects including city hall, library expansion, streets, parks, and building maintenance and upgrades. The City's GF reserves have remained relatively constant these past six years. City staff is preparing a report for the City Council that provides an overview of the GF reserve and the uses of the reserves for the past few years.

CalPERS announced rate increases. The rates are anticipated to increase by an average of 1% of payroll (\$50,000) annually beginning in FY 2016/17 for a period of five years to FY 2020/21. The actual rate increase for FY 2016/17 is 0.374%, which is less than the CalPERS estimate of 1%. The rates will continue to rise at that 1% estimate because CalPERS has not met their investment goal for the past two years. This is less than we would have paid if the City did not pay off the unfunded liability. This will be the new normal City contribution, approximately 13% of payroll.

CalPERS consolidated all of their risk pools into two new pools (one for safety and one for miscellaneous). CalPERS changed the City contribution for the unfunded liability from a percentage of payroll to a specific dollar amount. This change allowed the City to pay down the unfunded liability by \$3.6 million in January 2015.

Cost Increases Anticipated for FY 2016/17

Staffing Expenses

No cost of living adjustment is included in the personnel costs. Additionally, the twenty (20) hour annual leave cash-out for city staff is included for FY 2015/16 but is not included in the FY 2016/17 budget. The level of employee benefits is proposed to remain the same. During FY 2015/16, the following actions occurred. The Senior Management Analyst position in Public Works was eliminated. The Community Development department upgraded a part-time planning intern to a full-time Planning Technician position. The Planning Manager was promoted to Economic Development and Planning Manager. The Economic Development and Housing Manager was downgraded to Management Analyst and moved to PRCS. The Senior Management Analyst in PRCS was promoted to Program Manager.

The general liability insurance budget is \$330,149; an increase of \$62,797 (GF increase of \$47,000). The worker's compensation insurance premium budget is \$160,770. This is a decrease of \$10,234 (GF decrease of \$8,000). These rates vary from year to year through the pooling of losses and purchased insurance through the CJPIA. Each year the CJPIA prepares the annual invoice which is due July 1st. The invoice is comprised of two components: the annual contribution and the aggregate retrospective adjustment, which reflects the City's claims and loss experience from prior years. The workers compensation costs have risen steadily since 2009/10 when it was \$67,000.

The cost of the health plan is expected to increase 10% on January 1, 2017. The CalPERS Board is expected to disclose the rate increases for the health plans in summer. For FY 2015/16, the City's payment for employee's medical insurance is "capped" 90% of the family rate for the PERS Choice Preferred Provider Organization (PPO) Plan (currently \$1,402 per month). Therefore any increase in cost is solely from the increase in the PERS Choice PPO rate. FY 2015/16 original budget for medical premiums are about \$921,000, the revised estimate is about \$815,000, with next year's estimate at \$799,000; a decrease of \$122,000 (GF \$30,000) from the original budget FY 2015/16. The decrease in cost is due to the staff turnover with new staff enrolling in a less costly plan or staff not enrolling in medical insurance.

The FY 2016/17 City "classic" normal rate for the CalPERS retirement plan increased 0.374% of pay, from 8.003% to 8.377%. The Public Employees Pension Reform Act (PEPRA) members normal rate is increasing 0.305% from 6.25% to 6.555% while the employee contribution rate remains 6.25%. CalPERS experienced abnormally high losses in 2008 and 2009. The funded ratio of the retirement plan decreased from over 100% to the 60% range. CalPERS has announced a change in their actuarial methodologies. The new method is expected to return the fund to 100% funding in 30 years. We can anticipate a 1% of payroll (\$50,000 city-wide for all funds) annual increase in contributions beginning in FY 2016/2017 for five years. At the end of five years, the cumulative increase will be about 5% of payroll or \$250,000 (about \$167,000 GF). The City's employer normal rate will be in the range of 13% to 14% of payroll

afterwards. CalPERS will release the official rates in November 2016 for FY 2017/18. The City paid off the unfunded liability to CalPERS in January 2015 by making an extra \$3.6 million contribution to the pension fund. The annual savings start out at \$152,000 for FY 2015/16 and increase annually to \$362,000 in FY 2020-21. Over the next six years the City saves \$1,682,049. The General Fund savings is about \$1,262,000 and all the other funds is about \$420,000. The GASB 68 report for June 30, 2014 (current report) reflects the \$3.6 million contribution and states the City's total unfunded liability at about \$400,000. The annual cost for the GASB 68 report is \$1,300. This is a new cost, beginning in FY 2015/16.

Personnel Changes since July 1, 2008

• Senior Management Analyst (RDA)	left vacant
• Deputy City Manager (Community Development)	left vacant
• Secretary I (Finance & MRA)	left vacant
• Assistant City Engineer	left vacant
• Parks/Landscape Manager	left vacant
• Management Analyst (Community Development)	left vacant
• Accountant/Senior Account Technician (Finance) *	left vacant
• Deputy City Manager (Administrative Services)	left vacant
• Principal Planner (2 full-time equivalent (FTEs)	left vacant
• Senior Management Analyst (Community Development)	left vacant

* Accountant vacant since 2012 now filled but Senior Account Technician position now left vacant

The estimated savings from these personnel actions is approximately \$1,730,000 annually; with the GF portion being \$1,470,000 (includes Community Development, Engineering, Parks Maintenance and LLMAD).

For the last several years, the training budget has been limited to \$200 per full-time employee, unless there is specialized training for a specific employee. Each department head determines how to allocate the departmental general training budget.

Travel and conferences have also been limited. The Planning Commission and Parks and Recreation Commission each have a budget to allow one Commissioner to attend a conference (in some years the funds were divided among the number attending). This year the draft budget only includes funding for one Commissioner from each of the two mentioned Commissions and none for the Arts Commission and Library Board.

The annual appropriation for the Council includes the equivalent of \$2,500 per member. This amount has been the same for at least the last seven years. Travel and conferences for staff typically are for middle and upper management. With few exceptions, only one staff member from a department attends the same specific conference, such as the Planning Institute or California Parks and Recreation Society (CPRS). We also take into account the location. Usually we wait for alternating years when a conference is in a Southern California location to reduce costs.

The Public Safety Department training budget reflects the ongoing need for specialized training and more frequent turnover than the City's general employees.

Cost Allocation Plan

During FY 2003/04 the City implemented a comprehensive cost allocation plan in compliance with federal regulations. This plan allocates certain GF "overhead" costs to other funds. As a result of this, in FY 2016/17, the GF will receive \$1,945,830 from other funds as payment for services provided by the GF departments.

COST ALLOCATION PLAN SUMMARY

<u>FUND</u>	<u>2013/14</u>	<u>2014/15</u>	<u>2015/16</u>	<u>2016/17</u>
Library	\$ 166,800	\$ 125,710	\$ 142,990	\$ 133,480
Community Development	380,300	413,150	394,190	387,590
LLMAD	314,000	342,460	365,173	318,800
Park Maintenance Fund	383,100	432,310	480,260	454,330
Local Transit	191,800	167,300	209,720	196,530
Engineering	93,400	71,460	73,350	68,680
Solid Waste AB 939	81,600	75,110	78,210	76,920
Gas Tax Fund	327,300	333,290	366,320	309,500
TOTAL	<u>\$ 1,938,300</u>	<u>\$ 1,960,790</u>	<u>\$ 2,110,213</u>	<u>\$ 1,945,830</u>

This is a decrease of \$164,383 or 7.8% over the allocation for FY 2015/16. The loss of redevelopment in FY 2011/12 is felt acutely here in the Cost Allocation Plan with the reduction of \$306,500 in revenue.

The total proposed expenditure budget for FY 2016/17 is summarized below.

Expenditure Category	City of Moorpark General Fund	City of Moorpark All Other Funds	Successor Agency	TOTAL All Funds
Personnel	4,444,695	3,063,838	0	7,508,533
Operations	10,185,168	7,809,129	276,000	18,270,297
Sub-Total	\$ 14,629,863	\$ 10,872,967	\$ 276,000	\$ 25,778,830
Capital Outlay / Improvement	702,995	22,545,913	0	23,248,908
Debt Service	0	24,500	1,699,978	1,724,478
Transfers to Other Funds	2,966,995	1,945,830	1,985,978	6,898,803
TOTAL	\$ 18,299,853	\$ 35,389,210	\$ 3,961,956	\$ 57,651,019

Please note the proposed GF capital budget (\$712,995) is 3.9% of the total GF budget (\$18,299,853).

City Council

Moorpark's FY 2016/17 membership costs for the following organizations are: LCC \$13,700; Local Agency Formation Commission (LAFCO) \$5,405; Ventura Council of Governments (VCOG) membership \$3,509; Southern California Association of Governments (SCAG) \$3,700. There is \$1,000 allocated in FY 2016/17 for the film liaison.

City Manager

During FY 2014/15 the Assistant City Manager retired and the Deputy City Manager was promoted to Assistant City Manager. The Deputy City Manager position shall remain vacant. During FY 2014/15 the Successor Agency function was transferred to the Community Development department. For FY 2016/17, the functions of the Successor Agency are shared between Finance and PRCS. Otherwise, there are no substantive changes in the City Manager department from the prior year.

City Attorney

Staff projects that litigation and other legal costs from the GF to be at a similar level in the coming year. Whenever appropriate, the cost of legal services is charged to development projects and specific departments. As in the past, funding for litigation above a cumulative \$25,000 is appropriated by the Council separately as the need arises. Legal costs have increased in the last few years. The City usually uses GF reserves to pay for these costs.

Administrative Services

Emergency Management

The budget reflects the City's commitment to emergency preparedness and disaster response with funds budgeted for equipment, training and community outreach. The budget includes staff training for Standardized Emergency Management System (SEMS)/National Incident Management System (NIMS), Cardiopulmonary Resuscitation (CPR) and first aid. Functional Plan Updates are scheduled to be completed this year. The City will receive a grant in the amount of \$15,000, which shall be used to offset salary expense in FY 2016/17.

City Clerk

The City Clerk's division has two noteworthy budget items:

- \$15,000 for records management
- \$21,000 for the municipal election in November 2016, includes cost of the SOAR measure

Information Systems/Cable TV

- \$25,000 for ARC/GIS server software
- \$20,000 for audio/video production upgrades
- \$10,000 for Video system optimization
- \$15,000 for LAN switch
- \$10,000 for backup NAS

Solid Waste/AB 939

The City has extended the term of the current franchise agreements for residential and commercial solid waste services through June 30, 2016.

Library

The Library function is transferred to the PRCS department.

Finance

Finance staff shall be converting the current financial system (SunGard Pentamotion) to Tyler Technologies Incode. The City Council approved the project in May 2015. It is expected to go-live in November – December 2016. The project cost is \$350,000.

The part-time position of Clerical Aide II has reduced hours in order to upgrade the Senior Account Technician position to an Accountant I position during FY 2015/16.

Successor Agency to the Redevelopment Agency of the City of Moorpark

ABx1 26 abolished the Redevelopment Agency of the City of Moorpark (MRA) as of February 1, 2012. The City created new funds to account for the “winding down” of the former MRA. These funds account for the new activities of the “Successor Agency”. The employees that were paid from redevelopment property tax increment have had their funding changed to several funds; including GF and the City Housing Fund.

In November 2014, the Successor Agency refunded the 1999 and 2001 Tax Allocation Bonds with the 2014 Tax Allocation Refunding Bonds to provide an estimated annual savings of \$190,000. The principal and interest payments are approximately \$1.7 million on these two bond issues:

Bond Issue	Principal	Interest	TOTAL
2006 Tax Allocation Bonds	\$ 45,000	\$ 498,648	\$ 543,648
2014 Tax Allocation Refunding Bonds	730,000	426,330	1,156,330
TOTAL	\$ 775,000	\$ 924,978	<u><u>\$ 1,699,978</u></u>

The Successor Agency is currently in the process of refunding the 2006 Tax Allocation Bonds, anticipated sale date is July 6, 2016. The estimated annual debt service savings is \$90,000.

The DOF approved the Property Management Plan of the Successor Agency and all the costs plus management of these properties are the responsibility of the City. Staff is currently in the process of transferring the title deeds from the Successor Agency to the City.

The DOF has dramatically reduced the enforceable obligations of the Successor Agency. The remaining obligations deal with the administration of the bonds and the Administrative Cost Allowance to the City. The Successor Agency is not responsible for making pass through payments. That responsibility has been transferred to the County Auditor-Controller by ABx1 26.

Community Development

The Housing function along with Animal/Vector Control have been moved from Community Development to PRCS.

A small percentage of the building permit fee is allocated to the Community Development Advance Planning Account (2200-3826) to partially support City efforts to update the City's General Plan. Approximately \$43,000 is estimated to be collected during FY 2016/17 and this will offset the estimated \$75,000 needed to update the Land

Use and Circulation Update with Environmental Impact Report (EIR) Preparation in FY 2016/17. This revenue is accounted for as part of the Community Development Fund.

Development and impact fees are estimated at \$5,965,000 for FY 2016/17.

Staff estimates about 800 billable hours for FY 2016/17.

As the City approaches build-out, fewer large-scale commercial, industrial, and residential projects will be proposed.

The minimum baseline staffing of the Planning function would include the Director, two (2) Planning Professionals, Code Compliance Technician and Administrative Assistant II; projected cost is approximately \$705,000. Related operation and maintenance costs without a Cost Allocation plan contribution are projected at \$173,000. One Planning Technician has been added, with an annual cost of \$76,000. This reduced the contract planning services by \$80,000.

Parks, Recreation and Community Services (PRCS)

Affordable Housing

The Low and Moderate Income Housing Fund was abolished as of February 1, 2012 due to ABx1 26. The City no longer receives 20% “set-aside” from the property tax increment generated by the redevelopment project area. The State has abolished the primary source of funding for low and moderate income housing within the City. The property and other encumbered assets of the former Low and Moderate Income Housing Fund were taken over by the City as the Successor Housing Agency. The DOF approved these Housing Asset Transfers.

The City established its’ own City Housing Fund many years ago. The fund is used mainly to develop and retain affordable housing units within the City and fund the required staffing. As in the past years, we are proposing the use of City Housing funds to fund \$5,000 for 211 system, Interface Children and Family Services.

Animal & Vector Control

The net contractual costs with the County are budgeted at \$50,000 for FY 2016/17. The revenue generated by Moorpark collections will offset the contract and staff is reviewing fees and service modifications with the objective of making the program self-sufficient.

Library

The City assumed responsibility for the Moorpark Library operation on January 1, 2007. Total revenue is budgeted at approximately \$933,000 (of this amount, approximately \$875,000 has been projected from property tax) for the Library Services Fund and expenditures for the fund have been projected at \$943,000 (includes \$56,000 for City staffing charges, \$721,000 for operating costs and \$133,000 for cost plan allocation). On May 7, 2014, the City Council approved making the Young Adult Librarian a full-time position. This action reallocated funds from technology to contractual services, at no

additional cost to the City. The cost of the contract for Library services increased by \$9,454 from \$467,689 in FY 2015/16 to \$477,043 in FY 2016/17. This is a 1.5% increase for the contract. Additional increased costs for the courier service of \$1,300 per year, bringing the total to \$9,100.

Open Space Maintenance

There are 12 City-owned open space properties. This division accounts for the operational costs of 5 properties funded solely by the GF. The other 7 parcels are budgeted in LLMAD. Operational costs include weed abatement, trail maintenance, property taxes (Tierra Rejada property only, since it is outside city limits).

Park Maintenance

The total cost to maintain the City's parks is projected to be \$2,538,203 for FY 2016/17; about 4.7% greater than the FY 2015/16 adopted budget of \$2,422,272. Special assessments paid by property owners will pay an estimated \$782,000 of the operating cost, the GF to pay for \$1,739,047 and the balance is funded by Park Improvement Funds. The GF contribution stays about the same from the prior year.

The major capital improvement projects budgeted in FY 2016/17 include completing construction of AVCP Loop trail.

The Special Assessment paid by the property owners is calculated by the assessment engineer. The engineer has determined that the level of special benefit to property owners is 75%. This means that the City can only assess property owners within the district no more than 75% of the costs of maintaining, operating, and improving the park and recreation facilities within the district. When the initial assessment was set at \$39.00 for a single family equivalent (SFE) unit, the total assessment generated approximately 51.6% of the revenue required to support park maintenance and improvement operations at that time. This percentage was well below the "special" assessment cap of 75%. The City contributed funds to cover the remaining 23.4% special benefit, as well as, 25% general benefit mostly from the GF. Over the years, as park acreage and amenities expanded and maintenance and utility costs increased, out-pacing the increase in assessment revenues, the percentage of the total activities funded by non-assessment revenues has increased. For FY 2016/17, the park assessment revenue is estimated to be \$781,777, which covers about 18% of the overall cost to operate and improve City parks or 24% of the 75% special benefit.

Because of the ongoing drought in California, the City will pay a new increased surcharge of \$50,000 for the water at AVCP in FY 2015/16 and 2016/17. This is a direct result of Emergency Ordinance E enacted by Fox Canyon Ground Water Management Agency.

The following table describes the changes related to the park operating costs from FY 1999/00 to proposed FY 2016/17. In this period, the assessment revenue (AR) has increased about \$335,000 (75%) and the GF contribution grew by \$1,319,047 (314%).

PARK MAINTENANCE

	FY 1999/00	Proposed FY 2016/17	Change
No. of parks	14	* 20	6 43 %
Assessment Amount	\$ 39	\$ 59	\$ 20 51 %
SFE Benefit units	11,466	13,355	1,889 16 %
Operating Costs	\$ 867,000	\$ 2,639,301	\$ 1,772,301 204 %
Assessment Revenue	\$ 447,000	\$ 781,777	\$ 334,777 75 %
General Fund Contribution	\$ 420,000	\$ 1,739,047	\$ 1,319,047 314 %
AR as a % of Operating Costs	52 %	30 %	(22 %)
GF as a % of Operating Costs	48 %	66 %	18 %

* Includes Serenata Trail and Walnut Acres Park

Recreation/Active Adult Center

Recreation programs are similar to prior year. Operating costs for this division decreased by \$25,752 or 2%, from \$1,056,007 FY 2015/16 adopted budget to \$1,081,759 in FY 2016/17 recommended budget primarily due to shorter Camp schedule. A new program this summer is called, "Movies in the Park". Three movies are planned in different parks in the City. For the Active Adult program, total appropriation remains stable at about \$303,000. Staff is planning to implement a modest fee for programs at that Active Adult Center that require the instructor to be paid.

Arts in Public Places (formerly High Street Arts Center (HSAC))

The City's GF began funding the HSAC upon the dissolution of the RDA in FY 2011/12. The GF spent about \$76,000 in FY 2011/12 to operate HSAC. Beginning FY 2012/13 the Moorpark Foundation for the Arts began operating HSAC. From FY 2012/13 through FY 2014/15 the City contributed \$25,000 annually to the Moorpark Foundation for the Arts (MFA) for the operation of HSAC. Beginning in FY 2015-16 the GF has not contributed any ~~money to~~ money to the MFA to operate the HSAC. The elimination of that payment was done in conjunction with eliminating rent for the HSAC and 33 High Street. Rent was previously \$7,200 annually. In FY 2015/16 the City acquired 61 High Street to complement HSAC operations and MFA pays annual rent of \$36,000. The City continues to fund maintenance for the buildings. The City continues to fund Arts in Public Places. In prior years, the City has installed the sculpture at the Ruben Castro

Human Services Center and the art piece at the AVRC. In FY 2016/17, \$149,900 is programmed for Public Art at the Police Services Center

Facilities

This division is responsible for the maintenance of all properties occupied by the City and/or used for public purpose. Proposed FY 2016/17 budget is \$1,145,156.

Property Maintenance

This was a newly created division in FY 2014/15 and accounts for upkeep of all the rental and vacant properties owned by the City, Successor Agency to the Redevelopment Agency and the Successor Housing Agency. This FY 2016/17 recommended budget totals \$222,389.

Landscaping and Lighting Maintenance Assessment Districts

Citywide Lighting and Landscaping Zone and Assessment District No. 84-2 (AD84-2) Zones of Benefit 1 thru 11 were established prior to the passage of Proposition 218. The per lot assessments in these zones are set and may not be increased without seeking voters' approval. This has limited the City's ability to recover increasing lighting and landscaping costs to maintain these areas. Thus, several of these Zones continue to face deficit fund positions. Since FY 2004/05, the City used reserve funds from the Gas Tax Fund and GF to offset the deficit fund balances. The City's practice has been to fund 100% of the street lighting deficit and 50% of the landscaping deficit from the Gas Tax Fund; and 50% of the landscaping deficit from the GF. The Gas Tax fund has no reserves available to fund these expenses; therefore the GF is now the sole supporter of these deficits. The next table shows the transfers over the last five years:

Fiscal Year	Aggregate Deficit	Transfer From General Fund	Transfer From Gas Tax Fund
2300: Lighting		130,200	
2300: Landscaping		84,123

Public Works

City Engineer/Public Works (CE/PW)

The FY 2016/17 appropriations for Public Works, Street Maintenance and Engineering divisions total \$2,176,116; allocated among salaries and benefits (\$738,495), operations and maintenance costs (\$940,154) and transfers/cost allocation plan charges (\$497,468). There is \$25,000 allocated for the purchase of the Chevy Volt, currently the City leases this vehicle. The City will need to consider whether or not to purchase the Chevrolet Volt, electric car, during FY 2016/17, when the lease agreement terminates. This vehicle is used by the Community Development department primarily for code compliance purposes.

About \$1,756,000 is funded by Gas Tax revenues (\$752,000), Local Transit TDA Article 8a (\$527,000) and Engineering revenues (\$477,000). GF monies spent to support CE/PW operational activities, including National Pollutant Discharge Elimination System (NPDES) and Parking Enforcement, have increased from \$243,000 in FY 2006/07 to a projected \$473,779 in FY 2016/17.

TDA allocation from VCTC has been declining from \$1,419,000 in FY 2006/07 to \$1,217,000 in FY 2016/17. In FY 2015/16, the combined ending fund balances available for streets and roads is projected at \$1,218,000. We expect to receive another \$1,279,000 and appropriations of \$1,905,000 in FY 2016/17.

The minimum baseline staffing of the CE/PW and Streets functions would include the City Engineer, a second engineering position, Program Manager, Administrative Assistant and three (3) Maintenance positions. It is projected to cost about \$814,000.

In FY 2014/2015 Council authorized an additional Maintenance Worker I (MWI) position. Part of the justification for this action was to have this position serve as the crossing guard at Los Angeles/Moorpark Avenue. This crossing guard location was difficult to fill with part-time employees, and reliable staffing was needed to insure the safety of children crossing at this location.

During FY 2014/15, the Senior Maintenance Worker (SMW) position became vacant and was filled in-house with the promotion of one of the City's Maintenance Worker III (MWIII) positions. At the same time, the Crossing Guard Supervisor position was reclassified to Public Works Technician, and this new position became responsible for the crossing guard duties at the above-referenced location as well as graffiti abatement and parking enforcement. The MWI position backfilled the MWIII position, which was left vacant and is now not funded. Since these positions are funded from several funds including Gas Tax, TDA, Crossing Guard, and Traffic Safety Funds, each of the funds will have some savings. Effective savings is \$83,000. There is no effect on the General Fund.

NPDES

The City is a Co-Permittee under the Ventura County Municipal National Pollutant Discharge Elimination Storm Water Permit (Permit) issued by the Regional Water Quality Control Board (Regional Board). The new Permit, adopted by the Regional Board; United States Environmental Protection Agency; and the State Water Resources Control Board last August 2, 2009, increased the Co-Permittees' storm water compliance responsibilities and costs significantly in FY 2011/12. It required expanded inspection programs to include examination of nurseries, laundry facilities and industrial sites every two years; and update of the City's Storm Water ordinance. The FY 2016/17 budget is \$182,355; slightly up from the adopted budget in FY 2015/16 of \$168,927. Facilities are inspected once every two years. Inspection fees (\$8,000) are paid annually along with the facilities business registration.

Street Maintenance

In FY 2016/17, Streets combined revenue is projected at about \$1,279,000 with expenditures of about \$1,905,000. Gas Tax and HUT 2103 are derived on cents per gallon excise tax on fuel. The source of the TDA revenue is the ¼% Sales Tax collected by the State. The Gas Tax fund does not transfer money to the LLMAD.

TDA 8A funds are partially paying \$132,000 for Spring and Princeton Overlay (total project \$770,000) and Sidewalk Reconstruction (\$50,000). Gas Tax/HUT 2103 is paying for Arroyo Drive Overlay (\$536,000).

As a reminder, Senate Bill (SB) 203, signed into law on October 1, 2013, allows cities of 100,000 people or fewer in Ventura County to spend state Transportation Development Act funds on local roads, provided they meet their public transit needs.

Staff will perform a Traffic System Controller study during FY 2016/17 in the amount of \$25,000. The Gas Tax Fund (2605) will pay for this study.

During FY 2015/16, Public Works staff performed a pilot program of a stand-by system for street-related issues during non-working hours. City staff is considering expanding this pilot proposal to include more weekends during FY 2016/17.

Governor Brown will release the May revision of the State budget shortly. Current state gas tax revenue produces \$2.3 billion. However, the annual highway maintenance requirement is \$8 billion; an annual shortfall of \$5.7 billion for the state highway system. Gas Tax revenue continues to decline as cars become more fuel efficient or non-gasoline based (electric and hybrid). The State is researching alternative revenue methods to a gas tax in order to maintain highways, streets and roads.

Transit

Transit has \$1,279,443 in total appropriations for FY 2016/17. We have budgeted \$60,000 for Compressed Natural Gas (CNG) fuel. Paratransit operating cost is projected at \$105,000. Paratransit capital maintenance is budgeted at \$105,000 and is partially funded by the Federal Transit Administration (FTA) money. Recall that the City

purchased two CNG buses in FY 2015-16. Staff has concerns about future increases in cost, particularly in the Dial-A-Ride program. The City is ending the demonstration transit project in early FY 2016/17. It did not generate the expected ridership and did not meet minimum fare box requirement. Staff will present a report on this topic to City Council in the near future.

Parking Tickets

The City of Thousand Oaks has ceased processing parking tickets for the City of Moorpark. The City currently contracts with ComPlus to process parking tickets. Complus accepts checks and credit card payments on-line. The City increased the fine of the parking ticket by \$5 to cover the increased processing costs.

Public Safety

For FY 2015/16 the City budgeted \$7,100,848 for public safety. Currently, our estimate is to spend \$6,942,001, a savings of \$158,847. The County of Ventura Sheriff's Office did not increase their rates as high as we had anticipated. The City budgeted for a 3% increase; and the actual increase is about 2% for FY 2015/16. Moreover, charges for overtime and special events; and vehicle maintenance and fuel will be below appropriated amounts. We anticipate a 3.5% increase in the police rate in FY 2016/17. Therefore, the GF would have to absorb about \$210,000 in additional service costs in FY 2016/17. The change in patrol cars to Chevrolet Tahoe will cost about \$700 more per vehicle per month. This equates to \$50,400 annually. The City has six vehicles. Additionally, the Sheriff will be issuing body-worn cameras at a first-year cost of \$25,000 to \$28,000. The recurring annual cost will be about \$19,000 to \$20,000. The County over-charged the City for Mobile Data Terminals (MDT) in the vehicles. The amount refunded to the City will offset the initial cost of the body-worn cameras. Beginning in FY 2017/18, the City will need to directly fund about \$20,000 for this purpose.

Recall that in FY 2008/09, the City added a 40-hour patrol car funded for 10 months using Traffic Safety Fund reserves in the amount of \$186,000. For FY 2009/10, we upgraded the 40-hour patrol to an 84-hour patrol and completely paid for it with GF money. In FY 2008/09, the City used \$402,000 from the Traffic Safety Fund reserves to fund a portion of traffic related law enforcement services. The City combined the School Resource Officer with the Community Service Officer in FY 2012/13, saving about \$192,000 annually. At the same time, the City upgraded a patrol Deputy to a Senior Deputy position to serve as beat coordinator; and upgraded an existing administrative support position, which assumed greater responsibilities for coordinating the volunteers. A second beat coordinator at an estimated cost of \$35,000 annually, was discussed by staff, but is not funded. In FY 2013/14 and FY 2014/15 the City funded 50% of a School Resource Officer (SRO) from GF reserves. The other 50% was funded by Moorpark Unified School District (MUSD). The position is included in the proposed budget with the same funding agreement with MUSD. The estimated cost for the SRO in FY 2016/17 is about \$229,031 (city share is \$114,516). This net cost represents majority of the FY 2016/17 GF deficit of \$333,210.

Ventura County has also notified the City that a refund is due to the City for overcharges on Police vehicles going back several years. The amount of the refund is \$128,492. This refund will be placed in the GF in FY 2015/16. Additionally, Ventura County will begin to pay for the telephone (land-line) service for their staff at the Police Services Center. Staff estimates the annual savings amount at \$16,000. The City will also begin paying about \$2,600 to maintain the License Plate Readers (LPRs).

The recommended budget assumes that the State Supplemental Law Enforcement Services Fund (SLESF) will remain the same as FY 2015/16 at \$100,000. These revenues are used to partially fund a 40-hour deputy position.

On average, contract rates for police services have been increasing each year in excess of the CPI increases. We have budgeted an increase of 3.5% for FY 2016/17 for Police Services. Below is a sample of how the rate for one position (Community Services Officer) has increased over the last thirteen years. This is about 103% (an average of about 5.3% per year) for this thirteen-year period. CPI has increased by 36% over this same time period (average of 2.4% per year).

Fiscal Year	Annual Cost	% Increase	CPI-U
<i>2016/17 *</i>	<i>258,670</i>	<i>3.50 %</i>	<i>2.00 %</i>
2015/16	249,923	1.54 %	1.70 %
2014/15	246,139	1.46 %	1.80 %
2013/14	242,590	4.08 %	1.35 %
2012/13	233,073	1.04 %	1.59 %
2011/12	230,678	4.97 %	2.86 %
2010/11	219,750	0.60 %	0.88 %
2009/10	218,444	1.45 %	(2.24 %)
2008/09	215,323	2.01 %	5.41 %
2007/08	211,075	7.68 %	2.92 %
2006/07	196,021	9.36 %	5.18 %
2005/06	179,250	9.57 %	3.61 %
2004/05	163,600	15.36 %	3.97 %
2003/04	141,817	11.55 %	2.42 %
2002/03	127,129		

** Estimated*

In the last seventeen years, the City's population grew by 6,285 from 30,430 in FY 1999/00 to 36,715 in FY 2015/16. This is an average annual rate increase of 1.1%, with peak increase at 7% or 2,371 in FY 2003/04 (Graph 1 – Population).

Police services costs have more than doubled from \$2,960,782 in FY 1999/00 to an estimated cost of \$7,333,279 in FY 2016/17. Except for FY 2003/04, the police cost follows the same trend as the population growth albeit at a much faster rate of increase (Graph 2 – Police Service Cost).

During FY 1999/00 to FY 2002/03, as the population and cost increased, the Part I Crimes, comprising of violent crimes and property crimes, were declining. But with the upsurge of population in FY 2003/04, Part I Crime also rose, with another sharp increase in FY 2007/08 (Graph 3 – Crime Statistics). Beginning in 2008, Part I crimes have steadily decreased.

City of Moorpark ~ Crime Statistics Calendar Year

Police Staffing

The FY 2016/17 staffing for the police services is as follows:

Patrol Services

- 2.0 24-Hour – 7 day (includes no Senior Deputy differential)
- 2.0 84-Hour – 7 day
- 0.5 Captain
- 0.5 Management Assistant
- 1.0 Administrative Assistant I (Non-Exempt)
- 1.0 Sheriff Service Technician (SST) Report Writer
- 2.0 20-Hour Cadets

Traffic Services

- 3.0 40-Hour Motorcycle
(without relief; includes 1 Senior Deputy differential)

Prevention Services

- 1.0 Community Service/City Beat Coordinator
- 1.0 School Resource Officer (50% funded by MUSD)
- 2.0 Deputies - Special Enforcement Detail (SED)

Investigation Services

- 0.75 Detective Sergeant
- 1.5 Detective Senior Deputy

The increase in the Sheriff contract could be offset by reducing one of the 84-hour cars (\$608,812 annual cost) to either (1) 40-hour car without relief (\$260,475 cost) for a savings of \$348,337; or (2) 40-hour cars without relief (\$520,949 cost) for a savings of \$87,862.

Law Enforcement Spending Per Capita

The following table shows the Ventura County contract cities, along with Simi Valley, in spending per capita for law enforcement. Moorpark spends the least per capita on law enforcement while Ojai spends the most.

	2015/16 estimated	Population	Per Capita
Camarillo *	\$ 14,066,666	69,924	\$ 201
Fillmore *	\$ 3,012,856	15,529	\$ 194
Moorpark *	\$ 6,314,077	36,715	\$ 172
Moorpark **	\$ 7,333,279	36,715	\$ 200
Ojai *	\$ 2,758,659	7,477	\$ 369
Simi Valley	\$ 33,017,300	127,167	\$ 260
Thousand Oaks *	\$ 25,707,631	132,365	\$ 194

* The estimate used for the five contract cities was the amount referenced in the County Board of Supervisors report for contract rates.

** Additional costs for Operations and Maintenance for City of Moorpark. This does not include costs to operate the Police Services Center at \$135,820 annually.

California Highway Patrol (CHP) Lease

The City is leasing 4,497 square feet of the total 25,822 square feet in the Police Services Center (PSC) to the California Highway Patrol (CHP) for their Eastern Ventura County Station. The lease also includes the CHP's use of additional space included in the common area lobby and public restrooms. The City receives base rent from this lease at a rate of \$1.3342/square foot (\$6,000/month) increasing on the annual anniversary date beginning November 1, 2006 at a fixed rate of 2.5% and each year thereafter for the full term of the lease. Currently, the lease rate is \$7,334 per month and will increase to \$7,501 per month on November 1, 2016. In addition, the City receives a monthly payment in an amount of \$658 through June 30, 2020, representing an amortized cost for CHP required Change Orders during the building construction that totaled \$68,839.58. As approved by the City Council on the allocation of rent revenue approximately \$16,530 (\$97,238 estimated total lease revenue for FY 2016/17) will be reimbursed back to the GF for the operating and maintenance cost for the CHP leased space and the remaining \$80,708 revenue will be used to repay the loan from the Endowment Fund.

Volunteers in Policing

The City of Moorpark Volunteers in Policing (VIP) perform the following duties:

- Assisting the public at the front counter
- Answering phone calls from the public
- Filing vital police records

- Monitoring of Automated Teller Machines (ATM) and gas pumps for fraudulent skimming devices
- Completion of initial crime reports
- Completion of non-injury traffic collision reports
- Pedestrian and Traffic Control at City sponsored special events
 - o Country Days
 - o Arts Festival
 - o 3rd of July
- Assisting with vehicle transfers to and from maintenance facilities for routine service
- Parking enforcement
- Citizen Patrols

Currently, the City budgets \$7,250 per year (Object Code 9205) to cover uniform and equipment costs for the volunteers, special enforcement detail / gang unit and bicycle enforcement. An additional \$2,300 per year is budgeted (Object Code 9242) to cover volunteer recognition costs. An estimated \$1,000 to \$2,500 is received each year in public donations for the VIP program. The funds are deposited into a VIP trust account maintained by the City (Account Code 2637) and used to help fund the annual costs of the volunteer program.

Capital Improvement Budget

The street and public works related capital improvement projects (CIP) included in this recommended budget are in compliance with the Capital Improvement Plan approved in June 2014.

Because capital improvement projects span many years, the budget appropriation for these projects is carried forward from year to year until the project is complete. The amounts shown for the FY 2016/17 will be adjusted after conclusion of the FY 2015/16, when actual project expenses to date are tallied.

The City has again proposed a reduced project list for FY 2016/17 totaling \$17,652,974 from a variety of funding sources. The proposed budget includes \$588,593 GF monies programmed for various capital items. The Capital Improvement section of this budget provides detailed information on these projects. As construction related costs increase, the City's purchasing power on capital projects has also declined. In the short term the City has experienced decreasing construction costs due to the economic slowdown.

Options to Address Potential General Fund Deficit

The following measures, which are the same as last year, are presented for consideration in order to lower GF expenditures in FY 2016/17 to reduce the projected \$333,210 deficit in lieu of using GF surplus from FY 2015/16. Most of the proposals

would achieve direct or indirect GF savings resulting from reduced expenditures or reduced GF transfers to other funds. Some of these actions would need to be considered as part of the meet and confer process.

Potential Expenditure Reductions and Transfers to other Funds

1.	Delete employee recognition activities for both City employees and contract law enforcement and volunteers in policing.	\$14,600
2.	July 3 Event The total cost of about \$50,000 includes \$16,000 for police services with revenue offset estimated at \$68,200. Net GF revenue is projected to be \$18,000 in FY 2016/17.	\$18,000
3.	Arts Festival (minimal revenue offset)	\$4,000
4.	Employee Training Reduction (FY 2008/09 was \$400 per employee; FY 2016/17 is \$200)	TBD
5.	Reduce or eliminate costs for fountain at Tierra Rejada/ Mountain Trail	\$5,100
6.	Reduce Government Channel expenses	
	A. Discontinue all MPTV 10 operations	\$56,000
	B. Televisе only City Council meetings	\$15,000
	C. Staff maintains BBS	\$10,000
7.	Eliminate Active Adult Center Volunteer Recognition Meal This is now a day time event.	\$3,500
8.	Quarterly City Newsletter and Recreation Brochure	
	A. Eliminate all four (4) quarterly newsletter/brochure issues	\$30,000
	B. Eliminate two (2) quarterly newsletter/brochure issues	\$15,000
9.	Eliminate GIS contract	\$16,000
10.	Perform maintenance In-House for:	
	A. Magnolia Park	\$6,600
	B. Veterans Memorial Park	\$4,300

C.	Walnut Acres Park	\$5,000
D.	Home Acres Buffer	\$5,000
11.	Turn off 800 street lights, about 1/3 of total street lights	\$120,000
12.	Reduce law enforcement contract	
	(1) 84-hour car to (1) 40-hour car w/o relief	\$348,000
	(1) 84-hour car to (2) 40-hour cars w/o relief	\$88,000
13.	Reduce LLMAD subsidy and reduce maintenance	\$100,000
14.	Close Country Trail Park	\$56,000
15.	Records Reorganization	\$ 15,000
16.	Have Gas Tax fund the street lighting portion of the GF subsidy for the Lighting and Landscape Maintenance Districts. TDA Streets or HUT 2103 would then backfill the Gas Tax.	\$130,000

Potential Revenue Options

1.	New Parks Maintenance Assessment District At the Council meeting of November 18, 2015, the City Council directed staff to return in early calendar year 2017 to begin the process of establishing a new Parks Maintenance Assessment District. The \$300,000 estimate is based on a \$25 annual fee per single family equivalent (SFE) unit.	\$300,000
2.	Transfer to the GF the interest earnings that would otherwise accrue to the Endowment Fund. In establishing the Endowment Fund, the City Council capped its interest earnings at 2% with the balance of any such earnings to accrue to the GF. This proposal would transfer the referenced 2% to the GF as well. Per City Council policy, first 2% of interest goes to Endowment Fund. If this action is selected, it's recommended that it be used for only one or two years to minimize the impact on the Endowment Fund. This was done in FY 2008/09 in the amount of \$91,000, but has not been utilized since.	\$125,000

3.	NPDES Assessment Establish an assessment for NPDES purposes. The other nine cities and the County established such an assessment in the 1990s. The City is projected to spend \$182,355 from the GF in FY 2016/17.	\$150,000
4.	Increase fees for a variety of Recreation programs/activities including youth camps. The most viable portion of this would be increasing fees for youth camps held during the summer, spring, and winter school breaks. Current revenue is projected at \$300,000; so a 10% increase would generate \$30,000 assuming the same number of participants much of this would not be realized until FY 2017/18.	\$30,000
5.	Charge Adjacent Property Owners for Sidewalk Repairs. Many cities and counties have implemented a program that charges the adjacent owners for damaged sidewalks. Much of the damage is caused by tree roots. The City's current policy is to make the first repair at City expense with all subsequent repairs at the same location to be charged to the adjacent property owner. With the maturing of many of the front yard and parkway trees planted in the last 25 years, the City will see a continuing increase for such repair work. About 250 man hours per year are spent on grinding minor uplifts in sidewalks.	\$10,000
6.	Landscape Maintenance District Assessments. The need for GF to supplement the assessments continues to increase. If an assessment was approved for street lights, the City could expect to receive about \$175,000.	N/A at this time

General tax revenues may be used for any purpose. General tax revenues include sales tax, property tax, utility users tax and business license tax. Special tax revenues are levied for a specific purpose. In order to adopt a new or increase an existing general tax, a majority of those voting in the City must approve the tax in the same election in which City Council members are elected. For a special tax, a two-thirds affirmative vote of those voting in the City must approve the tax. The City Council directed staff to hire a consultant and pursue establishing a city-wide Parks Assessment after the November 2016 election. Staff will return to City Council with an appropriation for this item during FY 2016/17.

Several of these tax measures are summarized below:

7.	Municipalities may adopt additional increments of local sales tax with the approval of two-thirds of voters for revenue for specified services such as police and fire. A simple majority	\$1,000,000

vote would be required for general purpose revenues. An additional 1/4% tax would produce approximately \$1,000,000 per year. As you will recall, the opinion survey recently conducted by the City to assess support for a potential tax measure showed that over 90 percent (90%) of respondents were pleased with City services and Moorpark's quality of life. However, only about 54 percent (54%) of voters were likely to support a 1/4 cent sales tax. Thirty-three percent (33%) of those surveyed were "probably yes." Twenty-one percent (21%) of those surveyed were "definitely yes". With a 4.4 percent (4.4%) margin of error, the survey results presented a marginal majority support for a 1/4 cent sales tax measure. In March 2014, the City Council opted not to place such a measure on the November 2014 ballot.

8. Municipalities may adopt a business license tax. This tax is imposed on businesses for the privilege of doing business in the City. It is most commonly based on gross receipts or levied as a flat rate. The adoption of a business license tax also requires voter approval with a simple majority. The City currently collects a Business Registration fee that is limited to the recovery of administrative costs for its collection and generates about \$125,000 annually. A Business License Tax enacted with a typical formula could generate approximately \$500,000 annually. \$500,000

9. Municipalities may adopt a utility users tax. This tax can be imposed with simple majority voter approval (for general purposes) on the residential and commercial consumers of any combination of electric, natural gas, cable television, water, cell phone, landline telephone and trash services. Such taxes are imposed by ordinance as a percentage of sales and typically collected by the utility provider. Staff has no current calculation for this tax. \$ unknown

10. Municipalities may adopt a parcel tax on real property. Unlike the property tax, a parcel tax is not based on the value of the property. Instead, parcel taxes are generally based on a flat per-parcel rate. Parcel taxes always require a two-thirds majority voter approval and are imposed for any number of purposes including funding police services, neighborhood improvement and revitalization and open space protection. The Voter Opinion Poll did not test this measure. Based on the number of parcels included in the City's 2014-2015 General Taxing District (approximately 11,000), a flat rate of \$10.00 per parcel would only generate \$ 220,000

an additional \$110,000 annually. An increase to \$20 would generate \$220,000.

11. Municipalities may adopt a transient occupancy tax. \$ unknown
Municipalities may impose the transient occupancy tax on persons staying 30 days or less in a room(s) in a hotel, inn, motel, tourist home, non-membership campground or other lodging facility. The City has enacted a transient occupancy tax that could generate an estimated \$200,000 to \$250,000 with the approved 112-room hotel project.
12. Municipalities may adopt other taxes. \$ unknown
Other possible taxes include oil extraction and an apartment tax. Many cities incorporate these as part of their business license tax.
13. Technology surcharge on building permits. \$ unknown
To reimburse the City for costs specifically related to electronic development review and permit tracking.

Use of Reserve Funds

1. General Fund Reserve

The City's GF budget has grown at a relatively modest rate. Through prudent budgeting practices, the City has built a good GF reserve approximately \$26.7 million at the end of FY 2014/15, inclusive of the Special Projects Fund. The projected GF surplus for FY 2015/16 is \$427,300 (net after accounting for GF reserves appropriated during FY 2015/16 is \$342,000) but will most likely be used to offset the projected 2016/17 budget deficit and fund certain capital projects. The reserve has not grown over the last six years, primarily from use of the reserves for various projects and paydown of underfunded CalPERS and insurance liabilities.

In the last three years, the City has used about \$6.7 million of GF reserves. The most notable are: paid off the CalPERS side fund and unfunded liability; annual contributions to the East County court house; Peach Hill park playground equipment; turf renovation at AVCP; new Recreation software; paid off CJPIA insurance deposits due; replace and retrofit security lights at Police Services Center and a couple of parks; fully funding OPEB; fully funding the Equipment Replacement Fund; 50% funding of School Resource Office and replace video cameras and equipment.

2. Traffic Safety Fund (2000)

Annual revenue is about \$155,000, primarily from vehicle code violations and interest earnings. Generally, the operating expenditures of \$311,958 are for Crossing Guard and Parking Enforcement services. However, these funds can be used for street related expenditures such as traffic signals, traffic engineering and pavement markings, as well as related personnel costs and traffic related law enforcement services. About \$100,000 is budgeted for traffic signals.

This fund will have approximately \$134,000 in reserve at the end of this fiscal year. FY 2016/17 has revenues of \$155,000 and projected expenses of \$279,416. This results in an estimated positive fund balance of \$9,796 at June 30, 2017. Staff moved certain police motorcycle supplies and equipment expenses from this fund to the GF to keep the fund balance positive. For FY 2017/18, expenses will have to be reduced by about \$121,000 or transferred to the GF in order for the fund balance to remain positive.

This source of funding is no longer an option since there are no reserves remaining.

Long Term Challenges

As a guiding principle even in the current financial period, the City needs to remain focused on its long-term goals. Items that reduce expenditures or generate revenue should take precedence; and low priority programs and activities should be considered for reduction or elimination. It is important that key staff be retained to make this difficult task more achievable. As previously stated, nine management positions and two competitive service positions have been eliminated in the last seven years, reducing annual GF expenditures by about \$1,200,000.

Staff will make a formal mid-year Budget report to the Council in February 2017. This will allow budget modifications to be considered if necessary.

Based on the current economic forecast for sales and property tax revenues, the uncertainty and instability of the State's Budget, the dissolution of redevelopment and the decline in development activity which affects Community Development Fund and GF revenues, projections indicate the City needs to address the gap between operating revenue and expenses for FY 2017/18 and going forward. In early calendar year 2017 staff will present to City Council a plan to begin the process of establishing a new Parks Maintenance Assessment District. Staff has estimated annual revenue at \$300,000 (for example \$25 annual fee per single family equivalent (SFE) unit). This should be considered as you review the FY 2016/17 budget (short term) as well as for subsequent years (long term). There will be a need for additional GF revenue, or alternatively program and staffing reductions to address the following:

- Need to continue to offset loss of about \$700,000 annually resulting from State actions. This includes \$500,000-ERAF; \$100,000-PTAF; \$38,000-State Sales Tax Administration and \$67,000 annual average SB90 mandated costs. This does not include \$350,000 the former MRA contributed to City's overhead and cost allocation plan costs.
- The continuing sales tax leakage, which is increasing, due to internet sales; and changing retail dynamics and trends, including retailers downsizing and leaving smaller markets. This could affect the City's sales tax growth.
- Within 3 to 5 years, the ongoing utilities and maintenance costs for a new City Hall, Library and landscaped medians on Los Angeles Avenue.
- Relatively small reserves for street needs. Operating expenses for streets requires all of the Gas Tax revenues plus about \$150,000 of the TDA streets funds.
- Long-term street maintenance needs since Gas Tax and TDA provide only for staff and basic maintenance. TDA revenues are not increasing and the City will need more TDA monies for transit as services are expanded.
- Additional conservation and sustainability projects will have to be funded from grants, the GF reserve or if applicable, the Traffic System Management Fund.
- Assessment districts subsidies as the GF will be the only source for this purpose in the future. Without an increase in the assessments (requires voter approval), use of GF Reserve for this purpose will increase.
- Continuing cost increases for law enforcement services that generally exceed the revenue growth in the GF and CPI.
- Stabilization of revenues and expenditures for the Community Development Fund and Engineering Fund. In FY 2016/17 the projected GF subsidy is a combined \$843,709.
- Continuing costs for NPDES increases which without a new funding source must come mostly from the GF. The FY 2016/17 cost is \$164,279.
- CalPERS cost increases of 1% of pay annually for a period of five years beginning in FY 2016/17 (\$50,000, GF portion is \$36,000) to FY 2020/21 (\$250,000).
- Concern with continuing deferred maintenance of parks and facilities.

- Concern with low capital investment from the GF. FY 2016/17 capital budget \$712,995 is less than 3.9% of the total GF budget (\$18.3 million).
- Library Fund operating expenses exceeding the operating revenues; thereby reducing the fund balance by approximately \$20,000 annually. Need to increase revenues or decrease expenses in order to stabilize the fund.
- City is currently fully funded for OPEB, but if that changes in the future it would require a GF contribution.
- Water conservation and landscape modifications in addition to the landscape refurbishment on Tierra Rejada Road area already under consideration.
- Increasing cost of water and need to pay for pumping at AVCP (\$50,000).
- Ability to fund information systems upgrades to keep up with technological improvements and public expectations.
- State of California enacted a sick leave law for all employees. Effective July 1, 2015, part-time staff earn 1 hour of sick leave for every 30 hours worked. Estimated annual part-time hours is 25,177 divided by 30 equals 839 sick leave hours earned at an average hourly rate of \$13.50 equals potential new cost of \$11,330.

In addition to the above items and in light of the loss of MRA tax increment funds, the City Council needs to consider the City's ongoing commitment to what was the MRA's Project Area, especially High Street, and how to fund projects. The City may also have to consider whether to purchase certain properties that the MRA acquired, but under applicable State law will now be marketed for sale. After construction of the Walnut Acres Park, there will be about \$2 million remaining from the proceeds of the 2006 Tax Allocation Bonds and an additional estimated \$1 million from the sale of one parcel that was acquired with MRA bond funding. A report will be presented to the City Council in FY 2016/17 recommending options for spending these funds. The City and former MRA have invested several million dollars in the downtown area over the past thirty years.

In the future to achieve significant savings, the only remaining areas to consider are closing parks, turning off street lights, limiting landscape maintenance to only the funding level provided by assessments, reducing recreation and active adult programs, or police services. Per City Council discussions, the City could increase certain revenues from taxes or fees.

The City continues to evaluate options to address annual cost increases for expected: retirement; health care; general insurance liability; workers compensation; and the law enforcement contract. These costs often experience increases that exceed the

standard CPI. The City could decrease standards or service levels to compensate for these increases, however that is not advisable.

City Manager Recommendation

The proposed Budget as submitted by the City's operating departments has an approximate \$333,210 GF deficit. As an option to use of the FY 2015/16 GF surplus other recommendations include deferring the one-time expenses listed below.

AVRC HVAC Replacement	100,000
Water Conservation - Phase I Tierra Rejada Medians	94,091
Backup Generators	94,000
AVRC Facility Expansion	75,000
AVCP Loop Trail	75,000
ARC/GIS Server Software	25,000
Audio/Video System Upgrade	20,000
Local Area Network Switch	15,000
Video System Optimization	10,000
Backup Network Attached Storage	10,000
New scanner	6,500
	<u>\$ 712,995</u>

If none of the one-time expenses were in the budget, the GF would have a projected surplus of approximately \$493,285.

Two items not included this year are the rehabilitation and reconstruction of Campus Park restroom and play equipment replacement and ADA improvements at Country Trail Park.

Full-time staffing has been reduced by eleven (11) positions and received only a cumulative 5.5% salary increase since FY 2008/09. FY 2008/09 was 1.5 percent. Zero percent occurred in FY 2009/10. One percent occurred in FY 2010/11 (offset by an agreement for employees to contribute to the medical insurance premium payments). Zero percent occurred in FY 2011/12 and FY 2012/13. One percent occurred each in FY 2013/14, FY 2014/15 and FY 2015/16.

It is recommended that the following action be taken to balance the GF budget to offset the \$333,210 projected deficit.

- 1. Use \$333,210 from FY 2015/16 net GF surplus of \$427,300.** If this action is taken there would be an estimated \$94,090 of the FY 2015/16 surplus remaining.

Appreciation

My thanks to the Department Managers and their support staff and Finance Department staff for their outstanding work, interdepartmental cooperation and commitment in preparing this budget. As in the past, the final Budget will be available on the City's website at www.MoorparkCA.gov.

**CITY OF MOORPARK
FY 2016/17**

BUDGET CALENDAR

FEBRUARY

- February 8, 2016 – Budget Kickoff Meeting include instructions for completion
- February 26, 2016 – Department expenditure budget requests, payroll staffing cost allocations by Department and revenue projections due to Senior Account Technician

MARCH

- February 29 - March 24, 2016 – Finance Department review and compile Department budget requests and projections
- March 31, 2016 – Deliver proposed budget to City Manager for review

APRIL

- April 4 - 22, 2016 – City Manager budget review with Department Heads
- April 25 - May 17, 2016 – Finance Department update and compile City Manager's recommended budget

MAY

- May 4, 2016 – City Council reviews Preliminary Engineer's Reports, sets Public Hearing for Parks and Recreation Maintenance Improvement District and Landscape and Lighting Maintenance Assessment Districts for FY 2016/17
- May 18, 2016 – Present City Manager's proposed budget to City Council
- May 25, 2016 – City Council study session and public hearing for the budget

JUNE

- June 1-10, 2016 – Finance Department update and compile final budget
- June 1, 2016 – City Council approves Engineer's Reports and orders levy of assessment for Parks and Recreation Maintenance Improvement District and Landscape and Lighting Maintenance Assessment Districts for FY 2016/17
- June 9, 2016 – Finance delivers FINAL budget to City Clerk for distribution to the City Council
- June 15, 2016 – City Council public meeting and adopts resolutions on: FINAL budget, establish Appropriations Limit and GANN Initiative for fiscal year 2016/17

JULY

- July 1, 2016 – Budget year begins
- July 5, 2016 – Load final budget in Pentamation

AUGUST

- August 2016 – Print and distribute final document

CITY OF MOORPARK

BUDGET PROCESS

Budget Basis:

Annual budgets are adopted on a basis consistent with GAAP for all governmental funds (modified accrual basis). All annual appropriations lapse at the end of each fiscal year.

Budget Amendments:

The City Council approves operating appropriations at the department and fund level prior to July 1 of the budget year and may amend the budget during the fiscal year by resolution. The level of budgetary control is at the overall fund level (i.e. the level at which expenditures cannot legally exceed appropriated amount).

Budget Control:

Department Heads are responsible for maintaining expenses within category levels approved by City Council. However, since the budget is an estimate, from time to time, it is necessary to make adjustments to the various line items.

Budget transfers must be internal to each fund without requiring City Council approval. Appropriations not exceeding \$5,000 can be transferred between line items with the approval of the Finance Director. Line item transfers exceeding \$5,000 or transfers between divisions within a department must be approved by the City Manager. Transfers of any amount between two different divisions and departments or funds require City Council authorization (Resolution No. 2015-3408).

All requests to increase appropriations must be submitted to the City Council.

City Council (Department 1100)

The City of Moorpark operates under a Council/Manager form of government with an elected Mayor. The Mayor and four City Councilmembers are elected at-large to serve a two-year term and four-year staggered terms, respectively. The City Council sets the policy direction for City operations and programs, approves the annual budget and provides direction for the City's interaction with other governmental jurisdictions. The City Council appoints the City Manager to implement and administer Council decisions and policy directives. The City Council serves as the governing body of the Industrial Development Authority and the Public Finance Authority. On February 1, 2012, the Moorpark Redevelopment Agency was dissolved pursuant to State Assembly Bill 1x26. City Council elected to act as the Agency's Successor Agency.

City Manager (Department 2100)

The City Manager is appointed by the City Council to implement and administer the City Council's decisions and policy directives. The City Manager has significant responsibility for the operation of the City including: assists the City Council on policy matters, establishes procedures for policy/program implementation, maintains the delivery of established services within the community, hires and assigns employees, regulates and allocates the use of resources, and implements federal and state mandates as appropriate.

Additionally, the City Manager directs and coordinates the activities of the six City departments, Department Heads and a contract with Ventura County Sheriff for public safety services. The City Manager helps the organization anticipate and adapt to change and represents the organization within the community and with other government agencies.

Emergency Management (Division 2210)

The Emergency Management Division of the Administrative Services Department coordinates disaster response, emergency planning, training and public education, recognizing that emergency preparedness is an ongoing effort. The City's Emergency Operations Plan (EOP) and the Ventura County Hazard Mitigation Plan provide the framework for the City's response to a disaster. The EOP outlines key emergency management policies, procedures, roles and responsibilities. The division also arranges Standardized Emergency Management System (SEMS) workshops and disaster simulation exercises for City staff consistent with the National Incident Management System (NIMS).

Additionally, the Division offers Community Emergency Response Team (CERT) training to the public free of charge. This course prepares residents to help themselves and their neighbors before, during, and after emergencies such as earthquakes, fires, and floods. The Ventura County Fire Protection District teaches the nationally recognized curriculum, which covers disaster preparedness, fire safety, disaster medical operations, light search and rescue, CERT organization, disaster psychology, and terrorism, concluding with a disaster simulation exercise.

City Clerk (Division 3100)

The City Clerk Division of the Administrative Services Department is responsible for preparation of the City Council and Successor Agency to the Moorpark Redevelopment Agency meeting agenda packets, recording the official minutes for City and Agency meetings, maintaining the central files of the City, including electronic imaging system, and maintaining official minute, ordinance and resolution books. Additionally, the City Clerk Division is responsible for municipal elections, providing information and assistance to mayoral and councilmember candidates and maintaining records in compliance with the Political Reform Act. The City Clerk Division also monitors all e-mail sent to the City at moorpark@moorparkca.gov.

The City Clerk functions as the City's records manager, as the filing officer for campaign reports and statements of economic interest for designated officials and employees and as the City's Election Official. The City Clerk also ensures that the City complies with State law governing the posting and publishing of legal notices; attests to City agreements and contracts; receives, records, and processes all claims against the City; conducts all formal bid openings for the City; accepts subpoenas; and coordinates the reduction and exoneration of developer performance and payment sureties.

Information Systems/Cable Television (Division 3120)

The Information Systems/Cable Television (TV) Division of the Administrative Services Department is responsible for providing information systems support staff; design, maintaining and upgrading City's technology infrastructure, including software, hardware and communications. In addition, this Division administers the City's contract for video production of the City's public meetings, manages the government access television channel (MPTV), monitors the Cable Franchise Agreements, and contracts for audio/video equipment maintenance. This Division's budget supports the City's internet websites and wireless network, financial information system, geographic information system (GIS), document management system, other proprietary software systems, citywide local area network and technology infrastructure, desktop computers, laptop computers, telephones, networked printers, servers, cable TV recording and broadcast equipment, building access systems, surveillance systems and other related equipment. For the computer and telephone equipment, all operating, maintenance, and capital costs are split through an overhead allocation between the City's user departments based on the proportion of computer and phone users in each department. The following is a breakdown of the total number of desktop computers, laptops, storage area networks (SANs), and servers supported by the Information Systems Division:

<u>Department/Division</u>	<u># of Computers Supported</u>
City Council.....	2
Administrative Services.....	35
Administration – 4	
City Clerk – 8	
Human Resources – 3	
Information Systems – 11	
Emergency Management - 8

For the MPTV responsibilities, programming is accessible to all Moorpark residents served by Time Warner Cable TV Channel 10, and AT&T's U-Verse Channel 99 video service, as well as being viewable by web stream link on the City's website. The City's cable TV contract provides for the video recording and telecasting of public meetings, including but not limited to meetings of the City Council and City Commissions and Boards. In addition, MPTV provides City of Moorpark community information including for City regular programs and services plus special event information.

Solid Waste and Recycling (Division 3140)

This Division plans and implements solid waste collection, waste reduction, and recycling programs. It monitors compliance with the City's Solid Waste Ordinance.

The City has franchise agreements with private solid waste haulers to provide residential and commercial collection services throughout Moorpark. The Division is responsible for administering and monitoring the City's franchise agreements, public events, developing quarterly financial reports and conducting the annual solid waste rate review.

In accordance and compliance with the Integrated Waste Management Act of 1989, (AB 939 and as amended), the City's Solid Waste Management Program must divert from landfill disposal 50% of the solid waste generated in Moorpark. The Division accomplishes this through promoting source reduction, recycling, composting and the proper disposal of household hazardous waste, universal waste, and electronic waste. Program activities include residential, commercial and industrial recycling opportunities. When possible, these activities are coordinated with other agencies within the county to promote countywide waste reduction efforts. The Solid Waste and Recycling Division is funded by AB 939 user fees collected from the franchise waste haulers' customer accounts and by grant funding for waste reduction programs. The program generates franchise fees and landfill local access fees that support 'General Fund' activities.

The City's Solid Waste and Recycling Division also encompass regional solid waste and household hazardous waste and universal waste management programs as well as a Construction and Demolition Materials Management Plan. The City of Moorpark, in cooperation with the cities of Simi Valley and Camarillo, provides area residents with an ongoing opportunity to dispose of household hazardous waste at regularly scheduled drop-off events. The City partners with Waste Management to provide residents with free landfill days and the City partners with both Waste Management and Moorpark Rubbish to provide free neighborhood enhancement programs and holiday tree recycling services. The Division also hosts tri-annual disposal events for electronic waste, batteries and fluorescent lights and has set up other convenient methods of disposal for these and other items. Secure onsite paper shredding is also offered at the tri-annual electronic waste events.

This Division, through payment programs, also manages the used oil recycling collection program with two certified centers for used oil disposal within the City and a Beverage Container Recycling program.

Public Information (Division 3160)

The Public Information Division is staffed by the Assistant City Manager and the Administrative Services Manager, and the Administrative Specialist position is also partially budgeted to this Division. The Administrative Services Manager serves as Public Information Officer for the City of Moorpark.

In addition to general Department administration, this Division is responsible for coordinating public information (including the Public Information Officer function), City public communications, legislative affairs, and intergovernmental programs. This Division is also responsible for preparation for the City's quarterly newsletter, bi-monthly solid waste inserts, and for providing staff assistance for the City Council Finance, Administration, and Public Safety Standing Committee.

City Attorney (Department 4100)

The City Attorney represents the City of Moorpark in all legal affairs, provides legal advice and assistance to the City Council and staff and engages in litigation as needed. Legal services are provided under contract with a private law firm.

CITY ATTORNEY

Finance (Department 5110)

The Finance Department is charged with providing financial management, budgeting, accounting, cash management, billing, revenue collection, payroll, fixed assets management, purchasing and general administrative support services for the City and Successor Agency to the Moorpark Redevelopment Agency.

Services provided through the finance and accounting functions include the maintenance of reliable accounting records, payment of approved demands against the City treasury, financial statement reporting, and preparation of the annual budget with the City Manager, prudent fiscal planning, payroll and payroll reporting, debt and franchise administration. Since 2009, the department has assumed greater responsibility in the administration and coordination of the annual Engineer's Reports for the Parks and Recreation Maintenance Improvement District and the Lighting and Landscaping Assessment Districts to ensure that the approved assessment levies are submitted to the Ventura County Auditor-Controller's Office for inclusion in annual tax bills.

Internal controls are established and maintained to ensure that the assets of the City are protected from loss, theft or misuse and to ensure that adequate accounting data allows for the preparation of financial statements in conformity with generally accepted accounting principles. Internal controls are evaluated to determine that the cost does not exceed the benefits likely to be derived.

The cash management function is responsible for the prudent investment of surplus funds. The City's Investment Policy directs the investment of City monies with the following priorities established: preservation and safety of principal, liquidity necessary to meet daily cash flow requirements and maximized yield after the first two priorities are met. The Investment Policy is reviewed annually and is submitted to the City Council for approval.

The administrative support function covers a wide range of activities that include office equipment maintenance, purchasing, mail processing, office supplies procurement and coordinating Finance, Administration and Public Safety Committee meetings.

Successor Agency to the Redevelopment Agency of the City of Moorpark (Division 2411)

The Redevelopment Agency of the City of Moorpark (the "Redevelopment Agency") was dissolved by the enactment of ABx1 26 (the "Dissolution Act"). The City of Moorpark has elected to become the Successor Agency to the Redevelopment Agency (the "Successor Agency"). The Successor Agency is responsible for winding down the Agency's affairs and disposing the real property in accordance with the requirements of the Dissolution Act and AB 1484. The Oversight Board to the Successor Agency (the "Oversight Board") approves all actions of the Successor Agency. The Oversight Board's membership includes the County of Ventura, Moorpark Unified School District, a resident from the City of Moorpark, and the City of Moorpark. The Oversight Board will be consolidated into one oversight board for the entire County of Ventura on July 1, 2016.

AB 1484 requires the Successor Agency to prepare a Long Range Property Management Plan (the "Plan") for the disposal of the Redevelopment Agency properties. The Plan was approved by the State Department of Finance (the "DOF") on February 12, 2015. Below is a list of properties included in the Plan and their proposed disposition:

Address	Disposition	Address	Disposition
500 Los Angeles Avenue	Future Development	610 Spring Road	Governmental Use
347 Moorpark Avenue	Future Development	Spring Road	Governmental Use

Central Services/Non-Departmental (Division 5700)

The Central Services Division consists of those shared costs commonly referred to as the “General Overhead”. These are shared operational expenses related to City Hall operations, (e.g., CJPIA insurance, common office supplies, copiers, and utilities). They are split through an overhead allocation among the City’s other departments based on the proportion of the number of positions in each relative to the total positions in the City, including part-time employees, (full-time equivalents, or FTE’s). The following is a breakdown of the total number of FTE’s per department:

<u>Department</u>	<u>Number of FTEs</u>
City Manager	1.75
Administrative Services/City Clerk	10.85
Finance	5.10
Community Development	8.35
Parks, Recreation & Community Services	27.49
Public Works	9.73
TOTAL	63.27

These costs cannot easily be associated with any particular department and thus cannot be directly charged to department budgets.

These costs are different than the Cost Allocation Plan which includes allocating costs associated with certain departments in the General Fund out to other departments and funds. The theory, as defined in OMB circular A87, is that all the costs associated with certain “overhead” functions in the General Fund (including salaries, services, facility usages, etc.) can be appropriately charged to “user” departments, such as streets/roads, parks, utilities, community development, etc. The document takes all costs charged to the “overhead” departments (City Manager, Administrative Services/City Clerk, City Attorney, Finance, Parks and Recreation (Administrative), and Public Works (Administrative)), determines how much effort in each function is spent on each “user” department, and spreads the costs accordingly.

Community Development Department (Department 6100)

The Community Development Department is the primary City department responsible for oversight of development in the City. It is also responsible for administering and implementing the City's programs related to economic development and code compliance. As part of its development oversight, the Community Development Department assists the Council, Planning Commission, the public and the development community in meeting the goals of the General Plan, complying with the Zoning Ordinance and applicable Specific Plans, and developing in accordance with applicable state and federal laws. The Department is comprised of five functional divisions: Administration, Economic Development, Building & Safety, Code Compliance, and Planning. The Department serves as staff to the five-member, City-Council appointed, Planning Commission. The Commission is responsible for development reviews of various entitlement requests and advises the City Council on matters related to the General Plan, Zoning Ordinance, capital improvement programs, and community development. The Commission also acts as the Historical Preservation Commission, advising the City Council on matters regarding building preservation and preservation of other historical features. The Community Development Department staff also is responsible for monitoring and reviewing projects outside the City that impact Moorpark, and for providing opportunities for economic development.

Economic Development (Division 2410)

The City Economic Development division works within the Moorpark business community to improve the economic vitality of the City of Moorpark. The Economic Development division maintains open communication with local businesses focusing on strengthening the relationship between the City and the business community. Feedback from the businesses is utilized to improve public and private business services; assist businesses with expansion; expand support to business collaboration; provide sufficient infrastructure; develop and maintain the local workforce; assistance with the entitlement and building permit process; and pro-business policy making.

The Economic Development division also places an emphasis on encouraging new business to the area. Efforts are focused on recruiting businesses to reduce retail leakage within the City of Moorpark and increase the daytime population by increasing the number of jobs.

Code Compliance **(Division 6430)**

The Code Compliance Division is responsible for ensuring that properties and buildings are maintained in compliance with City Codes. In that effort, the Code Compliance staff coordinates compliance actions with the Building & Safety Division, Engineering Division, Police Department (County Sheriff), City Attorney and other City departments. The Code Compliance Division responds to citizen complaints and conducts surveys to identify, investigate, and remediate Municipal Code violations, housing and occupancy violations, property maintenance concerns and other public nuisances. The division also is responsible for issuing street vendor permits.

Planning (Division 6440)

The Planning Division of the Community Development Department is responsible for both current and advance planning in the City, and serves as staff to the Planning Commission.

Current planning activities focus on the review of development projects and include review and processing of applications and overseeing condition compliance for:

- residential, commercial, and industrial planned developments;
- development agreements;
- subdivisions;
- conditional use permits;
- administrative permits;
- permit modifications and adjustments;
- sign permits;
- lot line adjustments;
- variances; and
- zoning clearances.

Included in the review of applications is conducting environmental review in compliance with the California Environmental Quality Act. In addition, current planning includes review and processing of applications for temporary use permits, film permits, bingo permits, and home occupation permits.

Advance planning activities begin with the administration of the City's General Plan, including its Land Use, Circulation, Housing, Safety, Noise, Open Space, Conservation, and Recreation Elements. Advance planning activities also include:

- preparing and maintaining demographic data and growth projections;
- preparing and maintaining the City's Specific Plans;
- maintaining and updating the City's Zoning Ordinance and Map;
- reviewing applications for General Plan Amendments, Zone Changes, and Zoning Ordinance Amendments;
- preparing special planning studies and reports; and
- monitoring development proposals outside the City.

Successor Housing Agency to the Redevelopment Agency of the City of Moorpark (Division 2420/2421)

With the dissolution of the Redevelopment Agency of the City of Moorpark (the "Redevelopment Agency") under ABx1 26, the City of Moorpark elected to become the Successor Housing Agency to the Redevelopment Agency (the "Successor Housing Agency"). This Division is responsible for completing the housing requirements of the California Community Redevelopment Law (CCRL) and SB 341 with the housing assets that exist from the former Redevelopment Agency housing division. Once these assets are depleted, any continuing housing programs and functions will be provided through the City Housing Division.

Below is a list of the properties that have been transferred from the Redevelopment Agency to the City of Moorpark acting as the Successor Housing Agency:

250 Los Angeles Avenue
782 Moorpark Avenue
798 Moorpark Avenue
81 First Street
1123 Walnut Canyon
1113 Walnut Canyon
1095 Walnut Canyon
1083 Walnut Canyon
1073 Walnut Canyon
1063 Walnut Canyon
1331 Walnut Canyon
1293 Walnut Canyon
81 Charles Street
765 Walnut Street
780 Walnut Street
450 Charles Street
460 Charles Street
484 Charles Street
112 First Street
124 First Street
SW Terminus of Millard St

City Housing (Division 2430)

The City of Moorpark provides Special Revenue funds to assist in the preservation of affordable housing for persons of low and moderate income. The City's First Time Home Buyer Program enables qualified low and moderate-income households to participate in a fair selection process to become homeowners.

The following is a list of the properties supported by Division 2430:

- 224 Charles Street
- 236 Charles Street
- 282 Los Angeles Avenue

Art in Public Places

(Division 2610)

The Art in Public Places Division was created to promote cultural arts in the City of Moorpark. In the past, the Division has supported the Moorpark Foundation for the Arts' (MFA) efforts at the High Street Arts Center (HSAC). Beginning in Fiscal Year 2015/16, the MFA no longer receives direct financial subsidy from the City for the operations of the HSAC. Currently, the division supports the Moorpark Arts Commission, and the City's public art installation projects..

Parks, Recreation and Community Services Administration (Division 7100)

The Administration Division is staffed by the Parks and Recreation Director and Administrative Assistant II and oversees the management and function of the various divisions within the Department.

The Administration Division also coordinates the activities of the Parks and Recreation Commission, Arts Commission, and Library Board. Each Commission and Board consists of five members who are appointed by the City Council to serve two-year terms. The Parks and Recreation Commission and Library Board meets monthly, and the Arts Commission meets quarterly to formulate plans and advise the City Council on matters pertinent to the City's programs, events, and park development.

Animal/Vector Control (Division 7210)

The Animal/Vector Control Division is responsible for administering the City's Animal/Vector control activities, and the City's contract with the Ventura County Animal Services (VCAS) Department for animal shelter services, and occasional after hours service, particularly in support of public safety activity. Animal Control and Vector Control are separate programs in a unified Division. The City began providing Animal Control services in October 2001, in lieu of contract leash law services by VCAS that was limited to eight hours per week. VCAS continues to provide animal shelter services, the Animal Nuisance Abatement Hearing Officer, and cat and dog licensing services as a part of the basic contract with the City. VCAS also provides certain statutory functions such as rabies suppression. Dog and cat licenses are also issued by City staff as a convenience to residents. Revenue from licenses for dogs and cats and other fees offset a portion of the cost of Ventura County Animal Regulation services.

The City assumed the responsibility for the Vector and Mosquito Abatement Program in July 1998, when the Moorpark Mosquito Abatement District (Moorpark MAD) was dissolved. The purpose of the Vector Control Program is to prevent new sources of vectors, control existing vectors, and abate their sources. The Moorpark program focuses on mosquitoes, flies and ticks. Service calls for other vectors such as rats and wasps are referred to private pest control companies. Prevention is accomplished through public education and source reduction. Surveillance is conducted to determine vector population density, to collect samples of vectors for laboratory analysis and to determine the effectiveness of control operations. Enforcement becomes necessary on rare occasions when a property owner fails to abate a vector-related nuisance. City Vector Control staff work closely with the State Department of Health Services to monitor for vector-borne disease that could affect humans such as the West Nile Virus and other forms of disease spread by mosquitoes.

Effective in January 2016, this Division transferred from the Community Development Department to the Parks, Recreation and Community Services Department.

Active Adult Center (Division 7610)

The Parks, Recreation and Community Services Department is responsible for administering and coordinating the City's Active Adult Center, which provides ongoing programs and services, as well as special activities, for individuals 55 years of age or older. The City receives a grant from the Ventura County Area Agency on Aging to provide congregate and home delivered meals that are served daily at the Active Adult Center.

The Active Adult Center is staffed by two full-time employees and one part-time employee, and a large number of volunteers to provide and/or coordinate ongoing services and activities, including the congregate and home delivered meals, free health screenings, information and referral services, dance and exercise classes, special interest classes (such as computer, arts and crafts), educational classes and health specialist presentations, monthly birthday luncheons, movie/video screenings, bingo, and drop-in-bridge. Additionally, the Center publishes a monthly newsletter featuring a calendar of events and activities.

Facilities (Division 7620)

The Parks, Recreation and Community Services Department coordinates maintenance services and rental activities for all City facilities, except those managed by the Successor Agency for the Moorpark Redevelopment Agency. Facilities that fall under this division include City Hall, the Community Center, Active Adult Center, Library, Arroyo Vista Recreation Center, Moorpark Public Services Facility, High Street Arts Center, 33 High Street, 61 High Street, Police Services Center and Ruben Castro Human Services Center. The budget for this division includes all costs associated with custodial maintenance, building repairs, and general upkeep. The City's Community Center and Arroyo Vista Recreation Center, located at 799 Moorpark Avenue and 4550 Tierra Rejada Road, respectively, are used for public meetings, special events, recreational activities and sports programs. The Community Center is the primary formal meeting place for the City Council, Planning Commission, and Parks and Recreation Commission. Arroyo Vista Recreation Center is geared primarily toward recreational activities, including classes, sports activities, and teen programs. The Community Center and Recreation Center are also available for rental by community groups for private functions. Rental rates and availability vary, depending upon the type of event planned and the space required.

Property Management(Division 7625)

The property management division is responsible for maintaining all properties owned by the City, the Successor Agency to the Redevelopment Agency of the City of Moorpark, and the Successor Housing Agency, with the exception of those properties owned by the City and accounted for in the Facilities Division budget (Division 7620).

The Redevelopment Agency of the City of Moorpark was dissolved by the enactment of ABx1 26 (the "Dissolution Act"). The City of Moorpark has elected to become the Successor Agency to the Redevelopment Agency and is responsible for winding down the Agency's affairs in accordance with the requirements of the dissolution act. One of the requirements of the dissolution act is the preparation of a Property Management Plan to be approved by the State Department of Finance ("DOF"). On July 1, 2014, the DOF approved the Successor Agency's Long Range Property Management Plan (LRPMP). In addition to continuing to maintain the properties, the property management division will be responsible for implementing the requirements of the LRPMP.

The Property Management Division is also responsible for conducting acquisitions of identified parcels or buildings within the City, that help further various City projects and/or goals. The property at 33 High Street was transferred to the facilities budget for FY 2016/17.

The properties are listed here and indicate the owner of the property, the funding source and the intended use or disposition:

Owned by Key: SA = Successor Agency, CH = City Housing, SHA = Successor Housing Agency

Recreation

(Division 7630)

The Parks, Recreation and Community Services Department is responsible for the development, implementation, and promotion of all recreation activities. Those activities fall under the Recreation Division and consist of a variety of programs including youth day camps throughout the year plus Camp Moorpark, Adventure Camp Moorpark, and specialty camps during the summer school break; youth and adult sports programs; a variety of classes in recreation, wellness, arts, and leisure; teen programs, events, and the Teen Council. The division also manages special events for the community including an Egg Hunt, Talent Show, 3rd of July Fireworks Extravaganza, Halloween and Christmas events.

The Recreation division also oversees park and facility rentals; sports tournaments; coordinates with the many youth sports organizations that participate within the City of Moorpark that use City parks and facilities; and serves as the liaison to the Moorpark/Simi Valley Neighborhoods for Learning (NFL)

The City's recreation staff and programs operate out of the Arroyo Vista Recreation Center.

Library (Division 7640)

The Moorpark City Library is a free public library that offers reference and information services; programs for pre-school, youth, teens, and adults; books and media for checkout; online databases; eBooks and eAudiobooks. In addition, the library has 16 public computers, 4 laptops, 2 homework stations, and wireless access. Printing and copying services for a fee are also available at the facility. Wireless printing is also available to patrons who can send print jobs to the library from their home, work, or device to pick up during open library hours. The library also offers online homework help services for all ages and in library tutoring during the school year.

The Moorpark City Library is open seven days per week and patrons can utilize the library website, www.moorparklibrary.org, to search the collection or check their account status twenty-four hours a day, seven days per week.

Operation of the City's Library has been contracted out to Library Systems and Services, LLC (LSSI). Moorpark City Library is a member of the Inland Library Network which provides a shared catalog of available items for loan and reciprocal borrowing with access to over 2.5 million items for Moorpark patrons. Moorpark is also a member of the Southern California Library Cooperative (SCLC), which provides member libraries a resource-sharing network and a means for enhancing the level and diversity of resources available to library users as well as interlibrary loan services.

Library operations are funded by the library allocation of property tax generated in Moorpark, state public library funds, fines, and use fees. Large expenditures and capital improvements are funded through a fee paid by new residential and commercial development to mitigate the impact of new development on the Library. This Division also coordinates the activities of the Library Board.

Park Maintenance/Improvement (Division 7800)

The Parks, Recreation and Community Services Department is responsible for maintaining the grounds, equipment, and facilities of City parks; coordinating the design and construction of park improvements; and planning future parks. The City of Moorpark currently maintains twenty (20) park sites, which includes the Serenata Trail (1.5 acres) located at Miller Parkway and Southfork Road:

Poindexter Park	7801
Community Center Park	7802
Arroyo Vista Community Park	7803
Virginia Colony Park	7804
Campus Park	7805
Campus Canyon Park	7806
College View Park	7807
Peach Hill Park	7808
Monte Vista Nature Park	7809
Mountain Meadows Park	7810
Tierra Rejada Park	7811
Country Trail Park	7812
Glenwood Park	7813
Villa Campesina Park	7814
Miller Park	7815
Magnolia Park	7816
Mammoth Highlands Park	7818
Veterans Memorial Park	7819
Walnut Acres Park	7821

Park maintenance routinely provides for the upkeep of various soccer, baseball, and multipurpose fields, basketball and volleyball courts, tennis courts, picnic pavilions and tables, play equipment, and restrooms.

In Fiscal Year 1999-2000, a property assessment was approved for the maintenance and improvement of parks. The assessment fund activities are deemed to provide special benefits to the residents of Moorpark. The City's General Fund pays for activities of general benefit.

Lighting & Landscaping Maintenance Assessment Districts (Division 7900)

The citywide Lighting and Landscaping Maintenance Assessment District was formed in Fiscal Year 1983-1984 to accommodate costs associated with street lighting, specified landscaped areas and maintenance activities of benefit to the entire City. In subsequent years, 'Zones of Benefit' were established to assess new developments for direct non-citywide landscape maintenance benefits provided by the City. Going forward, as new landscaped areas are created, the City forms new Assessment Districts to fund on-going maintenance and future replacement.

Generally, assessments are levied on the basis of special benefit received by the individual property, as determined by an assessment engineering study. The Finance Department is responsible for managing the assessment engineering contract and calculating the annual assessment levy; monitors and tracks assessment balances. The Public Works Department has responsibility for formation of districts, maintaining street lights, and storm drains. The Parks, Recreation and Community Services Department assumes responsibility for maintaining landscaped areas and flood basins within the City and beginning in Fiscal Year 2012/13, the maintenance of the following City owned 7 parcels of open space:

Parcel 1 (6.06 acres)	Country Club Equestrian Staging Area	7842
Parcels 40, 41, 42 & 45 (20.25 acres)	East of Miller Parkway	7844
Parcel 47 (4.77 acres)	Crawford Canyon	7845
Parcel 59 (14.27 acres)	East of Happy Camp Canyon Road	7847

Refer to map of City owned Open Space under Open Space Maintenance (Division 7810).

Public Works Department (Department 8100)

The Public Works Department is responsible for a number of maintenance and service programs, including street maintenance, public transit, and stormwater. The Department is also responsible for the administration and implementation of the City's Capital Improvement Program. The Department administers contracts for street repairs, street sweeping, traffic signal maintenance and other related maintenance and repairs. Department personnel perform minor street maintenance, stenciling, sign installation, roadside weed and litter abatement, graffiti abatement and fleet maintenance. The Department is also responsible for the formation and administration of the City's Maintenance Assessment Districts.

The various funding sources for Public Works activities include: General Fund, Gas Tax Fund, Highway User Tax Fund, Traffic Safety Fund, State Local Transportation Fund, and Area of Contributions (AOC) Fund. "Areas of Contribution" are established within the City as a means of financing street-related improvements and traffic signals. Developers pay into an AOC fund in direct proportion to the amount of traffic generated by projects located within the AOC.

Crossing Guards **(Division 8210)**

The Public Works Department administers and manages the Crossing Guard Program within the City. There are currently two crossing guards that help schoolchildren cross intersections at two locations: Mountain Meadows/Tierra Rejada and at Los Angeles Avenue/Moorpark Avenue. One full time employee, whose duties include crossing guard service, parking enforcement, and street maintenance, is supplemented by a part time employee who serves as crossing guard along with providing clerical assistance at City Hall within the department. This Division is funded through the Traffic Safety Fund 2000 and Crossing Guard Fund 2003.

Street Maintenance

(Division 8310)

The Street Maintenance Division is responsible for maintaining all City streets and rights-of-way and for administering related capital improvement projects. Division personnel perform minor street maintenance, stenciling, roadside litter and weed removal, storm drain maintenance and street sign installation as required to facilitate traffic flow and safety within the City. Major street repairs, street striping, street sweeping and traffic signal maintenance are contracted along with the design and construction of major street improvement projects.

The Gas Tax Fund, State Local Transportation Fund, Traffic Safety Fund, and Area of Contribution (AOC) Funds support street maintenance and improvement projects.

NPDES - Stormwater Management **(Division 8320)**

The Stormwater Management Program provides for the development, implementation and administration of a number of federally mandated programs promulgated by the National Pollutant Discharge Elimination System (NPDES). These programs are designed to reduce or eliminate pollutants entering the City's storm drain systems. The City is part of the Calleguas Creek Watershed and participates in a number of watershed-based programs. The City complies with the Regional Water Quality Control Board's stormwater permit and Total Maximum Daily Load (TMDL) requirements. City programs include public outreach, illicit discharge/illicit connection enforcement, stormwater inspections for designated businesses, water quality monitoring and litter reduction.

NPDES - STORMWATER MANAGEMENT

Parking Enforcement (Division 8330)

The Public Works Department provides a portion of the workforce allocated to the enforcement of the City's parking regulations. Parking enforcement is also provided by the City's contract Police Department. Costs accounted here relate to the processing and administration of parking citations, as well as costs related to the administration of the parking citation appeals program. Maintenance costs for the Radar Speed Display Trailer are also budgeted here.

Engineering (Division 8410)

The Engineering Division is responsible for reviewing public and private improvements for utility and land development projects for conformance with state and local requirements. The primary areas of responsibility of the Division include:

- Provide conditions of approval for land development projects
- Review and approve all Parcel and Tract maps for land divisions
- Perform grading and improvement plan check
- Issue grading and encroachment permits
- Ensure that proposed land development projects and construction sites conform to National Pollutant Discharge Elimination System requirements
- Review and approve bond estimates and improvement agreements for private land development projects
- Perform inspection services of land development and encroachment permit projects

In addition to City staff, the Division contracts with a private firm for map check, plan check, and construction inspection services for land development and utility projects. The Division contracts with an additional private firm to provide floodplain management services related to land development projects.

Costs for staff time and contractors devoted to land development and utility projects are funded through developer deposits and encroachment permit fees and are reflected in the Engineer/PW Fund (2620). The General Fund is utilized for a few annual expenses such as memberships and dues and conferences. The General Fund is also used to subsidize Engineering staff costs when staff time is not attributable to developer or utility projects.

Public Transit (Division 8510)

The Public Transit Division is responsible for administering the City's local transportation programs. The City has five transit programs:

- Moorpark Transit - The local fixed route bus for general transportation. Currently, there are two bus route services, which operate Monday through Friday, from 5:00 a.m. to 8:00 p.m. and Saturday, from 8:00 a.m. to 5:00 p.m.
- ADA Paratransit – Local (Intra-City) ADA (Americans with Disabilities Act) Paratransit and Inter-City Paratransit (travel to other cities) for persons with disabilities who are certified by City and VCTC to use the system. Intra-City service is provided Monday through Friday, from 5:00 a.m. to 8:00 p.m. and on the weekend from 8:00 a.m. to 5:00 p.m. Inter-City service is provided Monday through Friday, from 6:00 a.m. to 6:00 p.m. and on the weekend, from 8:00 a.m. to 5:00 p.m.
- Senior Dial-A-Ride – Local (Intra-City) and Inter-City (travel to other cities) Dial-A-Ride service for seniors aged 65 and over. The Senior Dial-A-Ride uses the same van service as the ADA service, and is available the same weekday hours as the City bus, 5:00 a.m. to 8:00 p.m., Monday through Friday. Weekend service is also provided 8:00 a.m. to 5:00 p.m., locally.
- VCTC East County - An Inter-City express bus, VCTC East County connects Moorpark, Moorpark College, Simi Valley and Thousand Oaks. It meets other VCTC Intercity routes, linking all Ventura County cities, the Warner Center in Canoga Park, CSUCI and Santa Barbara. Beginning in FY 2013/14, the Ventura County Transportation Commission (VCTC) assumed full funding responsibility for the East County route. City staff works with VCTC staff to provide assistance with VCTC bus stop updates, a free transfer program, and schedule coordination.
- Metrolink - The Ventura County Line of the regional commuter rail service goes from Montalvo Station in the City of San Buenaventura to Union Station in downtown Los Angeles. This Division provides some maintenance at the Moorpark Metrolink Station and interacts with Amtrak and Metrolink.

The City began financing bus service in January, 1989 with the Transportation Development Act (TDA) Article 8c funds. TDA continues to fund the public transit programs except when other funding sources such as grants are available. In FY 2004/05, Federal Transit Administration (FTA) Urbanized Area funding began supplementing certain eligible capital projects. In FY 2010/11, the City began using Traffic Systems Management Fund (2001) for operation of the City's compressed natural gas vehicles. In FY 2013/14, the City began using Congestion Mitigation and Air Quality (CMAQ) funding for a three-year demonstration service for the City's fixed route and Dial-A-Ride extended hour and weekend services.

Fiscal Year 2016/17

Street Lighting (Division 8900)

The citywide Lighting & Landscaping Maintenance Assessment District was formed in Fiscal Year 1983-1984 to fund costs pertaining to citywide street lighting and landscape maintenance activities of benefit to the entire City, including the maintenance of specified landscaped areas funded by assessments levied upon properties within certain designated areas. Later, other landscaped areas were added to the Assessment Districts. Generally, assessments are levied on the basis of benefit received by the individual property, as determined by an assessment engineering study prepared each year.

The Public Works Department; Finance Department; and Parks, Recreation and Community Services Department are responsible for (1) administering the annual assessment renewal process, (2) managing the assessment engineering contract, (3) overseeing streetlight maintenance, (4) maintaining all landscape and irrigation within the various Assessment Districts, and (5) maintaining certain debris basins funded by District assessments. Costs related to citywide street lighting efforts are accumulated here. Landscape maintenance costs are accumulated in Division 7900 of the Parks, Recreation and Community Services Department. Debris basin maintenance costs are accumulated in Division 8320 of the Public Works Department.

Public Safety (Department 9200)

The City Manager administers the City's contract with the Ventura County Sheriff's Office for law enforcement services, including patrol, traffic, investigative, and crime prevention services. The Police Department, through the efforts of the Sheriff's Office, is responsible for law enforcement services within the City, as well as the protection of all residents, schools, and businesses through the deterrence and prevention of crime, the apprehension of offenders, and public education promoting self-protective measures that limit victimization. The Police Department also coordinates all police volunteers and volunteer programs through the Police Services Center located at 610 Spring Road.

**MOORPARK CITY COUNCIL
AGENDA REPORT**

TO: Honorable City Council

FROM: Steven Kueny, City Manager 

DATE: June 6, 2016 (City Council Meeting of June 15, 2016)

SUBJECT: Consider Resolution Adopting the Operating and Capital Improvement Budget for the City of Moorpark for the Fiscal Year 2016/2017.

SUMMARY

On May 13, 2016, the City Manager presented to the City Council the recommended Operating and Capital Improvement Budget for Fiscal Year (FY) 2016/2017. The Council held a public meeting to discuss the budget on May 25, 2016. Based on this meeting, Council directed staff to make several changes to the recommended budget and to present the budget for formal approval on June 15, 2016. After further analysis of the May 25 action and current information, staff has included other adjustments for Council consideration and action. The General Fund is balanced using the FY 2015/16 prior year surplus.

DISCUSSION

On May 13, 2015, the City Manager presented to City Council the Operating and Capital Improvement Budget for the City of Moorpark. The proposed Budget as submitted to the City Council had a projected General Fund deficit of \$333,210. As discussed below, the recommendations for balancing the FY 2016/17 General Fund (GF) budget include use of the FY 2015/16 GF projected surplus of \$427,300.

Changes to the proposed budget are as follows. Add \$20,000 for part-time employee costs in the Administrative Services Department. Increase of \$10,000 to fund approximately 120 hours of overtime services for truck route enforcement. Increase of \$10,000 for vehicle charges and mileage costs for a pickup truck for a second sheriff cadet. The truck will also be used to assist in commercial vehicle enforcement. Reduce by \$45,000 for security camera replacement at the Police Services Center. The City will purchase the cameras in FY 2015/16. Reduce by \$150,000 the AVRC kitchen remodel. The remodel is scheduled to occur in FY 2017/18. In addition, staff included

modifications to personnel costs, to account for potential salary and benefit changes in the event such are negotiated. The revised General Fund deficit is \$259,637 which is completely funded by the FY 2015/16 surplus.

If the City Council concurs with the changes to the City Manager's recommended budget as noted in this staff report, staff recommends that the City Council adopt the attached resolution. The final budget document with the referenced changes will be provided to the City Council under separate cover as well as made available to the public on the City's website, at City Hall and the Moorpark Library by early July 2016.

Successor Agency to the Redevelopment Agency of the City of Moorpark

The budget approval is being performed for City internal governance purposes and the approval of the Recognized Obligation Payment Schedule (ROPS) by the Oversight Board on February 16, 2016 and the State of California Department of Finance's (DOF) allowance of costs in the ROPS defined the parameters of the Successor Agency administrative and operating budget for the period of the ROPS. As previously explained, the annual budget may be modified should the ROPS for the second half of the fiscal year include substantial departures from the approved first-half ROPS.

STAFF RECOMMENDATION (ROLL CALL VOTE REQUIRED)

Adopt Resolution No. 2016-_____.

Attachment: Resolution No. 2016-_____.

RESOLUTION NO. 2016-3516

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MOORPARK, CALIFORNIA, ADOPTING THE OPERATING AND CAPITAL IMPROVEMENT BUDGET FOR THE CITY OF MOORPARK FOR THE FISCAL YEAR 2016/2017

WHEREAS, on May 13, 2016, the City Manager's Recommended Budget for Fiscal Year 2015/2016 was submitted to the City Council for its review and consideration; and

WHEREAS, the City Council has provided the opportunity for public comment at a public meeting held on May 25, 2016, and conducted detailed review of expenditure proposals; and

WHEREAS, as the result of the reviews and analysis, expenditure proposals and revenue projections have been modified as needed.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MOORPARK DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. The Operating and Capital Improvement Budget for Fiscal Year 2016/2017 (beginning July 1, 2016) for the City of Moorpark containing operating and capital expenditures and anticipated revenues as identified in Exhibit "A" to this resolution attached hereto and incorporated herein, shall be adopted as the City of Moorpark's Operating and Capital Improvement Budget for Fiscal Year 2016/2017.

SECTION 2. The City Manager is authorized to amend the capital improvement budget for Fiscal Year 2016/2017 at the conclusion of Fiscal Year 2015/2016 when a final accounting of project costs during the Fiscal Year 2015/2016 is complete and continuing appropriations are determined as long as the total project appropriation authorized by the City Council is not exceeded.

SECTION 3. The City Manager is authorized to approve appropriation transfers within departments and within individual funds as required to provide efficient and economical services, as long as the total department appropriation and fund appropriation authorized by the City Council is not exceeded.

SECTION 4. Except as otherwise provided in this resolution, amendments to the appropriations in Fiscal Year 2016/2017 Operating and Capital Improvement Budget shall require Council action by resolution.

SECTION 5. The City Manager is authorized to make such emergency appropriations as may be necessary to address emergency needs of the City, provided that the appropriation is presented to the City Council at its next regular meeting for ratification.

SECTION 6. The budget approval is being done for City internal governance purposes and the approval of the Recognized Obligation Payment Schedule (ROPS) by the Oversight Board on February 16, 2016 and the State of California Department of Finance's (DOF) allowance of costs in the ROPS defined the parameters of the Successor Agency administrative and operating budget for the period of the ROPS. The Successor Agency understands that the annual budget may be modified should the ROPS be amended.

SECTION 7. The City Clerk shall certify to the adoption of this resolution and shall cause a certified resolution to be filed in the book of original resolutions.

PASSED AND ADOPTED this 15th day of June, 2016.

Janice S. Parvin, Mayor

ITEM 10.C.

MOORPARK CITY COUNCIL AGENDA REPORT

TO: Honorable City Council

FROM: Ron Ahlers, Finance Director *RA*

BY: Irmina Lumbad, Deputy Finance Director *IL*

DATE: June 2, 2016 (Council Meeting of June 15, 2016)

SUBJECT: Consider Resolution Establishing the Appropriation Limitation for Fiscal Year 2016/2017 for the City of Moorpark at \$35,720,629

BACKGROUND

Proposition 4, sometimes referred to as the "Gann Limit", was approved by the voters of California on the November 1979 special ballot election. This Proposition created Article XIII B of the State Constitution which sets forth the calculation of the State and local jurisdictions' annual appropriations limit or the "ceiling" on monies that can be spent from tax revenues. Each year, it requires the governing body of the local agency to establish the limit, by resolution, before the beginning of the following fiscal year.

Initially, the appropriations limit was annually adjusted by the population growth of each local agency and the lesser of the change in cost-of-living or the change in California per capital personal income from the preceding year. Proposition 111 adopted in June 1990, allowed major adjustments to the methodology. Local agencies may select the higher of percentage change in population within the City, or County; and the higher of rate of change in California per capita personal income from preceding year, or the rate of change in the local assessment valuation due to additional non-residential new construction from the preceding year.

DISCUSSION

On May 1, 2016 the California State Department of Finance notified the local jurisdictions of the population and price data for use in the appropriations limit calculation for Fiscal Year (FY) 2016/2017. Based on this letter, the percentage change in population for the City of Moorpark is 1.81%, while the Ventura County percentage change is 0.70%. The preceding year's percentage change in cost-of-living factor per capita personal income is 5.37%. Information regarding the change in local assessment valuation in non-residential due to new construction of 1.28% was provided by the City's property tax consultants, HDL Coren & Cone.

The City selected to use the percentage change in population for the City of Moorpark (1.81%) and the percentage change in per capital personal income (5.37%) in adjusting the prior year's appropriations limit of \$33,297,504. Accordingly, the City of Moorpark's limitation for FY 2016/2017 is \$35,720,629. Per the Recommended Budget for FY 2016/2017, the appropriation subject to limit is \$15,737,652. This brings us \$19,982,977 or 55.94% under the limit.

FISCAL IMPACT

None.

STAFF RECOMMENDATION (ROLL CALL VOTE REQUIRED)

Adopt Resolution No. 2016 - ____.

Attachments: A. Resolution No. 2016 - ____
 B. Appropriation Limit Calculation

RESOLUTION NO. 2016-3518

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
MOORPARK, CALIFORNIA, ESTABLISHING THE CITY'S
APPROPRIATION LIMITATION FOR FISCAL YEAR
2016/2017

WHEREAS, Article XIII B of the State Constitution limits annual appropriations from proceeds of tax revenues for state and local governments; and

WHEREAS, Government Code Section 7910 requires that a city establish its annual appropriations limitation by resolution at a public meeting of the legislative body; and

WHEREAS, the Fiscal Year 2016/2017 appropriations limitation has been calculated in accordance with the State Constitution and applicable sections of the Government Code by adjusting the Fiscal Year 2015/2016 appropriations limit of \$33,297,504 by the percentage change in the City of Moorpark's population of 1.81% and the percentage change of cost-of-living factor based on the per capita personal income of 5.37% as determined by the State of California, Department of Finance.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MOORPARK DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. The appropriations limitation for the City of Moorpark for Fiscal Year 2016/2017 is hereby determined to be \$35,720,629.

SECTION 2. The City Clerk shall certify to the adoption of this resolution and shall cause a certified resolution to be filed in the book of original Resolutions.

PASSED AND ADOPTED this 15th day of June, 2016.

CITY OF MOORPARK
Appropriation Limit Calculation

Article XIIB of the California State Constitution, commonly referred to as the Gann Initiative or Gann Appropriations Limit, was adopted by California voters in 1979 and placed limits on the amount of proceeds of taxes that State and local agencies can appropriate and spend each fiscal year.

The limit is different for every agency and changes each year. The annual limit is based on the amount of tax proceeds that were authorized to be spent in Fiscal Year (FY) 1978/1979, modified for changes in inflation and population. Inflationary adjustments are based on increases in the California per capita income or the increase in non-residential assessed valuation due to new construction. An adjustment is also made based on changes in Moorpark's population or County population.

At incorporation in FY 1983/1984, the Local Agency Formation Commission (LAFCO) determined that the initial appropriation limit for the city was \$900,000. The limit was annually adjusted as prescribed by law. However by FY 1988/1989, it became evident that the appropriation limit was set too low and the City has more revenues that could fund certain levels of service and/or capital improvement projects. An increase in Gann Limit may be achieved by simple majority vote by the voters. Thus on June 7, 1988, the voters approved Measure "C" which increased the City's appropriation limit for the four year period beginning FY 1986/1987 through FY 1989/1990 by the amount of proceeds of taxed collected in excess of said limit for each year mentioned.

Subsequently in June 1993, the City reviewed the original incorporation study and found that the LAFCO's assumptions of revenues, which were the basis for setting the initial appropriation limit of \$900,000, were erroneous. A public hearing was held to gather information and testimony regarding the correction of the initial limit. By Resolution No. 93-953, the FY 1983/1984 appropriation limit was corrected based on actual revenues of the City from \$900,000 to \$2,400,000. The City Council subsequently authorized the filing of a validation action with the Superior Court. On November 22, 1994 (Case No. CIV 147270) the Superior Court of the State of California for the County of Ventura set the City's appropriation limit at \$2,400,000. The subsequent years' appropriation limits were adjusted accordingly.

For FY 2016/2017, the estimated tax proceeds appropriated by the Moorpark City Council are under the limit. The adjusted Appropriation Limit for FY 2016/2017 is \$35,720,629. This is the maximum amount of tax proceeds the City is able to appropriate and spend in FY 2016/2017. The appropriations subject to the limit is \$15,737,652 leaving the City with an appropriations capacity under the limit of \$19,982,977.

Section 7910 of the State Government Code requires the governing body to annually adopt, by resolution, an Appropriations Limit for the upcoming fiscal year.

HISTORY OF LIMIT CALCULATION						
Fiscal Year	Population City/County		Price or Non-Residential New Construction		Growth Factor	Appropriation Limit

**MOORPARK CITY COUNCIL
AGENDA REPORT**

TO: Honorable City Council

FROM: Steven Kueny, City Manager 

DATE: May 6, 2016 (CC Meeting of May 18, 2016)

SUBJECT: Consider Mission Statement, Priorities, Goals and Objectives for Fiscal Year 2015/2016 and Fiscal Year 2016/2017

BACKGROUND

The City Council has historically formally considered the proposed objectives in May prior to review of the proposed Budget for the subsequent fiscal year. On May 20, 2015, the Council approved the Mission Statement, Priorities, Goals and Objectives for Fiscal Year 2015/2016 and Fiscal Year 2016/2017 and directed a formal review occur only in odd numbered years (next review will be May 2017). The document will not be revised, and no objectives are supposed to be added until the next formal review.

Consistent with past practice, the Council considered a Status Report on this matter on February 3, 2016; and on April 27, 2016, Council met with the Library Board, Arts Commission, Parks and Recreation Commission, and Planning Commission to discuss current and potential objectives.

The document now has the objectives for each goal grouped by the Department that has primary responsibility for the objective. As you know, some of the objectives have been reassigned to another Department as part of a reorganization of assignments and this will be addressed when the document is formally updated in May 2017.

DISCUSSION

With 122 objectives as well as routine and recurring work, occasional emergencies and need to address unforeseen items, and reduced staff, only a relatively small number of objectives are actually accomplished each year. Attachment A is a list of items expected to be completed by June 30, 2016. Attachment B is a list of items that staff expects to complete or substantially complete by June 30, 2017. This list does not include expansion of the North Metrolink parking lot, which was inadvertently left off the list of objectives. Attachment C is the document as approved by the Council on May 20, 2015, including the list of "Potential Objectives."

City Council Agenda Report

Re: Mission Statement, Priorities, Goals and Objectives for FY 2015/16 & FY 2016/17
May 6, 2016 (CC Meeting of May 18, 2016)

Page 2

As stated above, staff works on a number of items not considered objectives and may work on lower priority objectives because of unanticipated events or opportunities, such as a grant proposal, the community pool, or land use projects by other jurisdictions that have impacts on the city. Another example in Fiscal Year 2015/2016 was a proposed second dog park. While it was related to *Goal IV.A., Objective 29, as follows:*

“Evaluate feasibility for greater use of Country Trail Park by youth sports teams and other potential uses including but not limited to disc golf, BMX or free-style bicycle track, or dog park, including construction of a restroom facility,”

it took considerable staff effort to research and evaluate this option and the related ADA concerns, which were not considered when the objective was conceived.

At the April 27, 2016, joint meeting with the Parks and Recreation Commission, two items staff is working on but not yet formally taken to the Commission are:

1. Red curb along Mountain Trail Court adjacent to Mountain Meadows Park; and
2. Pickle Ball court(s).

Staff will continue to work on these matters. Another matter staff is beginning to work on that is not an objective is to evaluate possible revisions to the Park Improvement Fund zones. There was a recent change to State law that warrants evaluation of how the City may designate use of the fees in lieu of park land dedication. This may allow the City to use some of these funds for parks in areas with little or no development or potential park fees.

STAFF RECOMMENDATION

Receive and file the report.

CITY OF MOORPARK

Mission Statement, Priorities, Goals, and Objectives

FY 2015/2016 and FY 2016/2017

(Approved by City Council 5-20-15)

CITY OF MOORPARK
Mission Statement, Priorities, Goals, and Objectives
For FY 2015/2016 and FY 2016/2017

CITY MISSION STATEMENT

Striving to preserve and improve the quality of life in Moorpark.

TOP TEN (10) PRIORITIES

(The listed items are considered to have equal priority.)

- Improve City's watershed protection and flood control capabilities. (V.A.4., 6. & 7.; V.C.1.)
- Comprehensive update of General Plan Land Use and Circulation Elements, and then update the OSCAR Element to insure internal consistency among all elements of the General Plan. (V.A.10. & 12.)
- Widen Los Angeles Avenue (SR 118) to six travel lanes from Tierra Rejada Road to SR 23 Freeway with a raised median and bus turnouts, and improve Princeton Avenue from Condor Drive west to 1500 feet east of Spring Road. (II.A.1.a), b), c), & d); II.A.2.; II.B.4.; II.C.3.)
- Construct a permanent truck scale facility west of the City. (II.C.1.)
- Widening of Moorpark Avenue/Walnut Canyon Road from Los Angeles Avenue (SR 118) to north City limits and prepare plans for an alternate route for north/south truck traffic through the City. (II.A.3. & 10.; II.B.1., 2. & 3.; II.C.4.)
- Facilitate new commercial development on High Street. Develop and implement program to encourage new multi and single family housing on underutilized sites within the Downtown Specific Plan area and increase the number of affordable housing units. (I.A.1., 2., 3., 5.; I.C.2. & 3.)
- Increase City's General Fund revenue through enhancement of existing revenue sources including business attraction and retention programs and establishment of additional revenue sources. (III.A.1. & 2.)
- Enhance open space and greenbelt areas, continue efforts to establish a trail system along the Arroyo Simi, and work with other public agencies to develop a comprehensive Arroyo Simi Management Plan that incorporates flood control, habitat preservation/restoration, and recreation components. (II.B.8; III.A.2.; V.A.10. & 29.; V.B.2. & 4.)
- Promote sustainability and environmental protection in City programs and facilities and inform residents, business owners, developers and contractors about best practices and opportunities for recycling, reuse, water quality, green construction techniques, water and energy conservation, and other sustainability efforts. (IV.A.8., 19., 27. & 30.; IV.B.2., V.A.4., 10., 23., & 30.)
- Construct new City Hall and Library. (IV.A.13. & 26.)

DEPARTMENTAL GOALS AND OBJECTIVES

The abbreviation used after each objective indicates which department has responsibility for it. If more than one abbreviation is used, the first one shown has primary responsibility for that objective. The abbreviations and corresponding departments used are as follows:

(AS)	Administrative Services
(CA)	City Attorney
(CE/PW)	City Engineer/Public Works
(CM)	City Manager
(CD)	Community Development
(F)	Finance
(PRCS)	Parks, Recreation and Community Services
(PD)	Police Department

** Denotes those objectives related to an identified Top Ten Priority.

The notations in the left margin indicate whether funding for an objective is included in the budget, as follows:

F	Funded
NF	Not Funded
SE	Staff Effort (Staff effort only without need for additional funding)

List of current objectives that will be completed by 6/30/16 follows:

II. Improve traffic circulation and mitigate impacts on the movement of traffic through the City and enhance trail, bicycle and pedestrian facilities.

A. 0 to 2 Years

CITY ENGINEER/PUBLIC WORKS (CE/PW)

- F 8. Assist Southern California Regional Rail Authority (SCRRA) to obtain a Caltrans permit and construct improvements to Moorpark Avenue (SR 23) between Poindexter Avenue and High Street including a raised median, traffic signal modification, and concrete sidewalks to accommodate railroad crossing safety improvements by June 30, 2016. (CE/PW)

IV. Enhance the delivery of services and expand program efficiencies.

A. 0 to 2 Years

PARKS, RECREATION AND COMMUNITY SERVICES (PRCS)

- SE 29. Evaluate feasibility for greater use of Country Trail Park by youth sports teams and other potential uses including but not limited to disc golf, BMX or free-style bicycle track, or dog park, including construction of a restroom facility. (PRCS & CM)
- SE** 30. Develop a Water Conservation Policy and Implementation Plan to meet mandatory water use restrictions for parks, facilities, and City administered maintenance districts to include turf reduction, changes to the Landscape Design Standards and Guidelines to assist private efforts, and funding recommendations for City activities by September 30, 2015. (PRCS)

V. Reinforce and enhance Moorpark's safe and attractive community character, safeguard its desirable resources and promote community involvement and awareness, and sustainable and Healthy City activities.

A. 0 to 2 Years

COMMUNITY DEVELOPMENT (CD)

- F** 12. Prepare a commercial demand study and submit to City Council by December 31, 2015. (CD & CM)

PARKS, RECREATION AND COMMUNITY SERVICES (PRCS)

- NF** 30. Develop design plan to refurbish median landscaping and hardscape on Tierra Rejada Road from Spring Road to Los Angeles Avenue, Campus Park Drive from Princeton Avenue to Collins Drive, and Princeton Avenue from Condor Drive to Campus Park Drive including cost estimates, financing, phasing and water conservation measures by December 31, 2015. (PRCS & CE/PW)

** Denotes those objectives related to an identified Top Ten Priority.

The notations in the left margin indicate whether funding for an objective is included in the budget, as follows:

F	Funded
NF	Not Funded
SE	Staff Effort (Staff effort only without need for additional funding)

List of current objectives that will be completed or have substantial progress in FY 2016/17 follows:

I. Revitalize downtown Moorpark with a focus on High Street and the surrounding business district and residential neighborhoods, which includes consideration of public rail transit, potential for increased residential density, and governmental and related public uses.

A. 0 to 2 Years

CITY MANAGER (CM)

SE** 1. Develop high density residential project for Successor Housing Agency owned property at Moorpark Avenue and Everett Street by June 30, 2017.
(CM & CD)

COMMUNITY DEVELOPMENT (CD)

- SE** 3. Evaluate a potential mixed use (residential/commercial) zone within the Downtown Specific Plan area. (CD)
- SE 4. Develop Spending Plan for use of former Moorpark Redevelopment Agency 2006 Tax Allocation Bonds for presentation to City Council by December 31, 2015. (CD, CM, F, CE/PW & PRCS)

C. 5+ Years

COMMUNITY DEVELOPMENT (CD)

- NF** 3. Develop phasing plan and construct selected portions of the High Street Streetscape Plan. (CD, CE/PW & PRCS)

II. Improve traffic circulation and mitigate impacts on the movement of traffic through the City and enhance trail, bicycle and pedestrian facilities.

A. 0 to 2 Years

CITY ENGINEER/PUBLIC WORKS (CE/PW)

- ** 1. Work with Caltrans to complete a number of projects including: (CE/PW)
 - F** a) Obtain Caltrans approval for phased construction of a raised median on Los Angeles Avenue from west city limits to SR 23 Freeway.
 - F** c) Widen south side of Los Angeles Avenue between Maureen Lane and Shasta Avenue by December 31, 2015.
 - F** d) Complete design and acquire right-of-way to widen Los Angeles Avenue between Spring Road and Moorpark Avenue.
 - F e) Complete design and construct traffic signal for eastbound SR 118 ramp and Collins Drive.
- F** 2. Acquire right-of-way, prepare design and commence construction of Princeton Avenue widening from Condor Drive west to 1,500 feet east of Spring Road by June 30, 2016. (CE/PW)
- F 4. Determine feasibility of constructing a sidewalk on Arroyo Drive from Collins Drive to east City limits, and in conjunction with City of Simi Valley and County of Ventura, pedestrian and bike connections between Collins Drive and Madera Road by December 31, 2015. (CE/PW)

- SE 6. Evaluate options to provide a continuous Class II bike lane on Campus Park Drive between Princeton Avenue and Beragan Street. (CE/PW)
- F 7. Complete the right-of-way acquisition needed for the east side Spring Road widening project from south of Flinn Avenue to a point south of Los Angeles Avenue and then proceed with project construction by December 31, 2016. (CE/PW)
- NF 9. Prepare a Traffic Study of the Los Angeles Avenue (SR 118) corridor to determine ultimate locations for traffic signals and other improvements to optimize traffic flow and minimize impacts on adjacent residential streets. (CE/PW, CD & CM)

B. 2 to 5 Years

CITY ENGINEER/PUBLIC WORKS (CE/PW)

- SE** 1. Coordinate developer efforts to construct improvements to Walnut Canyon Road (SR 23) between Casey Road and Meridian Hills Drive and to provide lane widening, paved shoulders, sidewalks, and striped median by June 30, 2016. (CE/PW)

III. Strengthen the City's fiscal stability and long-range financial growth.

A. 0 to 2 Years

CITY MANAGER (CM)

- SE** 1. Evaluate options and strategies for enhancement of General Fund revenue including but not limited to potential tax measures for sales, business license, oil extraction and utility users; mail ballot for increase in assessments for parks, street lighting and landscaping; and community outreach. (CM & F)

COMMUNITY DEVELOPMENT (CD)

- SE 4. Evaluate options to have animal control services be self-supporting from licenses, fines and fees and modifications to services and service providers with a report to City Council by March 31, 2016. (CD, F & CM)

PARKS, RECREATION AND COMMUNITY SERVICES (PRCS)

- SE 5. In conjunction with Ventura County and affected property owners, develop a plan to reduce maintenance costs for the Home Acres Buffer. (PRCS, CE/PW, CM & CA)

IV. Enhance the delivery of services and expand program efficiencies.

A. 0 to 2 Years

ADMINISTRATIVE SERVICES (AS)

- NF 1. Complete initial phase of a unified filing system for all City files, consisting of a complete listing of all departmental files, and an updated electronic records retention schedule that conforms to federal and state law by June 30, 2016. (AS)
- SE 2. Develop plan to expand City's GIS information layers, including estimated cost to create the data base and layer(s) by June 30, 2016. (AS, CE/PW, CD, CM & PRCS)

CITY ENGINEER/PUBLIC WORKS (CE/PW)

- F 5. Complete construction of second access to south Metrolink parking lot from First Street by June 30, 2016. (CE/PW & CD)
- F 9. Prepare an updated Pavement Management System and associated projections for maintenance and improvement costs by March 31, 2016. (CE/PW)
- SE 10. Update City's Engineering Policies and Standards by December 31, 2015. (CE/PW & AS)
- SE 12. Complete preparation of Solid Waste Franchise Agreements for presentation to the City Council by October 31, 2015. (CE/PW, AS, CM & CA)

COMMUNITY DEVELOPMENT (CD)

- F** 13. Develop conceptual design proposal and process Civic Center Master Plan including EIR for new City Hall, council chambers, and other government offices and Library by June 30, 2016. (CD, PRCS, & CM)
- SE 14. Adopt City Film Ordinance by December 31, 2015. (CD, CE/PW & CM)

FINANCE (F)

- SE 15. Evaluate existing financial policies and procedures and consolidate them as part of City Council Policies Resolution by January 31, 2016. (F & CM)
- F 16. Upgrade financial software by January 31, 2016, and subsequent integration of on-line permitting and code compliance reporting by December 31, 2016. (F, AS, CD)

PARKS, RECREATION AND COMMUNITY SERVICES (PRCS)

- SE 18. Prepare a Parks/Facilities Capital Improvement Program for presentation to City Council by June 30, 2016. (PRCS)
- F** 19. Install the second phase of a centralized irrigation system for City facilities, parks and landscape maintenance districts by September 30, 2015. (PRCS)
- SE 20. Consider alternatives to better utilize the roller hockey court at Arroyo Vista Community Park as a multi-purpose court by November 30, 2015. (PRCS)
- F 25. Construct ADA compliant pedestrian access from Moorpark Avenue to all buildings at City's Community Center and improve the bus stop by December 31, 2015. (PRCS & CE/PW)
- F** 26. Present a report to the City Council on feasibility of retaining the current library building and expanding it at its current location by March 31, 2016. (PRCS & CM)
- NF 28. Install a disc golf course at a city park. (PRCS)
- SE 31. Determine if the two existing electronic message signs should be refurbished and if additional signs should be installed with a report to City Council by March 31, 2016. (PRCS & AS)
- SE 32. Evaluate feasibility of adding office space at Arroyo Vista Recreation Center. (PRCS)
- NF 34. Expand east parking lot (Lot D) at Arroyo Vista Community Park. (PRCS)

B. 2 to 5 Years

CITY ENGINEER/PUBLIC WORKS (CE/PW)

- SE** 2. Determine feasibility of purchasing existing City street lights and converting them to a more energy efficient lighting source. (CE/PW & F)

PARKS, RECREATION AND COMMUNITY SERVICES (PRCS)

- SE 4. Consider options for funding construction and maintenance of a community aquatic facility. (PRCS)
- NF 5. Purchase and install electrical generators to serve the Active Adult Center, Arroyo Vista Recreation Center offices, and the Moorpark Public Services Facility. (PRCS)

V. Reinforce and enhance Moorpark's safe and attractive community character, safeguard its desirable resources and promote community involvement and awareness, and sustainable and Healthy City activities.

A. 0 to 2 Years

ADMINISTRATIVE SERVICES (AS)

- SE 1. Plan and conduct an emergency response exercise with a focus on City staff implementation of the City's Emergency Operations Plan by March 31, 2016. (AS & PD)

CITY ENGINEER/PUBLIC WORKS (CE/PW)

- F 5. Underground existing electrical lines on north side of Los Angeles Avenue in the vicinity of the Arroyo Simi Bridge by June 30, 2016. (CE/PW)

CITY MANAGER (CM)

- F 9. Acquire property and easements for open space purposes to meet City's obligation as part of Sustainability Fee Memorandum of Understanding with County of Ventura by September 30, 2017. (CM & PRCS)

COMMUNITY DEVELOPMENT (CD)

- F** 10. Prepare a comprehensive update of Land Use, OSCAR, and Circulation Elements including environmental documentation and insure internal consistency among all General Plan Elements. Consider creation of a Natural Open Space land use designation and the city's vision for land within the City's Area of Interest as part of the Land Use Element. Present Land Use and Circulation Elements including possible designation of Moorpark Avenue (SR 23) between Casey Road and Los Angeles Avenue (SR 118) as an arterial street to the City Council by March 31, 2016. Present OSCAR Element including a Trails Master Plan

to City Council by December 31, 2016. Upon adoption of any General Plan Amendments, prepare necessary changes to the Zoning Ordinance to insure conformity and consistency with the General Plan. (CD, PRCS & CE/PW)

- F 13. Dispose of applicable former Moorpark Redevelopment Agency owned properties by June 30, 2016. (CD, CM, & F)
- SE 14. Consider ordinance to update smoking restrictions in public places, including electronic cigarette use, and in multi-family residential units by March 31, 2016. (CD & AS)
- SE 15. Consider Zoning Ordinance Amendment to regulate sales of tobacco products including electronic cigarettes. (CD & AS)
- SE 16. Evaluate potential impacts of projects under jurisdiction of other public agencies including Moorpark Desalter Project, Broad Beach Geological Hazards Abatement District, and extensions of quarry operations, and make recommendations for possible City Council action. (CD, CM & CE/PW)

PARKS, RECREATION AND COMMUNITY SERVICES (PRCS)

- F 20. Consider item of public art for Police Services Center by September 30, 2015, and select next location for public art by December 31, 2015. (PRCS)
- SE 24. Evaluate feasibility of expanding security camera systems to additional locations. (PRCS, AS, CM & PD)
- SE 25. Evaluate options for partial development, sale or continued lease of Buttercreek Park by June 30, 2016. (PRCS & CM)
- F 27. Upon formal approval of grant funding, complete design and construct multi-use trail and road widening and install outdoor exercise equipment at Arroyo Vista Community Park (AVCP) by June 30, 2016. (PRCS)
- SE** 29. Develop options for use of 80-acre City owned open space parcel in the Tierra Rejada Valley for consideration by the City Council by June 30, 2016, and develop a Joint Powers Authority with the Mountains Recreation and Conservation Authority (MRCA) to manage the property. (PRCS & CM)

C. 5+ Years

CITY ENGINEER/PUBLIC WORKS (CE/PW)

- NF** 1. Prepare design for extension of Fremont drain north of Los Angeles Avenue. (CE/PW)

M \\CITYMGR\Goals and Objectives Attachment B to Agenda Rpt for 2016 0518.doc

CITY OF MOORPARK

Mission Statement, Priorities, Goals, and Objectives

FY 2015/2016 and FY 2016/2017

(Approved by City Council 5-20-15)

CITY OF MOORPARK
Mission Statement, Priorities, Goals, and Objectives
For FY 2015/2016 and FY 2016/2017

CITY MISSION STATEMENT

Striving to preserve and improve the quality of life in Moorpark.

TOP TEN (10) PRIORITIES

(The listed items are considered to have equal priority.)

- Improve City's watershed protection and flood control capabilities. (V.A.4., 6. & 7.; V.C.1.)
- Comprehensive update of General Plan Land Use and Circulation Elements, and then update the OSCAR Element to insure internal consistency among all elements of the General Plan. (V.A.10. & 12.)
- Widen Los Angeles Avenue (SR 118) to six travel lanes from Tierra Rejada Road to SR 23 Freeway with a raised median and bus turnouts, and improve Princeton Avenue from Condor Drive west to 1500 feet east of Spring Road. (II.A.1.a), b), c), & d); II.A.2.; II.B.4.; II.C.3.)
- Construct a permanent truck scale facility west of the City. (II.C.1.)
- Widening of Moorpark Avenue/Walnut Canyon Road from Los Angeles Avenue (SR 118) to north City limits and prepare plans for an alternate route for north/south truck traffic through the City. (II.A.3. & 10.; II.B.1., 2. & 3.; II.C.4.)
- Facilitate new commercial development on High Street. Develop and implement program to encourage new multi and single family housing on underutilized sites within the Downtown Specific Plan area and increase the number of affordable housing units. (I.A.1., 2., 3., 5.; I.C.2. & 3.)
- Increase City's General Fund revenue through enhancement of existing revenue sources including business attraction and retention programs and establishment of additional revenue sources. (III.A.1. & 2.)
- Enhance open space and greenbelt areas, continue efforts to establish a trail system along the Arroyo Simi, and work with other public agencies to develop a comprehensive Arroyo Simi Management Plan that incorporates flood control, habitat preservation/restoration, and recreation components. (II.B.8; III.A.2.; V.A.10. & 29.; V.B.2. & 4.)
- Promote sustainability and environmental protection in City programs and facilities and inform residents, business owners, developers and contractors about best practices and opportunities for recycling, reuse, water quality, green construction techniques, water and energy conservation, and other sustainability efforts. (IV.A.8., 19., 27. & 30.; IV.B.2., V.A.4., 10., 23., & 30.)
- Construct new City Hall and Library. (IV.A.13. & 26.)

DEPARTMENTAL GOALS AND OBJECTIVES

The abbreviation used after each objective indicates which department has responsibility for it. If more than one abbreviation is used, the first one shown has primary responsibility for that objective. The abbreviations and corresponding departments used are as follows:

(AS)	Administrative Services
(CA)	City Attorney
(CE/PW)	City Engineer/Public Works
(CM)	City Manager
(CD)	Community Development
(F)	Finance
(PRCS)	Parks, Recreation and Community Services
(PD)	Police Department

** Denotes those objectives related to an identified Top Ten Priority.

The notations in the left margin indicate whether funding for an objective is included in the budget, as follows:

F	Funded
NF	Not Funded
SE	Staff Effort (Staff effort only without need for additional funding)

I. Revitalize downtown Moorpark with a focus on High Street and the surrounding business district and residential neighborhoods, which includes consideration of public rail transit, potential for increased residential density, and governmental and related public uses.

A. 0 to 2 Years

CITY MANAGER (CM)

- SE** 1. Develop high density residential project for Successor Housing Agency owned property at Moorpark Avenue and Everett Street by June 30, 2017. (CM & CD)

COMMUNITY DEVELOPMENT (CD)

- NF** 2. Develop program to encourage new multi and single family housing projects on underutilized residential and commercial sites within the Downtown Specific Plan area. (CD)
- SE** 3. Evaluate a potential mixed use (residential/commercial) zone within the Downtown Specific Plan area. (CD)
- SE 4. Develop Spending Plan for use of former Moorpark Redevelopment Agency 2006 Tax Allocation Bonds for presentation to City Council by December 31, 2015. (CD, CM, F, CE/PW & PRCS)
- NF** 5. Install new street furniture (benches, planters, and trash receptacles) on High Street by June 30, 2017. (CD, PRCS & CE/PW)

B. 2 to 5 Years: NONE.

C. 5+ Years

CITY ENGINEER/PUBLIC WORKS (CE/PW)

- NF 1. Install raised median with landscaping on Princeton Avenue from Spring Road to approximately 1,500 feet east of Spring Road. (CE/PW & CD)

COMMUNITY DEVELOPMENT (CD)

- NF** 2. Prepare a Commercial Façade Improvement Program to assist with architectural improvements within the Downtown Specific Plan area. (CD)
- NF** 3. Develop phasing plan and construct selected portions of the High Street Streetscape Plan. (CD, CE/PW & PRCS)

II. Improve traffic circulation and mitigate impacts on the movement of traffic through the City and enhance trail, bicycle and pedestrian facilities.

A. 0 to 2 Years

CITY ENGINEER/PUBLIC WORKS (CE/PW)

- ** 1. Work with Caltrans to complete a number of projects including: (CE/PW)
 - F** a) Obtain Caltrans approval for phased construction of a raised median on Los Angeles Avenue from west city limits to SR 23 Freeway.
 - SE** b) Improve traffic signal synchronization for Princeton Avenue at SR 118 ramps and Condor Drive.
 - F** c) Widen south side of Los Angeles Avenue between Maureen Lane and Shasta Avenue by December 31, 2015.
 - F** d) Complete design and acquire right-of-way to widen Los Angeles Avenue between Spring Road and Moorpark Avenue.
 - F e) Complete design and construct traffic signal for eastbound SR 118 ramp and Collins Drive.
- F** 2. Acquire right-of-way, prepare design and commence construction of Princeton Avenue widening from Condor Drive west to 1,500 feet east of Spring Road by June 30, 2016. (CE/PW)
- F** 3. Confer with Caltrans and prepare required Project Study Reports (PSRs) and environmental document for North Hills Parkway. Evaluate potential funding options for portion of improvements not developer funded. Proceed with preliminary design of planned railroad undercrossing. (CE/PW & CD)
- F 4. Determine feasibility of constructing a sidewalk on Arroyo Drive from Collins Drive to east City limits, and in conjunction with City of Simi Valley and County of Ventura, pedestrian and bike connections between Collins Drive and Madera Road by December 31, 2015. (CE/PW)
- SE 5. Develop a plan and cost estimates to comply with Federal Traffic Sign law. (CE/PW)
- SE 6. Evaluate options to provide a continuous Class II bike lane on Campus Park Drive between Princeton Avenue and Beragan Street. (CE/PW)
- F 7. Complete the right-of-way acquisition needed for the east side Spring Road widening project from south of Flinn Avenue to a point south of Los Angeles Avenue and then proceed with project construction by December 31, 2016. (CE/PW)
- F 8. Assist Southern California Regional Rail Authority (SCRRA) to obtain a Caltrans permit and construct improvements to Moorpark Avenue (SR 23) between Poindexter Avenue and High Street including a raised median,

traffic signal modification, and concrete sidewalks to accommodate railroad crossing safety improvements by June 30, 2016. (CE/PW)

- NF 9. Prepare a Traffic Study of the Los Angeles Avenue (SR 118) corridor to determine ultimate locations for traffic signals and other improvements to optimize traffic flow and minimize impacts on adjacent residential streets. (CE/PW, CD & CM)

COMMUNITY DEVELOPMENT (CD)

- F** 10. Confer with Caltrans and work with developer to complete grading of Alternate SR 23 and North Hills Parkway within Specific Plan No. 2. or accept cash in-lieu of grading. Grading of Alternate SR 23 will include trail linkage between City and Happy Camp Canyon Regional Park. (CD & CE/PW)

B. 2 to 5 Years

CITY ENGINEER/PUBLIC WORKS (CE/PW)

- SE** 1. Coordinate developer efforts to construct improvements to Walnut Canyon Road (SR 23) between Casey Road and Meridian Hills Drive and to provide lane widening, paved shoulders, sidewalks, and striped median by June 30, 2016. (CE/PW)
- SE** 2. Confer with Caltrans and evaluate potential funding options for improvement of Alternate SR 23. (CE/PW & CD)
- F** 3. Determine the feasibility of new and/or revised connections to the SR 23/118 freeways west of Princeton Avenue to facilitate the possible construction of roadways to connect to Broadway Road and/or North Hills Parkway. (CE/PW)
- SE** 4. Develop conceptual design plans to modify the intersection of Condor Drive (south), Princeton Avenue and Virginia Colony Place. (CE/PW)
- NF 5. Evaluate feasibility of constructing an additional travel lane on northbound Princeton Avenue between Condor Drive and SR 118 to allow two travel lanes to enter eastbound SR 118 freeway ramp. (CE/PW)
- NF 6. Evaluate feasibility of modifying southbound Collins Drive at westbound SR 118 freeway ramp to allow two travel lanes to enter the freeway ramp. (CE/PW)

- NF 7. Evaluate feasibility of adding second southbound travel lane on Collins Drive from University Drive traffic signal to Benwood Drive. (CE/PW)

PARKS, RECREATION AND COMMUNITY SERVICES (PRCS)

- SE** 8. Evaluate feasibility of constructing an improved bicycle path on the north side of the Arroyo Simi, from the pedestrian bridge at Arroyo Vista Community Park to the east side of Spring Road, including a bridge undercrossing and connections to existing bike lanes on Spring Road. (PRCS and CE/PW).

C. 5+ Years

CITY ENGINEER/PUBLIC WORKS (CE/PW)

- SE** 1. Work with VCTC, CHP, Caltrans, and County of Ventura to site a permanent truck scale facility west of the City. (CE/PW)
- F 2. Work with Caltrans to construct improvements at the eastbound and westbound Collins Drive at SR 118 freeway ramps. (CE/PW)
- SE** 3. Consider feasibility of pedestrian bridge on Los Angeles Avenue (SR 118) in vicinity of Moorpark Avenue. (CE/PW)
- NF** 4. Realign the intersection of Poindexter Avenue / First Street at Moorpark Avenue (SR 23). (CE/PW & CD)
- SE 5. Assist SCRRA with construction of modifications to the Arroyo Drive railroad crossing. (CE/PW)
- SE 6. Work with VCTC, SCAG, and Caltrans to process environmental review and complete project design for widening of SR 118 and SR 118/SR 23 connection bridges east of Los Angeles Avenue. (CE/PW, CD & CM)

III. Strengthen the City's fiscal stability and long-range financial growth.

A. 0 to 2 Years

CITY MANAGER (CM)

- SE** 1. Evaluate options and strategies for enhancement of General Fund revenue including but not limited to potential tax measures for sales, business license, oil extraction and utility users; mail ballot for increase in

assessments for parks, street lighting and landscaping; and community outreach. (CM & F)

- SE** 2. Evaluate potential uses for parcels on the north side of the Arroyo Simi that were deeded to City by SDI. (CM, CD, CE/PW & PRCS)

COMMUNITY DEVELOPMENT (CD)

- SE 3. Develop an equitable basis for requiring all new development projects to provide Affordable Housing units and/or pay in lieu fees. (CD & CM)

- SE 4. Evaluate options to have animal control services be self-supporting from licenses, fines and fees and modifications to services and service providers with a report to City Council by March 31, 2016. (CD, F & CM)

PARKS, RECREATION AND COMMUNITY SERVICES (PRCS)

- SE 5. In conjunction with Ventura County and affected property owners, develop a plan to reduce maintenance costs for the Home Acres Buffer. (PRCS, CE/PW, CM & CA)

B. 2 to 5 Years: NONE.

C. 5+ Years: NONE.

IV. Enhance the delivery of services and expand program efficiencies.

A. 0 to 2 Years

ADMINISTRATIVE SERVICES (AS)

- NF 1. Complete initial phase of a unified filing system for all City files, consisting of a complete listing of all departmental files, and an updated electronic records retention schedule that conforms to federal and state law by June 30, 2016. (AS)
- SE 2. Develop plan to expand City's GIS information layers, including estimated cost to create the data base and layer(s) by June 30, 2016. (AS, CE/PW, CD, CM & PRCS)
- F 3. Implement a Radio Frequency Identification (RFID) system with security gates at the Moorpark Library to provide a real time inventory of materials, enhance theft deterrence, and offer self-checkout of materials by June 30, 2016. (AS & PRCS)

- SE 4. Develop a plan to update portions of the Moorpark Municipal Code. (AS, CM & CA)

CITY ENGINEER/PUBLIC WORKS (CE/PW)

- F 5. Complete construction of second access to south Metrolink parking lot from First Street by June 30, 2016. (CE/PW & CD)
- NF 6. Evaluate feasibility including legal, financial, and operational issues for City to consider possible provision of water and wastewater services. (CE/PW & CM)
- SE 7. Upon approval of Parks/Facilities Capital Improvement Program, prepare a comprehensive City Capital Improvement Program document for consideration by December 31, 2016. (CE/PW & PRCS)
- SE** 8. Evaluate a policy and standards for use of more energy efficient street lights on public and private streets in new developments. (CE/PW & CD)
- F 9. Prepare an updated Pavement Management System and associated projections for maintenance and improvement costs by March 31, 2016. (CE/PW)
- SE 10. Update City's Engineering Policies and Standards by December 31, 2015. (CE/PW & AS)
- F 11. Develop program to construct sidewalks on one side of certain streets in industrial zoned areas to provide a safe path for pedestrians and to encourage walking by June 30, 2016. (CE/PW, PRCS & CD)
- SE 12. Complete preparation of Solid Waste Franchise Agreements for presentation to the City Council by October 31, 2015. (CE/PW, AS, CM & CA)

COMMUNITY DEVELOPMENT (CD)

- F** 13. Develop conceptual design proposal and process Civic Center Master Plan including EIR for new City Hall, council chambers, and other government offices and Library by June 30, 2016. (CD, PRCS, & CM)
- SE 14. Adopt City Film Ordinance by December 31, 2015. (CD, CE/PW & CM)

FINANCE (F)

- SE 15. Evaluate existing financial policies and procedures and consolidate them as part of City Council Policies Resolution by January 31, 2016. (F & CM)
- F 16. Upgrade financial software by January 31, 2016, and subsequent integration of on-line permitting and code compliance reporting by December 31, 2016. (F, AS, CD)

PARKS, RECREATION AND COMMUNITY SERVICES (PRCS)

- NF 17. Install lighting at east parking lots, soccer fields, and multi-purpose court at Arroyo Vista Community Park [AVCP]. (PRCS)
- SE 18. Prepare a Parks/Facilities Capital Improvement Program for presentation to City Council by June 30, 2016. (PRCS)
- F** 19. Install the second phase of a centralized irrigation system for City facilities, parks and landscape maintenance districts by September 30, 2015. (PRCS)
- SE 20. Consider alternatives to better utilize the roller hockey court at Arroyo Vista Community Park as a multi-purpose court by November 30, 2015. (PRCS)
- SE 21. Seek grant funding for installation of universally accessible play equipment. (PRCS)
- SE 22. Develop a policy for parkway tree maintenance on residential streets and guidelines for all tree removals administered by City by March 31, 2016. (PRCS & CE/PW)
- SE 23. Develop options and potential funding sources to provide a facility for either or both free-style bicycle and BMX riders as part of Capital Improvement Program adoption. (PRCS)
- SE 24. Develop rules for use of Country Club Estates and Meridian Hills equestrian staging areas. (PRCS)
- F 25. Construct ADA compliant pedestrian access from Moorpark Avenue to all buildings at City's Community Center and improve the bus stop by December 31, 2015. (PRCS & CE/PW)
- F** 26. Present a report to the City Council on feasibility of retaining the current library building and expanding it at its current location by March 31, 2016. (PRCS & CM)

- SE** 27. Evaluate potential requirement for use of pervious pavement on new private and public projects. (PRCS, CD & CE/PW)
- NF 28. Install a disc golf course at a city park. (PRCS)
- SE 29. Evaluate feasibility for greater use of Country Trail Park by youth sports teams and other potential uses including but not limited to disc golf, BMX or free-style bicycle track, or dog park, including construction of a restroom facility. (PRCS & CM)
- SE** 30. Develop a Water Conservation Policy and Implementation Plan to meet mandatory water use restrictions for parks, facilities, and City administered maintenance districts to include turf reduction, changes to the Landscape Design Standards and Guidelines to assist private efforts, and funding recommendations for City activities by September 30, 2015. (PRCS)
- SE 31. Determine if the two existing electronic message signs should be refurbished and if additional signs should be installed with a report to City Council by March 31, 2016. (PRCS & AS)
- SE 32. Evaluate feasibility of adding office space at Arroyo Vista Recreation Center. (PRCS)
- SE 33. Evaluate feasibility of converting a portion of the gated parking at the Police Services Center to public parking. (PRCS, CM & PD)
- NF 34. Expand east parking lot (Lot D) at Arroyo Vista Community Park. (PRCS)

B. 2 to 5 Years

ADMINISTRATIVE SERVICES (AS)

- NF 1. Comprehensive update of City's Classification Plan and Job Descriptions. (AS)

CITY ENGINEER/PUBLIC WORKS (CE/PW)

- SE** 2. Determine feasibility of purchasing existing City street lights and converting them to a more energy efficient lighting source. (CE/PW & F)
- SE 3. Vacate excess street right of way on Laurelhurst Road. (CE/PW)

PARKS, RECREATION AND COMMUNITY SERVICES (PRCS)

- SE 4. Consider options for funding construction and maintenance of a community aquatic facility. (PRCS)
- NF 5. Purchase and install electrical generators to serve the Active Adult Center, Arroyo Vista Recreation Center offices, and the Moorpark Public Services Facility. (PRCS)
- NF 6. Construct a wood ball wall at a selected City park. (PRCS)
- SE 7. Prepare a Senior Adult Master Plan. (PRCS)
- SE 8. Evaluate options for re-use of City Hall Administration Building. (PRCS & CM)
- SE 9. Evaluate feasibility of connecting the Moorpark Country Club equestrian staging area and the Meridian Hills equestrian staging area with a loop multi-use trail. (PRCS, CD & CE/PW)

C. 5+ Years

PARKS, RECREATION AND COMMUNITY SERVICES (PRCS)

- NF 1. Expand Arroyo Vista Community Park gym. (PRCS)
- NF 2. Install outdoor fitness equipment at various parks. (PRCS)

V. Reinforce and enhance Moorpark's safe and attractive community character, safeguard its desirable resources and promote community involvement and awareness, and sustainable and Healthy City activities.

A. 0 to 2 Years

ADMINISTRATIVE SERVICES (AS)

- SE 1. Plan and conduct an emergency response exercise with a focus on City staff implementation of the City's Emergency Operations Plan by March 31, 2016. (AS & PD)
- SE 2. Develop initial work to create an electronic inventory to recognize significant contributions to the City by individuals and organizations. (AS)

CITY ENGINEER/PUBLIC WORKS (CE/PW)

- SE 3. Evaluate funding sources for undergrounding of utility lines throughout the City. (CE/PW)
- F** 4. Update City's 1995 Master Drainage Plan and incorporate needed improvements into Capital Improvement Program. (CE/PW & CD)
- F 5. Underground existing electrical lines on north side of Los Angeles Avenue in the vicinity of the Arroyo Simi Bridge by June 30, 2016. (CE/PW)
- SE** 6. In conjunction with the Ventura County Watershed Protection District, prepare conceptual plans and evaluate potential funding for Arroyo Simi improvements determined necessary by the FIRM update; and evaluate the adequacy of existing facilities, determine what improvements are needed, and develop a funding program to protect downstream properties during 100 year storm events for:
 - a) Happy Camp Canyon Drain
 - b) Strathearn Drain
 - c) Canyon No. 2 Drain
 - d) Gabbert Canyon Drain, and
 - e) Walnut Canyon Drain(CE/PW)
- SE** 7. Work with owner of Villa Del Arroyo Mobile Home Park to resolve drainage issues. (CE/PW)
- SE 8. Determine feasibility and interest from property owners for a possible property-owner funded sound wall on south side of Los Angeles Avenue (SR 118) between Buttercreek Road and Maureen Lane by December 31, 2016. (CE/PW)

CITY MANAGER (CM)

- F 9. Acquire property and easements for open space purposes to meet City's obligation as part of Sustainability Fee Memorandum of Understanding with County of Ventura by September 30, 2017. (CM & PRCS)

COMMUNITY DEVELOPMENT (CD)

- F** 10. Prepare a comprehensive update of Land Use, OSCAR, and Circulation Elements including environmental documentation and insure internal consistency among all General Plan Elements. Consider creation of a Natural Open Space land use designation and the city's vision for land

within the City's Area of Interest as part of the Land Use Element. Present Land Use and Circulation Elements including possible designation of Moorpark Avenue (SR 23) between Casey Road and Los Angeles Avenue (SR 118) as an arterial street to the City Council by March 31, 2016. Present OSCAR Element including a Trails Master Plan to City Council by December 31, 2016. Upon adoption of any General Plan Amendments, prepare necessary changes to the Zoning Ordinance to insure conformity and consistency with the General Plan. (CD, PRCS & CE/PW)

- SE 11. Process amendments to City Zoning Ordinance including definitions, non-conforming uses, and overall internal consistency for presentation to the City Council by December 31, 2016. (CD)
- F** 12. Prepare a commercial demand study and submit to City Council by December 31, 2015. (CD & CM)
- F 13. Dispose of applicable former Moorpark Redevelopment Agency owned properties by June 30, 2016. (CD, CM, & F)
- SE 14. Consider ordinance to update smoking restrictions in public places, including electronic cigarette use, and in multi-family residential units by March 31, 2016. (CD & AS)
- SE 15. Consider Zoning Ordinance Amendment to regulate sales of tobacco products including electronic cigarettes. (CD & AS)
- SE 16. Evaluate potential impacts of projects under jurisdiction of other public agencies including Moorpark Desalter Project, Broad Beach Geological Hazards Abatement District, and extensions of quarry operations, and make recommendations for possible City Council action. (CD, CM & CE/PW)

PARKS, RECREATION AND COMMUNITY SERVICES (PRCS)

- SE 17. Develop policies and program guidelines for use of Art in Public Places and Tree and Landscape fees by June 30, 2016. (PRCS & CD)
- NF 18. Install public art on the back side of the Magnolia Park monument sign. (PRCS)
- NF 19. Consider recommendation for location, design and construction of a water spray attraction at a City Park by October 31, 2015. (PRCS)

- F 20. Consider item of public art for Police Services Center by September 30, 2015, and select next location for public art by December 31, 2015. (PRCS)
- NF 21. Modify and upgrade wall treatment and enhance landscaping on north side of Los Angeles Avenue (SR 118) between Millard Avenue and Spring Road. (PRCS & CD)
- NF 22. Landscape excess right-of-way on southeast corner of Tierra Rejada Road and Moorpark Road and install standard curb and gutter. (PRCS & CE/PW)
- NF** 23. Develop a Tree Master Plan and Maintenance Plan including tree inventory and mapping by June 30, 2016. (PRCS)
- SE 24. Evaluate feasibility of expanding security camera systems to additional locations. (PRCS, AS, CM & PD)
- SE 25. Evaluate options for partial development, sale or continued lease of Buttercreek Park by June 30, 2016. (PRCS & CM)
- SE 26. Evaluate feasibility of constructing park facilities on remnant property west of post office. (PRCS & CM)
- F 27. Upon formal approval of grant funding, complete design and construct multi-use trail and road widening and install outdoor exercise equipment at Arroyo Vista Community Park (AVCP) by June 30, 2016. (PRCS)
- SE 28. Work with Ventura County Fire Protection District to consider siting a fire station in the Campus Park area of the City. (PRCS & CM)
- SE** 29. Develop options for use of 80-acre City owned open space parcel in the Tierra Rejada Valley for consideration by the City Council by June 30, 2016, and develop a Joint Powers Authority with the Mountains Recreation and Conservation Authority (MRCA) to manage the property. (PRCS & CM)
- NF** 30. Develop design plan to refurbish median landscaping and hardscape on Tierra Rejada Road from Spring Road to Los Angeles Avenue, Campus Park Drive from Princeton Avenue to Collins Drive, and Princeton Avenue from Condor Drive to Campus Park Drive including cost estimates, financing, phasing and water conservation measures by December 31, 2015. (PRCS & CE/PW)

B. 2 to 5 Years

CITY ENGINEER/PUBLIC WORKS (CE/PW)

- NF 1. Establish Underground Utility District to underground electrical transmission lines on Los Angeles Avenue (SR 118) from Shasta Avenue to Millard Street. (CE/PW)

COMMUNITY DEVELOPMENT (CD)

- SE** 2. Work with property owners within the unincorporated area on both sides of Los Angeles Avenue to improve west City entry. (CD & CM)
- SE 3. Evaluate feasibility of relocating the Metrolink layover facility and, alternatively, to screen its east, west, and north perimeters. (CD & CE/PW)
- SE** 4. Develop options to enhance open space and greenbelt areas to include at a minimum: (1) strengthening the Tierra Rejada greenbelt agreement; and (2) consideration of adding new formal greenbelt(s) and agreement(s) for the areas north and south of the Ronald Reagan Freeway (SR 118) near the east end of the City of Moorpark and the west end of the City of Simi Valley plus contiguous unincorporated Ventura County and west of the City limits (Los Posas) for consideration by the City Council. (CD & CM)

PARKS, RECREATION AND COMMUNITY SERVICES (PRCS)

- SE 5. Evaluate feasibility of establishing a community garden program including identification of a preferred location. (PRCS)
- NF 6. Work with Caltrans to install additional landscape improvements at the SR 23 / Tierra Rejada Road interchange and Princeton Avenue SR 118 freeway ramps. (PRCS & CE/PW)
- NF 7. Develop a Youth Master Plan in collaboration with the various agencies that serve Moorpark youth, including MUSD and Moorpark Boys and Girls Club, and interested residents to identify existing needs, services and programs, including but not limited to the expansion needs of the Moorpark Boys and Girls Club. (PRCS)

C. 5+ Years

CITY ENGINEER/PUBLIC WORKS (CE/PW)

- NF** 1. Prepare design for extension of Fremont drain north of Los Angeles Avenue. (CE/PW)

PARKS, RECREATION AND COMMUNITY SERVICES (PRCS)

- NF 2. Landscape north side of Poindexter Avenue from Gabbert Road east to vicinity of Chaparral School. (PRCS, CE/PW & CD)
- NF 3. Update Parks and Recreation Master Plan. (PRCS)

M:\CITYMGR\Objectives 2015-2016 and 2016-2017 FINAL-Approved by HCC 2015 0520 - Listed by Dept doc

Potential Objectives
(Approved by City Council May 20, 2015)

1. Tape a minimum of two (2) special City-sponsored events or meetings for replay supporting public information and community promotion efforts and evaluate the feasibility of taping a video about Moorpark City government.
2. Conduct an Organization and Management Study and prepare an implementation plan.
3. Evaluate feasibility of establishing a teen center.
4. Install winter holiday decorations on street light poles at various locations in the City.
5. Adopt formal traffic policies.
6. Develop plan for recreational use of detention basin in Specific Plan No. 1.
7. Work with Historical Society on finalizing a site for its proposed facility.
8. Establish apricot orchard at one or more locations for community's historical purposes.
9. Evaluate feasibility of establishing an equestrian center on a publicly owned site with privately funded improvements and operations.
10. Consider feasibility of pedestrian bridge over Poindexter Avenue and Union Pacific Railroad (UPRR) from Specific Plan No. 1.
11. Evaluate feasibility and cost for modifying traffic signal pedestrian crossing devices for use by vision impaired and physically disabled persons as well as upgrading to include time display.
12. Install parkway landscaping and enhanced pavement on collector and arterial streets that lack such improvements, including the south side of Peach Hill Road west of Rolling Knoll Road and north side of Peach Hill Road west of Bella Vista Drive and consider possible use of Xeriscape landscaping.
13. Prepare a City Vision Statement.
14. Evaluate the establishment of a policy for installation of speed humps on City streets.

-

15. Develop new design for City street name signs and a standard design for street identification signs in medians.
16. Work with U.S. Postal Service and homeowners' associations to relocate group mail boxes to maximize on-street parking.
17. Consider name change for Spring Road from Tierra Rejada Road to Walnut Canyon Road.
18. Install parkway trees on the west side of Spring Road north of Peach Hill Road.
19. Construct raised landscaped median on Collins Drive from Campus Park Drive to University Drive.
20. Consider providing youth employment services in conjunction with existing services in adjacent cities.
21. Evaluate feasibility of using a two-year Budget process.
22. Plant parkway trees on both sides of Princeton Avenue, east of Spring Road.
23. Evaluate feasibility of City serving as authorized agent for commercial / industrial centers to deter after hours / weekend commercial truck parking.
24. Evaluate feasibility of constructing a small lake in a City park.
25. Construct enhanced entry statements at Spring Road and Roberts Street and Spring Road and Second Street.
26. Establish a downtown area farmers' market.
27. Evaluate options for a park ranger program for City parks and open space.
28. Evaluate feasibility of installing raised median on Poindexter Avenue and Gabbert Road south of Poindexter Avenue.
29. Evaluate construction of Lassen Avenue from Park Lane to Moorpark Avenue to create a four-way intersection at Third Street.
30. Evaluate need for traffic signal at Campus Canyon Drive and Collins Drive.

-

31. In conjunction with Historical Society, develop or modify existing walking tour of Moorpark to promote community's historical, cultural heritage and public art resources.
32. Prepare an Arts Master Plan which shall include guidelines for fine and cultural arts expenditures.
33. Evaluate benefits of participating in a Sister City Program.
34. Evaluate feasibility of modifying certain existing streets to increase landscaping and reduce the amount of asphalt to be maintained.
35. Evaluate benefits of revising current street standards to narrow the street width but not the right-of-way to encourage more landscaping and reduce future pavement maintenance costs.
36. Widen Science Drive at Los Angeles Avenue (SR-118) to provide a dedicated right turn lane.
37. Evaluate cost benefit for potential use of cold in place recycling of asphalt concrete (AC) and warm mix AC for streets and parking lots, and permeable surfaces for parking lots and bike paths.
38. As part of the City's General Plan update, establish a policy to protect and enhance, where possible, the City's viewshed of County unincorporated areas within the City's Area of Interest.
39. Partner with another city or contract with a private sector electronic file storage company for electronic transfer of City files to continue essential City operations in the event of a catastrophic disaster involving loss of equipment and/or facilities.
40. Work with artists and other interested community members in the Moorpark area to form a formal arts organization to support the arts.
41. Develop cost estimate to acquire temporary, collapsible outfield fencing at Arroyo Vista Community Park for one of the softball fields.
42. Evaluate the need for a mural ordinance
43. Fund a City volunteer coordinator position.
44. Work with Caltrans to permit installation of City identification sign on Collins Drive overpass bridge and City entry statements in Caltrans right-of-way at selected locations.

-

45. Evaluate and develop plan to update traffic signal equipment and software programming.
46. Consider citywide prohibition on use of rodenticides.
47. Develop an Employee Development Program.
48. Evaluate feasibility and cost for installation of “Blue Lights” (also known as “Tattletale Lights”) on selected traffic signals to enhance traffic enforcement of red light violations.
49. Require electric vehicle charging capability for new homes and businesses.
50. Install monument sign at southwest corner of High Street and Moorpark Avenue for post office and public parking.
51. Evaluate potential uses for APN 513-0-010-225 (formerly referred to as Crawford Canyon) on north side of Princeton Drive including possible trail connection to Moorpark Highlands.
52. Evaluate feasibility of a multi-use trail between Spring Road, Calleguas Water District Pump Station, and Miller Parkway through Tract 4980 / Serenata HOA.
53. Evaluate feasibility of trail from Valley Road to Waterworks District No. 1 offices at Spring Road / Elk Run Loop intersection (will require ability to go under future North Hills Parkway to be constructed by Tract 5130, City Ventures).
54. Evaluate need for traffic signal at Princeton Avenue and Nogales Street.
55. Evaluate options for Bus turn-outs on Los Angeles Avenue (SR118).
56. Evaluate need for ordinance mandating spaying and neutering of dogs and cats.
57. Consider revisions to Education Code and other applicable State laws to recognize differences between City operated libraries and special districts.
58. Evaluate feasibility of trail from connection from College Heights Drive across future SR 23 Alternate Route to Moorpark Highlands’ trails.
59. Evaluate feasibility of adding a parking lot at Campus Canyon Park.

60. Evaluate feasibility of a walkway and bike path from Mountain Trail Street (through portion of Moorpark High School) to Arroyo Vista Community Park.
61. Work with Waterworks District No. 1 to screen its maintenance yard from Walnut Canyon area.

CITY OF MOORPARK

Regional Map

**CITY OF MOORPARK
PROFILE AND HISTORY
FY 2016/17 BUDGET**

PROFILE OF THE CITY OF MOORPARK

The City provides a full range of services to its residents with a total regular full-time staff of about 54 and part-time staff of approximately 43 employees. Major services such as police (contracted with Ventura County Sheriff), attorney, development engineering and inspection, building and safety plan check/inspection, transit, street sweeping and landscape maintenance are provided through contractual arrangements. In addition, fire protection is provided by the Ventura County Fire Protection District. The City provides services such as emergency management, economic development, housing, planning, code compliance, recreation programs, vector/animal control, park and facilities maintenance, street maintenance, city engineering, crossing guard and administrative management services with city employees.

HISTORY OF THE CITY OF MOORPARK

In 1887, Robert W. Poindexter was granted title to the present site of Moorpark. He named the City after the Moorpark apricot which grew throughout the valley. Poindexter plotted Moorpark city streets and planted Pepper trees in the downtown area. The City of Moorpark was incorporated in 1983 as the tenth city of Ventura County with a Council-Manager form of government. The Mayor is elected at large to serve a two-year term. The four Council Members are elected at large to serve staggered four-year terms. The size of the City was 12.36 square miles with a population of about 10,000 at incorporation and is currently at 12.6 square miles with a population of 36,715 (Provided by the California Department of Finance as of January 1, 2016). Moorpark is recognized for having the lowest number of serious crimes committed in Ventura County and is one of the safest cities of its size in the United States.

CITY OF MOORPARK

Overlapping General Fund Obligation Debt:			
Ventura County General Fund Obligations	4.485 %	\$ 385,475,000	\$ 17,288,554
Ventura County Superintendent of Schools COPs	4.485 %	10,795,000	484,156
Moorpark Unified School District COPs	93.366 %	<u>6,020,000</u>	<u>5,620,633</u>
Total Overlapping General Fund Obligation Debt		<u>\$ 402,290,000</u>	<u>\$ 23,393,343</u>
Overlapping Tax Increment Debt (Successor Agency):	100.000 %	<u>\$ 24,920,000</u>	\$ 24,920,000
Total Direct Debt			<u>\$ -</u>
Combined Total Debt*		<u>\$ 980,963,562</u>	<u>\$ 134,443,471</u>
Total direct and overlapping debt			<u>\$ 134,443,471</u>

Notes:

* Excludes tax and revenue anticipation notes, revenue bonds, mortgage revenue bonds and tax allocation bonds and non-bonded capital lease obligations; of which the City has none.

The direct and overlapping bonded debt above is not the City's obligation

Source: California Municipal Statistics, Inc. The overlapping district's assessed valuation located within the City is divided by the total assessed valuation of the overlapping district. That percentage is multiplied by the total debt outstanding for the overlapping district resulting in the City's share of debt.

CITY OF MOORPARK

GENERAL FUND REVENUE SOURCES

PROPERTY TAX - Property Tax is imposed on real property (land and permanently attached improvements such as buildings) and tangible personal property (movable property) located within the City. Property is appraised at the 1975-76 base year value and is adjusted each year after 1975 by a 2% inflation factor per year. When property changes ownership, it is reassessed at current market value. Cities, counties, school districts and special districts share the revenues from one percent of the property tax. The County collects the tax and allocates 9.1% of the one percent to the City.

SALES AND USE TAX - Sales and use tax is imposed on retailers for the privilege of selling at retail, within the City limits. The tax is based on the sales price of any taxable transaction of tangible personal property. Leases are considered to be a continuing sale or use and are subject to taxation. The State Board of Equalization collects sales tax for cities and counties. The City receives one percent of sales tax collections from sales in the City.

TRANSIENT OCCUPANCY TAX - Transient Occupancy Tax is imposed on the occupancy of a room or rooms in a hotel, motel or other lodging facility. The rate is 10% and the hotel/motel owners collect and then remit the tax to the City. The City currently has no hotels/motels.

TRANSFER TAX - Transfer tax is imposed on the transfer of real property. The City and County each receive 27½¢ per \$500 value exclusive of any lien or remaining encumbrance on the property. The County remits the tax to the City.

MOTOR VEHICLE IN-LIEU - A special license fee equivalent to 2% of the market value of motor vehicles is imposed annually by the state in lieu of local property taxes. The City receives an allocation from the State based on population. Due to the "VLF for Property Tax Swap of 2004", VLF revenues are replaced with a like amount of Property Taxes, dollar for dollar.

FRANCHISES - Franchise Fees are imposed on gas, electric, rubbish and cable television companies for the privilege of using City rights of way. The fee is collected by the companies and remitted to the City. The refuse franchise fee is 16% for multi-family and commercial and 5% for residential. The cable franchise fee is 5% and the electric and gas franchise fees are 2% of gross revenues.

PERMIT FEES - The City engages in certain regulatory activities in the interest of the overall community. The City charges permit fees as a means of recovering the cost of regulation.

CITY OF MOORPARK

BASIS OF ACCOUNTING/BUDGETING

The budgets of governmental funds (General, Special Revenue, Debt Service, and Capital Projects) are prepared on a modified accrual basis where revenues are recognized in the accounting period in which they become susceptible to accrual, that is, when they become both measurable and available to finance expenditures of the current period. “Measurable” means that the amount of the transaction can be determined, and “available” means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures are recorded when the fund liability is incurred, if measurable, except for unmatured interest on general long-term debt, which is recognized when due.

Proprietary funds (Internal Service and Enterprise) revenues and expenses are budgeted and accounted for on an accrual basis where revenues are recognized when earned, and expenses are recognized when incurred.

The following fund classifications describe the various types of funds used by the City of Moorpark.

GOVERNMENTAL FUNDS

Four fund types are used to account for governmental-type activities. These are the general fund, special revenue funds, debt service funds, and capital projects funds.

GENERAL FUND

The primary operating fund of the City used to account for the day-to-day operations which are financed from property taxes, sales taxes, property tax in lieu of VLF and other general revenues. All revenues that are not allocated by law or contractual agreement to a specific fund are accounted for in the General Fund. With the exception of subvention or grant revenues restricted for specific uses, General Fund resources can be utilized for any legitimate governmental purpose.

SPECIAL REVENUE FUNDS

Special Revenue Funds are used to account for revenues derived from specific taxes or other earmarked revenue sources which, by law, are designated to finance particular functions or activities of government and which therefore cannot be diverted to other uses. The City has the following special revenue funds:

PARK IMPROVEMENT – Quimby fees paid by developers in lieu of dedicating park land are accounted for in this fund. The purpose of this fund is to build and improve park and recreation facilities.

CITY OF MOORPARK
BASIS OF ACCOUNTING/BUDGETING (continued)

SOLID WASTE AB939 - This fund is used to account for recycling program revenue as required by Assembly Bill 939. Funds are used for programs that promote resource reduction, recycling, composting, and proper disposal of household hazardous waste.

GAS TAX - The City receives a portion of the taxes paid on the purchase of gasoline. The revenue received is restricted to the construction, improvement and maintenance of public streets.

ASSESSMENT DISTRICT MAINTENANCE - Revenue received for this fund is from special assessment property tax revenue. The funds are to be used for operations and maintenance of medians, parkways, parks, trees, and slopes within the district boundaries.

ENDOWMENT FUND - Revenue received from developers for future projects necessitated by new development is accounted for in this fund.

LOCAL TRANSPORTATION DEVELOPMENT ACT - Revenue from Ventura County Transportation Commission (VCTC) Articles 8A, 8C, 3 & 6.5 for transportation related expenses.

COMMUNITY DEVELOPMENT - Revenue from the issuance of various permits, plan check, planning staff time charges, and other miscellaneous items.

TRAFFIC SAFETY - Revenue from traffic fines and forfeitures collected through Ventura County. Funds are used for traffic safety activities such as crossing guards and parking enforcement.

TRAFFIC SYSTEMS MANAGEMENT - Revenue from fees based on air quality impacts of development with the purpose of mitigating these impacts by funding programs or projects that reduce emissions.

CITY-WIDE TRAFFIC MITIGATION – Revenue from development fees to fund traffic mitigation measures for increased traffic flow.

CROSSING GUARD – Revenue from development fees for the provision of increased crossing guards at specific locations in the City.

TREE AND LANDSCAPE – Revenue from development fees to provide landscaping and trees in public areas.

ART IN PUBLIC PLACES – Revenue from development fees to provide art in public areas.

CITY OF MOORPARK
BASIS OF ACCOUNTING/BUDGETING (continued)

BICYCLE PATH/MULTI-USE TRAILS – Revenue from development fees to provide recreational facilities in the form of bicycle paths/trails.

MUNICIPAL POOL – Revenue from development to provide a municipal pool.

COMMUNITY DEVELOPMENT BLOCK GRANT - Revenue for this fund comes from the Federal Department of Housing and Urban Development and is administered through Ventura County. Many activities are eligible for CDBG funding. The CDC reviews each activity to determine if it is eligible for funding. Each activity must address at least one of the national objectives of the CDBG program which are: benefiting low and moderate income persons; addressing slums or blight; or, meeting a particularly urgent community development need for which no other resources are available.

STATE/FEDERAL GRANTS - These funds account for grants requiring segregated fund accounting. Financing is provided by federal, state and county agencies and includes monies for law enforcement programs.

AFFORDABLE HOUSING (CITY) - This fund is used to account for activities related to the City's affordable housing program.

LIBRARY FACILITIES - This fund has been established to account for development fees to fund projects that provide additional library services to the community.

AREA OF CONTRIBUTION – Revenue from development fees for street related improvement projects within the City's Area of Contribution (AOC).

SUCCESSOR LOW & MODERATE INCOME HOUSING ASSET FUND – Accounts for all the housing assets, as defined by the Health and Safety Code Section 34176 (e), transferred to the Housing Successor (City of Moorpark).

CAPITAL PROJECT FUNDS

The Capital Projects Funds account for all resources used for the acquisition and/or construction of capital equipment and facilities by the City. The City accounts for these expenditures in the following funds:

CITY HALL BUILDING – Revenue from developer fees to provide for construction of a new Civic Center Complex.

CITY OF MOORPARK
BASIS OF ACCOUNTING/BUDGETING (continued)

POLICE FACILITIES - Revenue from developer fees to provide for the construction of a Police Services Facility.

EQUIPMENT REPLACEMENT – Funds set aside from the General Fund to help finance and account for the replacement of equipment and vehicles.

CAPITAL PROJECTS – Funds spent exclusively on the construction of roadway and traffic improvements

SPECIAL PROJECTS – Funds earmarked for approved new infrastructure projects or any other municipal purpose determined by City Council

DEBT SERVICE FUNDS

The Debt Service Funds are used to account for the payment of interest and principal on general and special obligation debts other than those payable from special assessments and debt issued for and serviced by a governmental enterprise. The City does not currently have any debt or any Debt Service Funds.

PROPRIETARY FUNDS

Two fund types are used to account for a government's business-type activities (activities that receive a significant portion of their funding through user fees). These are the enterprise funds and the internal service funds. The City does not currently have any enterprise funds.

INTERNAL SERVICE FUNDS

Internal Service Funds are used by state and local governments to account for the financing of goods and services provided by one department or agency to other departments or agencies, and to other governments, on a cost-reimbursement basis. The City has one internal service fund:

INTERNAL SERVICE – This fund is designed for providing goods or services on a cost reimbursement basis through fees or charges to various other City funds/departments.

CITY OF MOORPARK

BASIS OF ACCOUNTING/BUDGETING (continued)

FIDUCIARY FUNDS

Local governments often function as trustees or agents for resources belonging to parties outside the government. Fiduciary funds are the vehicle we use to account for the stewardship of those resources. Specific funds are: Private-Purpose Trust Funds, Pension Trust Funds, Investment Trust Funds and Agency Funds.

PRIVATE-PURPOSE TRUST FUNDS

The City uses a Private-Purpose Trust Fund to account for the Successor Agency to the Redevelopment Agency of the City of Moorpark as directed by the Oversight Board to settle the affairs of the dissolved agency.

PENSION TRUST FUNDS

Pension trust funds are used when governments manage pension plans. The City of Moorpark does not currently engage in pension fund management.

INVESTMENT TRUST FUNDS

This fund is used to account for external investment pools. The City of Moorpark does not have an Investment Trust Fund.

AGENCY FUNDS

Trust funds typically involve some degree of financial management. Agency funds are used when the government plays a more limited role by just collecting funds on behalf of some third party.

CITY OF MOORPARK

FUND DEFINITIONS AND AUTHORIZED USES

Fund No.	Revenue Fund Title	Definition of Types of Monies Included	Restricted	Authorized Uses
0100	Internal Services Fund	Designed for providing goods or services on a cost reimbursement basis through fees or charges to various City funds.	Yes	General overhead expenditures only.
0101	Investment Earnings - City	Overall portfolio of the City's cash balance invested in: LAIF, bank accounts and securities.	Yes	Funds can only be invested in accordance with the City's Investment Policy.
1000	General Fund	Property tax, sales tax, business license, franchise fees, fines & forfeitures, investment interest, funds from other agencies, fees for service.	No	Primary City fund for operational expenditures.
1010	Library Services Fund	Other Property taxes, library fines, Federal/State grant funds, gifts, donations and fees for service	Yes	Use of this fund is limited to library purposes only including operating and maintenance expenditures.
2000	Traffic Safety Fund	Revenues from traffic fines and forfeitures collected through Ventura County Superior Courts.	Yes	This fund is used for traffic safety activities such as crossing guards and parking enforcement.
2001	Traffic Systems Management Fund	Fees based on the air quality impacts of development with the purpose of mitigating these impacts by funding programs or projects that reduce emissions.	Yes	Funds can only be used on appropriate programs including, but not limited to, low emissions and alternative fuel vehicles for the City fleet and transit buses.
2002	City-Wide Traffic Mitigation Fund	Fees to fund mitigation measures for increased traffic flows generated by developments within the City.	Yes	Funds to be used for projects that will improve traffic flow
2003	Crossing Guard Fund	Fees for the provision of increased crossing guards at specific locations as a result of additional residential development.	Yes	Fees collected in this account are used to partially fund the annual costs of providing crossing guard services .
2100-2113	Park Improvement Fund	Quimby Act fees from developers in lieu of dedicating park land.	Yes	For use of construction of park facilities as a result of increased demand for parks resulting from new development.
2150	Tree and Landscape Fund	Fees to provide landscaping and trees in public areas resulting from the increase in demand from additional development.	Yes	To fund projects providing landscaping and trees in public areas.

CITY OF MOORPARK BUDGET GLOSSARY

ACCOUNT - Financial reporting unit for budget, management, or accounting purposes.

ACCOUNTS PAYABLE - Amounts owed to others for goods and services rendered.

ACCRUAL BASIS - Method of accounting under which revenues and expenditures are recorded when they occur, regardless of the timing of related cash flows; expenditures are recorded at the time liabilities are incurred and revenues are recorded when earned.

AD VALOREM – Tax based on the value of real estate.

ALLOCATION - Component of an appropriation earmarking expenditures for a specific purpose and/or level of organization.

AMORTIZATION - Payment of a debt at regular intervals over a specific period of time.

APPROPRIATION - Specific amount of money authorized by the City Council for the expenditure of a designated amount of public funds for a specific purpose.

APPROPRIATIONS LIMIT - Article XIII B, of the California Constitution, was amended by Proposition 4, "The Gann Initiative," in 1979. This Article limits growth in government spending to changes in population and inflation, by multiplying the limit for the prior year, by the percentage change in the cost of living (or per capita personal income, whichever is lower); then multiplying the figure resulting from the first step, by the percentage change in population. The base year limit (FY 1978-79) amount consists of all tax proceeds appropriated in that year. The Appropriations Limit calculation worksheet can be found in the Appendix of the budget.

ASSET - Resources owned or held by a government with a monetary value.

ASSESSED VALUATION - Value assigned to real property (land and buildings) and tangible personal property (moveable property) by the County Assessor's Office for use as a basis in levying property taxes.

AUDIT - Prepared by an independent certified public accountant (CPA), the primary objective of an audit is to determine if the City's Financial Statements present fairly the City's financial position and results of operations in conformity with generally accepted accounting principles.

BALANCED BUDGET - Budget in which planned expenditures do not exceed planned funds available.

CITY OF MOORPARK
BUDGET GLOSSARY (continued)

BEGINNING FUND BALANCE - Fund balance available in a fund from the end of the prior year, for use in the following year.

BOND – Debt instrument issued for a period of more than one year with the purpose of raising capital by borrowing, with a promise to repay the principal along with interest on a specified maturity date.

BONDED INDEBTEDNESS - Outstanding debt issues of bonds repaid by ad valorem or other revenue.

BUDGET - Financial plan that identifies revenues, types and levels of services to be provided, and the amount of funds which can be spent.

BUDGET CALENDAR - Schedule of key dates which a government follows in the preparation and adoption of the budget.

BUDGET DEFICIT - Amount by which the government's budget outlays exceed its budget receipts for a given period, usually a fiscal year.

BUDGET MESSAGE - General outline of the budget including comments regarding the City's financial status at the time of the message, and recommendations regarding the financial policies for the coming period.

BUDGET OBJECTIVE - Specific, measurable and observable result of an organization's activity which advances the organization toward its goal, to be accomplished within the fiscal year.

BUDGET POLICIES - General and specific guidelines adopted by the Council that govern budget preparation and administration.

CAPITAL IMPROVEMENT PROGRAM (CIP) - Multi-year financial plan to provide for the maintenance or replacement of infrastructure, existing public facilities and for the construction or acquisition of new ones.

CAPITAL OUTLAY - Equipment (fixed assets) with a useful life of more than one year, such as computer terminals, and office furniture, which are part of the operating budget.

CONTINGENCY - Budgeted reserve set aside for unanticipated expenditures. Council authorization is required to transfer the necessary amount to the appropriate expenditure account.

CITY OF MOORPARK
BUDGET GLOSSARY (continued)

DEBT SERVICE - Annual principal and interest payments owed on money the City has borrowed.

DEPARTMENT - Highest organizational unit which is responsible for managing divisions within a functional area.

DIVISION – Organizational unit that provides a specific service within a department.

ENTERPRISE FUNDS - Funds established to account for the total costs of those governmental facilities and services that are operated in a manner similar to private enterprise. These programs are entirely, or predominately, self-supporting.

EXPENDITURE - Decrease in net financial resources that represent the actual payment for goods and services or the accrual thereof.

EXPENSE - Charges incurred (whether paid immediately or unpaid) for operations, maintenance, interest or other charges.

FIDUCIARY FUNDS - Trust and Agency Funds.

FISCAL YEAR - Beginning and ending period for recording City financial transactions, specifically July 1 to June 30.

FIXED ASSETS - Assets of long-term character which are intended to be held or used for more than one fiscal year including land, buildings, machinery and furniture.

FULL-TIME EQUIVALENT (FTE) - Number of positions calculated on the basis that one FTE equates to a 40-hour work week for twelve months. For example, two part-time positions working 20 hours for twelve months also equals one FTE.

FUND - Accounting entity that records all financial transactions for specific activities or government functions. The four generic fund types used by the City are: General Fund, Special Revenue, Capital Projects, and Internal Service.

FUND BALANCE - Difference between the assets and liabilities for a particular fund.

GENERAL FUND - Primary operating fund of a City. All revenues that are not allocated by law or contractual agreement to a specific fund are accounted for in the General Fund.

GENERAL OBLIGATION BONDS - Bonds where the City pledges its full faith and credit to the repayment of the bonds, and are secured by the General Fund of the City.

CITY OF MOORPARK

BUDGET GLOSSARY (continued)

GRANT FUNDS - Monies received from another government entity such as the State or Federal Government, usually restricted to a specific purpose.

GOAL - Long-term, attainable target for an organization - its vision for the future.

GOVERNMENTAL FUNDS - General, Special Revenue, Debt Service, and Capital Projects funds.

INFRASTRUCTURE - Substructure or underlying foundation on which the continuance or growth of a community depend; such as streets, roads, transportation systems, etc.

LINE-ITEM BUDGET - Budget that lists detailed expenditure categories (salary, materials, telephone service, travel, etc.) separately, along with the amount budgeted for each specified category.

MODIFIED ACCRUAL - Basis of accounting used by the City, whereby revenues are recognized when susceptible to accrual (i.e., when they become both measurable and available) and expenditures are recorded when the related fund liability is incurred.

MUNICIPAL CODE - Collection of City Council approved ordinances currently in effect. The Municipal Code defines City policy in various categories (i.e. building regulations, planning and zoning regulations, sanitation and health standards, and traffic regulations).

OPERATING BUDGET - Portion of the budget that pertains to daily operations providing basic governmental services.

OPERATING COSTS - Supplies and other materials used in the normal operation of City departments including books, maintenance materials and contractual services.

ORDINANCE - Formal legislative enactment by the City Council. An ordinance has the full force and effect of law within the City boundaries, unless it is in conflict with any higher form of law, such as a State statute or constitutional provision. An ordinance has a higher legal standing than a resolution.

PERSONNEL COSTS - Salaries and benefits paid to City employees including insurance and retirement.

PROPOSITION 4/GANN INITIATIVE LIMIT - The City is required, under Article XIII.B of the State Constitution to limit appropriations from the proceeds of taxes. The annual appropriation limit is based on data received from the State, including various growth measures such as population, CPI, and non-residential construction changes.

CITY OF MOORPARK
BUDGET GLOSSARY (continued)

RESERVE - Account used to indicate a portion of fund balance that is legally restricted for a specific purpose and is, therefore, not available for general appropriation.

RESOLUTION - Order of a legislative body requiring less formality than an ordinance.

RESOURCES - Amounts available for appropriation including estimated revenues, beginning fund balances and beginning appropriated reserves.

REVENUE - Income received through such sources as taxes, fines, fees, grants or service charges which can be used to finance operations or capital assets.

RISK MANAGEMENT - Organized attempt to protect an organization's assets against accidental loss in the most cost-effective manner.

SPECIAL REVENUE FUNDS - Funds used to account for the proceeds from specific revenue sources (other than trusts or major capital projects) that are legally restricted to expenditures for specific purposes.

SUBVENTION - Revenues collected by the State and allocated to the City on a formula basis including motor vehicle in-lieu and gasoline taxes.

SUCCESSOR AGENCY – newly created agency to replace the Redevelopment Agency.

SUPPLIES & SERVICES - This budget category accounts for all non-personnel and non-capital expenses. Such expenditures include building maintenance, contract services, equipment maintenance, office supplies, and utility costs.

TRANSFERS - All inter-fund transactions except loans or advances, quasi-external transactions and reimbursements.

TRUST & AGENCY FUNDS - Classification of funds which temporarily hold cash for other agencies or legal entities.
